

# **PVUMC PRESCHOOL VOLUNTEER OPPORTUNITIES**

PVUMC Preschool offers many opportunities to become involved in your child's educational experience. Look over your current preschool calendar in hopes of finding an area that interests you. There will be sign-up sheets in each classroom during Back to School Night.

## **Home Room Parent**

Room parents are the liaisons between your classroom teachers, parents and the preschool board. Duties includes: attending informational meeting, providing sign-ups for classroom parties, coordinate teacher gifts throughout the year, and provide communication when necessary. *Home Room Parents must be efficient with email communication in order to maximize parent communication.*

## **Preschool Board**

The Preschool Board needs parent volunteers throughout the year to help organize events and provide support to parents and staff. Please look for flyers in your child's classroom offering opportunities to support the Preschool by volunteering your time and contributing your skills! Additionally, the Nominating Committee will advertise available Board member openings each Spring for the following school year.

## **Classroom Volunteer**

PVUMC Preschool welcomes parent participation in your child's classroom throughout the year. Read, play, and interact with your child and classmates. You may sign-up for volunteer days in your child's classroom. When volunteering, you must sign-in with the preschool office in the morning and receive a parent volunteer lanyard for the day.

***Any time you volunteer or attend a morning PVUMC Preschool sponsored Parent Education Class, the MMO/Rainbow Room is available. There is no charge for the first child. The second child is \$8.00. A reservation three days in advance is required. If you have any questions, please call the preschool office at 602-840-8265.***

## **Scholastic Book Fair**

PVUMC hosts an annual Scholastic Book Fair during the Parent-Teacher Conferences at the beginning of November. Volunteers are needed to help set up bookshelves, restock and sell books during sale dates.

## **Ice Cream Social and Art Show**

PVUMC presents our largest and vitally important fundraiser of the year. It's a night filled with children's artwork, dinner, and of course, ice cream. Volunteers are needed on several different committees with a time commitment coming mostly the day before and day of this event in April. Volunteers are needed for Classroom Project Coordinator, who coordinates with teachers and helps to coordinate and decorate the classroom auction item. The Classroom Theme Basket coordinator discusses, collects, and makes theme basket to be displayed and sold at the auction. Other committees include, auction, ticket sales, decorations, food, entertainment and publicity.
