THE PRESCHOOL

PVUMC PRESCHOOL provides a developmentally appropriate educational program for preschool children two through five years old, through experiences which meet each child's individual needs.

We are committed to enhancing the self-esteem of each child.

We are concerned about the individual child's growth in the areas of physical, creative, emotional, social, language, cognitive, and faith development. We seek to provide a nurturing environment which supports parental involvement and augments the values of each child's family experience.

ACCREDITATION

PVUMC Preschool has been accredited by the National Association for the Education of Young Children (NAEYC) since 1986. The NAEYC Academy, the only national accreditation program for preschools existing today, sets the standards of excellence in early childhood education. Our preschool is the longest running accredited preschool in the state of Arizona.

OFFICE HOURS

The Preschool office hours are 8:30 am to 3:00 pm, Monday through Friday.

TYPES OF PROGRAMS

Parent/Toddler 9:30am-11:00 am

Mini Two's Co-op 9:00am-12:00pm

2 and 3-Year-Olds

Mon-Fri 9:00am-12:00pm

Mon/Wed/Fri 9:00am-12:00pm

Tues/Thurs 9:00am-12:00pm

3 and 4-Year-Olds

Mon-Fri 9:00am-12:00pm

Mon-Thurs 9:00am-12:00pm

Mon/Wed/Fri 9:00am-12:00pm

Tues/Thurs 9:00am-12:00pm

Friday Friends 9:00am-12:00pm

4 and 5-Year- Olds

Mon-Fri 9:00am-12:00pm

4 and 5-Year-Olds T/Th Expanded

Mon-Fri 12:00pm-1:00pm

(until 1:00pm on Tues/Thurs)

5-Year-Olds Junior Kindergarten

(5 by Dec. 31)

Mon-Fri 9:00am-1:00pm

Early Care 8:00am-9:00am

**Mom's Morning Out
(Rainbow Room)** 9:00am-1:00pm

Lunch/Play Bunch
12:00pm-2:30pm

Parent Toddler Interaction Program

This program is an interactive class for children ages 18-24 months and their parents. The class is held once a week from 9:30 am to 11:00 am and is taught by the Preschool Director. This class is offered through Paradise Valley United Methodist Church as a community outreach program.

Mini Two's Co-op

This class is for children who turn two by December 31 of the school year and who have attended the Fall Parent Toddler class. The class is held once a week from 9:00 am to 12:00 pm in the spring only. The Preschool Director teaches this class with assistance from the participating children's parents. This class is offered through Paradise Valley United Methodist Church as a community outreach program.

Friday Friends

This class is for children enrolling in either a T/TH class or a M-TH class and whose parents would like to increase the number of days the child is attending preschool.

T/Th Expanded Day

The T/Th expanded class is for 4 and 5-year-olds. The class hours are 9:00 am to 12:00 pm on Monday/Wednesday/Friday and 9:00 am to 1:00 pm on Tuesday and Thursday. The children bring their lunch on Tuesdays and Thursdays.

Junior Kindergarten

Our Junior Kindergarten meets Monday through Friday from 9:00 am to 1:00 pm. This Pre-Kindergarten class is limited to children who turn five by December 31. The children bring their lunch every day.

Early Morning Drop Off

Early morning drop off is available for children who are participating in Mom's Morning Out/Rainbow Room and children who attend the Preschool. The hours are 8:00 am to 9:00 am with a flat fee of \$10.00 per morning. Reservations must be made at least 48 hours in advance so we can provide adequate staff. We do not accept standing reservations; please call the Preschool office if you are interested in making a standing reservation for your child.

Mom's Morning Out (Rainbow Room)

This program provides a Mom's Morning Out for children who are 12 to 36 months old and walking. It is available to PVUMC members, Preschool parents and those families with an application on file. The hours are 9:00 am to 1:00 pm with a fee of \$24 until 12:00 pm, \$27 until 12:30 pm and \$30 until 1:00 pm per

child. A lunch from home is needed for care after 12:00 pm. Reservations must be made at least 48 hours in advance so we can provide adequate staff. We do accept standing reservations; please call the Preschool office if you are interested in making a standing reservation for your child.

LITTLEST ANGELS' CHAPEL

PVUMC Preschool believes that spiritual development at a young age helps children grow into well-rounded individuals. All preschool-age children attend Littlest Angel's Chapel once a week where the emphasis is on God's love for each precious child, how each child is special and unique, and how God wants us to care for each other and our world. Chapel is 10 to 15 minutes long and consists of a simple Bible verse, Bible story, age-appropriate music and a prayer.

LUNCH/PLAY BUNCH

After school care is available to all Preschool students. Children who are under three years and/or not toilet trained may stay from 12:00 pm until 1:00 pm. Children who are over three years old and toilet trained may stay from 12:00 pm until 2:30 pm. Be sure to place a cold pack in the lunch, and place the lunch with the child's name on it in the classroom.

AFTER SCHOOL PROGRAMS

After School Programs, such as Artworks, Baker's Cents, Chicka Chicka Book Book, Godly Play, Gymnastics, Jump Bunch, Kidtastic Dance, Soccer, and Phonics Fun are offered this year.

TUITION

Tuition rates are established by the PVUMC Preschool Board. These rates allow the Preschool to continue to operate at its current level of excellence. They provide for a lead teacher and assistant teacher/aide per classroom, a music teacher, a motor perception program, a nutritional snack program, new equipment and abundant supplies. The tuition rates allow us to meet the growing demands on our school and to upgrade facilities as needed.

Tuition may be paid annually, by the semester or monthly. Annual tuition is due on September 10. Semester tuition is due on September 10 and again on January 10. Monthly tuition payments and other fees owed (including Lunch/Play Bunch and Mom's Morning Out) are due by the 10th day of each month. Tuition is not prorated for illness, vacation, accidents, etc. A late fee will be charged if payment is not received by the 10th day of the month. If the 10th day of the month falls on a weekend or holiday, the payment will be due on the next business day following the 10th day of the month.

Registration fees are non-refundable and due at registration. The classroom teachers receive funds from the registration fees to purchase additional

classroom materials at their discretion. The remainder of the registration fee is used to purchase supplies and operate the school.

Please see the Preschool's Financial Policies document for further information on the payment of tuition and other fees.

Charges, Tuition Fees & Late Payments

Processing Fee to get on Wait List: \$35 per family (non-refundable)

Registration: \$175 (non-refundable)

Parent/Toddler or Mini Two's Co-op Registration: \$75 (non-refundable)

August and May tuition paid prior to the start of preschool (non-refundable)

Tuition for 2014-2015 (per month)

Parent/Toddler (per session) \$302

Mini Two's Co-op (spring session only) \$495

2 days per week \$210

3 days per week \$280

4 days per week \$400

5 days per week \$490

Expanded Day Pre-K (T/Th till 1:00 pm) \$515

Junior Kindergarten (daily till 1:00 pm) \$521

Tuition Discounts

Sibling discounts: the second and each additional child in a family receives a \$15.00 per month tuition discount.

There are no refunds or partial tuition for absences due to illness or vacation.

Tuition & Lunch/Play Bunch Late Fees

A \$25 late fee will be charged if tuition, Lunch/Play Bunch, or other fees are not paid by the 10th day of the month. If the 10th day of the month falls on a weekend or holiday, the \$25 late fee will be charged if tuition or other fees owed are not paid by the next business day following the 10th day of the month.

Tuition Delinquency

If a family is unable to meet its payment obligations, it is the responsibility of the family to contact the Preschool Director to work out an acceptable payment arrangement. If, after two months, tuition, Lunch/Play Bunch, and/or other fees including any late fees, are still owed and a satisfactory arrangement cannot be mutually reached, the Preschool Director may require that the child(ren) withdraw from the Preschool until the payments are made.

Returned Checks

Checks returned to PVUMC Preschool due to insufficient funds, closed account or for any other reason will be assessed a \$25 service charge.

ENROLLING CHILDREN AT PVUMC PRESCHOOL

PVUMC Preschool works collaboratively with parents to promote the health of children. When a child enrolls in our preschool, we ask for information regarding the child's health including documentation of a health care provider's physical examination of the child within the last year.

Prior to the start of preschool, the Emergency, Information and Immunization Record (EIIRC) card is completed, dated and signed by the parent. This card is often referred to as the "blue emergency card."

The Emergency Information and Immunization Record Card includes basic information regarding the child's legal name, address, telephone numbers, birth date and parental custody status, as well as current information regarding the child's general health, emergency contact names and phone numbers, names of health care providers, a copy of the child's immunization record and health insurance information.

PVUMC Preschool's Emergency Information and Immunization Cards are filed in a small file which is portable. The Emergency Information and Immunization Record Cards are to be evacuated with the staff and children during emergencies or emergency practices.

We ask parents to review and update the Emergency Information and Immunization Record Cards quarterly in order to capture changes in phone numbers, family information and updated immunization. The PVUMC Preschool Office Manager is responsible for this process.

Files containing information about daily activities, parental notifications, illness, injuries, or observations about a child are kept onsite, and are accessible to PVUMC Preschool administrators or teaching staff who have consent from a parent or legal guardian, the child's parents or legal guardians, and regulatory authorities, on request. Confidential records are maintained in a locked, restricted filing system accessible to only the parties indicated above.

EMERGENCY PROCEDURES

In the event a child becomes ill at school, the following procedure will be followed. First, the parents will be contacted, and if they cannot be reached, the designated emergency person will be called. If there is a serious emergency, the paramedics will be contacted immediately.

MEDICATION

PVUMC Preschool administrative staff (Director, Administrative Assistant and Office Manager) are the only staff members trained and designated to provide EpiPen injections/allergy medication or to help a child use his/her asthma inhaler. All medications are labeled and administered only with permission of the parent

or legal guardian and as prescribed in writing from the licensed health care provider. No other medication will be administered to any child.

MEDICAL AND DENTAL EMERGENCIES FOR CHILDREN

All PVUMC Preschool staff are trained and certified in Pediatric First Aid and CPR. When a medical or dental emergency occurs PVUMC Preschool staff will:

1. Call 911.
2. Follow procedures learned in the First Aid and CPR Training.
3. Pull blue emergency card which contains phone numbers, allergies medication, designated hospital and insurance information.
4. Call parents or legal guardians.
5. Continue following First Aid and/or CPR procedures till emergency medical help arrives and takes over.

EMERGENCY RESPONSE PLAN

Should an emergency or disaster situation arise in our area while school is in session, PVUMC preschool has made preparations to respond effectively. You child(ren) will be cared for at school. Please **DO NOT COME TO THE SCHOOL** unless directed to do so. PVUMC Preschool has a detailed Emergency Response Plan. Copies are available in the office. It is imperative that a current cell phone number and email address are on file with the office. In the case of an emergency or lockdown situation, parents or other pre-designated persons, will be contacted through our Procure software system via text and email.

DAILY REQUIREMENTS

Every child must be signed in daily on the attendance sheet posted on each classroom window. (The AZ Health Department requires legible first and last names must be used by the person signing in and out.) Also on this sign-in/out sheet, please note if your child will be staying for Lunch/Play Bunch or an After School Program. If you pick your child up at 12:00 pm (1:00 pm for Junior Kindergarten and T/Th Expanded Class) sign your child out on the sign-in/out sheet posted on the classroom window.

If your child stays for Lunch/Play Bunch or any special After School Program you must sign him/her out in the Preschool office and get a release slip to give to the Lunch/Play Bunch teacher or After School Program instructor.

If anyone other than a parent comes to pick up a child, that person must have written permission on the child's blue emergency card or a written note from the parent (give this to the classroom teacher or Preschool office) in order for the child to be released. **NO EXCEPTIONS WILL BE MADE.**

TRANSPORTATION OF PVUMC PRESCHOOL CHILDREN

Transportation for children to and from PVUMC Preschool is the responsibility of the parents or legal guardians. Only persons listed on the Emergency Information and Immunization Card may have children released to them for transportation home. Children are to be supervised by their parents and signed in at their classroom, where the PVUMC Preschool teaching staff will greet them at the door and responsibility for the children will transfer from the parents to PVUMC Preschool. At the end of the preschool morning parents will sign their children out at the classroom and responsibility for the children will transfer back to the parents. Children who participate in Lunch/Play Bunch will be signed out by their parents in the Preschool Office, where the parents will be given a slip to pick up their children at the classroom, After School Program location or playground.

ABSENTEEISM

If a child has two consecutive absences from school, either the child's teacher or the Preschool Director will contact the family. If a child is going to miss school for reasons other than illness, it is helpful to notify the teacher prior to the absence.

WELLNESS POLICY

The Preschool Board recognizes that sound nutrition and optimal physical fitness are directly related to learning readiness, physical and emotional well-being and decreased discipline problems in young children.

Lifelong healthy habits include early introduction to and daily consumption of nutritious foods and regular outdoor play/physical activity. Parents are important partners and have the most significant influence regarding their child's nutritional and lifestyle choices. Opportunities for both parents and Preschool staff to continue their learning process in the areas of childhood nutrition and physical activity are an important part of our school's environment.

To ensure a strong start to the health and well-being of all students, the Preschool Board shall support and promote preschool student wellness in a manner that the Preschool Board (in consultation with appropriate nutrition and wellness professionals) determines is appropriate in the following areas:

Nutrition Guidelines:

1. All foods available in school will support the promotion of student health and the reduction of obesity and follow USDA and Maricopa County Health Department childhood nutrition guidelines.

Preschool snacks will include whole grains, fresh fruits and vegetables and lean sources of protein (like cheese, sunflower butter, etc.). Snacks will not contain trans fats, excessive sugar or sodium. Water will be served. No fruit juice will be

provided at snack time unless it is produced in the classroom as a learning opportunity (e.g. squeezing oranges to make orange juice).

2. Parents are free to pack their child's lunch as they wish while following their child's classroom allergy/age-appropriate requirements.

The Board of Health requires 100% juice or milk to be placed in your child's lunch. If your child will be drinking water please write a note to be kept on file in the office. If permission is not on file, you will receive a note in your child's lunchbox stating that they need 100% juice or milk.

3. Student birthdays will be celebrated in each child's classroom with parents encouraged to contribute a new, or gently used, book to the child's classroom instead of a treat. **Regular snacks provided by the Preschool will be served** (This protects other parents and students from unknown or excessive sugary treat consumption.)

Physical Activity goals include:

1. Providing opportunities for every student to explore a range of age-appropriate physical skills, games and play

2. Offering activities in which children develop age-appropriate coordination balance and muscle tone

3. Showing children how fun and enjoyable physical activity and fitness can be

4. Gently reminding staff, not just physical education teachers, to play an important role in promoting and modeling physical activity and healthy habits.

The Preschool Director and the Preschool Board are directed to develop administrative rules to implement this policy including such provisions as may be necessary to address all food and beverages served to children at school (i.e. after-school activities, school parties and celebrations and fund-raising).

FIELD TRIPS

Field trips are scheduled in the Junior Kindergarten class. Each child must have a parent-signed permission slip in order to participate. Parents will be asked to drive on these trips.

State law specifies that children under five years of age must be secured in a safety seat and children five to seven years of age or under four feet ten inches tall must be restrained in a booster seat.

ON-CAMPUS WALKING FIELD TRIPS

Occasionally there are times during the PVUMC Preschool class morning that your child's class may take a walking field trip on the Paradise Valley United

Methodist Church campus to see the desert plants, collect rocks, or visit the Biblical Garden, Fellowship Center or Sanctuary. Because these walking field trips are beyond the preschool gates, we are in need of your permission for your child to walk with their classroom teachers and classmates on these short trips.

PARENT LENDING LIBRARY

The Parent Library is located in the Preschool office. Parents are welcome to borrow books on a variety of subjects of particular interest to parents of young children. The library can always use parenting books, even duplicate copies. Please leave your donations in the Preschool office.

CHILD LENDING LIBRARY

The Child Lending Library is available for PVUMC Preschool children to check out a Book Bag which contains an age appropriate preschool story and “stuffed animal friend.” The child takes the book bag home to enjoy the story and “stuffed animal friend” with their family for a few days then returns the bag and contents to the Preschool Office. Please check with the Preschool Office for book bags available and check out procedures.

ROOM PARENTS

Each classroom will ask for two parents to volunteer to be room parents. These parents assist the teachers by coordinating classroom parties. They also act as liaisons to the Preschool Board and coordinate the class projects to be used for the school’s fundraising efforts.

PARENT EDUCATION

Parent education opportunities are available during the school year. Our parent education program is announced in detail in the monthly Preschool newsletter and on the Preschool website. Suggestions for topics and speakers are always welcome.

LIABILITY INSURANCE

Paradise Valley United Methodist Church (PVUMC) carries a liability insurance policy which covers the Preschool. A copy of the insurance policy is on site and may be viewed in the PVUMC Office.

SUPPLIES

In addition to the supplies on hand and those purchased every year, we are always happy to receive toys, household items and equipment you no longer have use for at home. A tax deductible receipt can be obtained at the Preschool office.

YOUR CHILD AT SCHOOL

SCHOOL CLOTHING

PVUMC Preschool values hands-on experiences. Frequently, these experiences are messy, so we encourage parents to send children to school in play clothes. The Preschool suggests that all outer clothing be marked with your child’s name. The lost and found is in the Preschool office. Parents of children in diapers or newly toilet trained should plan to bring a complete change of clothing for their child. Place this change of clothes in a ziplock bag marked with your child’s name and leave it in the classroom.

TOYS AT SCHOOL

Please check with your child’s classroom teachers concerning their policy on toys. The Preschool does not encourage “aggressive” toys. Parents are responsible for all items brought to school.

EMERGENCY CARDS

The Emergency Information and Immunization Record Card must be completed before your child enters school. Each year parents need to complete a new card. This card provides vital information if an emergency occurs at school.

ILLNESS AND COMMUNICABLE DISEASE

For the well-being of all our children, a child who is ill may not come to school. If a child becomes ill at school or if a child’s condition is suspected to be contagious, a member of the child’s teaching team will bring the child to the Preschool Office where the staff member or office staff will contact the parents or other persons authorized by the parents to pick the child up from school. The child will be made comfortable in the Director’s office, where he/she will be supervised by familiar office staff, located where new individuals will not be exposed until an authorized party can pick the ill child up. **A child will be sent home from preschool if he/she has a temperature of 100 degrees or above or if the child has additional symptoms such as vomiting, diarrhea, coughing, headache, stomach ache, undiagnosed rashes or the child is lethargic or not his/her normal self, even without a fever.** A child must be free from fever, diarrhea and vomiting **without the use of medication** for 24 hours prior to the return to school. A child with a nose running yellow or green is also considered ill and contagious. Families with children who have allergies that cause clear running noses may be asked to provide documentation from a health care provider.

HEALTHFUL ENVIRONMENT–BODY FLUIDS

Surfaces that come in contact with potentially infectious body fluids must be disposable or made of a material that can be sanitized. Staff are required to wear disposable rubber gloves that minimize contact of mucous membranes or openings in skin with potentially infectious body fluids and the reduction of spread of infectious disease.

When spills of body fluids occur, staff wipes or covers the area and immediately communicates with the office for custodian clean-up, which includes cleaning and sanitizing described in the Cleaning and Sanitation Frequency Table. If body fluids come in contact with rugs and carpeting, staff blot contaminated area and contact the office for a custodian clean-up, which includes detergent-disinfectant, and shampooing or steam cleaning. Staff dispose of contaminated materials and diapers in a plastic bag with a secure tie that is placed in a closed container or tied garbage bag.

HEALTHFUL ENVIRONMENT–ALLERGIES AND POLLUTION

When a staff member or child has allergies or any other special environmental health needs that require special written recommendations from a health professional, PVUMC Preschool will strive to maintain areas according to the written health professionals recommendations.

ENVIRONMENTAL HEALTH

Because children are susceptible to environmental hazards known to be detrimental to human health, we act to protect them in these ways:

Lead and Asbestos

Lead is a highly toxic metal found in the environment, especially in paint and lead-tainted soil. Lead does not break down over time. Parts of the Preschool were built before 1978, but PVUMC Preschool has been remodeled and repainted numerous times since the original building. All materials and paint used in the remodeling are lead and asbestos free.

We also do these things to reduce the risk of lead exposure in our facility:

- Our vinyl mini-blinds are lead-free.
- We keep the preschool clean. We dust regularly with a damp cloth and have a doormat outside each exterior door to reduce dust being tracked indoors. We vacuum floors daily and change the vacuum bag when it is two-thirds full.
- Children wash their hands before eating.
- Mouthed toys are washed daily and between use by individual children.
- We store food and liquids only in containers made of glass, plastic, or stainless steel, not in leaded crystal glassware, or imported or old pottery as these are likely to contain lead.
- We check all arts and crafts materials for lead content. Arts and crafts materials made after 1990 state “conforms to ASTM-4236” and have no health warning.

Air Pollution

Pollution, including tobacco smoke, mold, carbon monoxide, ozone, particles from burning materials, chemical vapors, smoke, soot and dust particles in the air

may be harmful to children who breathe them. Pollution can cause burning eyes, a stuffy nose, and trouble breathing, including asthma episodes, in children and adults. PVUMC Preschool does these things:

- Open windows and doors to provide fresh air from outside.
- Properly maintain our air filtering system.
- Have exhaust fans in bathrooms and the kitchen.
- Promptly repair roof or pipe leaks.
- Maintain a tobacco smoke-free environment.
- Make sure art materials meet ASTM standards.
- Check local media alerts for days when children should play indoors, such as days when there are ozone alerts.

Pesticides

We limit the use of pesticides and herbicides in our program. We use non chemical means of controlling pests and weeds. If it is necessary to use pesticides or herbicides they are applied by a licensed professional when children are not present. Material Safety Data Sheets (MSDS) for all chemicals used in pest control are kept on file in the Paradise Valley United Methodist Church office. Information on spraying is posted 48 hours prior to spraying and takes place late on Friday afternoons after the Preschool is closed.

PARENT PARTICIPATION

PVUMC Preschool encourages parents to participate in their child’s classroom. Teachers appreciate your help and support. The amount of parent helper time per month is determined by the number of days per week a child attends school. For example, the parent of a child attending school two days per week, may be a parent helper twice per month. Sign-up sheets are posted in each classroom.

The classroom teachers will provide specific guidelines or suggestions for being a helper in their classroom. Classrooms may vary their helper schedule during the year. In some of the classes, teachers may not utilize helpers during the early weeks of school or after vacation periods.

Volunteering in your child’s class provides an opportunity for you and your child to share a special day. Keep in mind that some children are unaffected by their parent’s presence in the classroom, while other children may behave differently when their parent is in the classroom. Therefore, this is not an appropriate situation for you to evaluate your child’s classroom behavior. Please speak to your child’s teachers about any concerns you may have.

On the day a family member is participating in the classroom please:

- Sign in at the Preschool office and pick up a volunteer name tag prior to going to the classroom.

- Family member washes hands before beginning their day in the classroom by following the PVUMC Preschool hand washing policy.
- At the end of the morning, sign out in the Preschool office and return the volunteer nametag.

Mom's Morning Out/Rainbow Room is available to parents on parent participation days if the child is 12 to 30 months of age and walking. There is no fee for the first child and a \$10.00 charge for each additional child. However, parents MUST make a reservation with the Rainbow Room at least 72 hours in advance of the parent participation day to ensure proper coverage. The Rainbow Room is licensed to provide care for children who are 12-30 months of age and walking. Younger and older children may not be cared for during Parent Participation.

ASSESSMENT PROCEDURES

PVUMC Preschool assesses children enrolled at the Preschool on an ongoing basis. Assessment results are used for arranging developmental screening and referral for diagnostic assessment when indicated, identifying children's interests and needs, describing the developmental progress and learning of children, improving curriculum and adapting teaching practices and the environment, planning program improvement, and communicating with families.

Ongoing written observations and informal hands-on evaluations are done on a continuous basis for all students enrolled at PVUMC Preschool throughout the year. Teaching staff conference with families formally twice a year (November and February) and informally during the year as need be. Families will receive written child assessments three times during the year (November, February and May) with families providing input for partnering with the classroom teachers in ways that will enhance the child's learning and growth.

CONFERENCES

PVUMC Preschool values the knowledge and experience of every parent, particularly concerning his/her child. Please share with your child's teachers any pertinent information which may affect your child's day at school. The teachers need to be in the classroom from 9:00 am to 12:00 pm, but will be glad to meet with you or talk to you on the phone/email before or after school. Informal conferences are welcomed by the teachers.

Twice yearly Parent/Teacher conferences will be scheduled in November and February. All information shared in parent/teacher/director conference is strictly confidential.

THE SCHOOL YEAR

Throughout the year we have several special events planned of which you

should be aware. We encourage your participation. Please look for the dates of this year's activities in the school newsletter and on the Preschool's website.

BEGINNING OF SCHOOL

Parent Orientation is an opportunity for you to meet your child's teachers and familiarize yourself with your child's classroom, some of his/her activities at school and the Preschool in general.

After Parent Orientation, the first week of school is orientation for children. Each class has its own schedule for introducing children to their new classroom classmates and teachers.

WELCOME BACK EVENT – SEPTEMBER

This is a school party that is held for the whole family to welcome everyone back to school. It is an opportunity for families to get further acquainted with other Preschool families and teachers.

FATHER'S SATURDAY – OCTOBER

Preschool will be in session for dads and children. Teachers plan a fun morning enabling dads to share in their child's regular school day.

PUMPKIN PATCH – END OF OCTOBER

The children go with their class to the Pumpkin Patch set up at school and pick their own pumpkins to take home for Halloween!

HALLOWEEN PARADE – END OF OCTOBER

Children wear their costumes (no masks or weapons please) to school for the Halloween Parade. Parents are invited to come and watch each class parade around the courtyard. A great picture-taking time!

BOOK FAIR – NOVEMBER

This is a book sale offering parents the best in children's literature for preschool aged children through third grade.

PARENT/TEACHER CONFERENCES – NOVEMBER

Parent/Teacher Conferences provide an opportunity to discuss your child's preschool adjustment with his/her teacher.

THANKSGIVING FEAST – NOVEMBER

Each classroom has their own special "feast" to celebrate the holiday.

SOCK AND UNDERWEAR TREE – DECEMBER

Throughout the month of December a Christmas tree is on display in the Preschool office. To help celebrate the Christmas season we ask the children to bring a pair of brand new socks or underwear to school and pin them on the tree. These socks are then donated to the Wesley Community Center.

CHRISTMAS MUSIC PROGRAM – DECEMBER

The music teacher, assisted by the classroom teachers, plans a special program for your child to share the sights and sounds of the season.

PARENT/TEACHER CONFERENCES AND REGISTRATION – FEBRUARY

Parent/Teacher Conferences provides an opportunity to discuss your child's progress with his/her teachers. At this conference time you may register your child for next year's program.

VALENTINE'S DAY – FEBRUARY

Each class organizes its own Valentine's Day party where children exchange valentines.

ICE CREAM SOCIAL AND ART DISPLAY – APRIL

A school Fundraiser, and Art Display and Ice Cream Social for all to come and enjoy! This is an opportunity for the children to share their school with parents, grandparents, brothers and sisters.

MOTHER'S/SPECIAL PERSON DAY – MAY

Children in each classroom plan a program for their moms or a special person!

END OF YEAR EVALUATION – MAY

Parents sign and pick up their child's evaluation.

PVUMC PRESCHOOL BOARD

The Preschool Board is made up of Preschool parents and staff. It meets monthly during the preschool year to help establish, approve and implement administrative policies and to aid the Preschool in fundraising. If you are interested in a detailed description of the Preschool Board's make-up and its function, please ask for a copy of the Preschool Operating Statement in the Preschool office. When vacancies occur, they are filled by the Preschool Board Nominating Committee. Child care for parent Board members attending Preschool Board meetings is free.

As specified in the PVUMC Preschool Operating Statement, the Preschool Board is in place to assist the Preschool Director with the following responsibilities: evaluate the Preschool program, determine and review administrative policies, address grievances of the staff, address grievances of the Preschool families, and approve the annual budget. In addition, the Preschool Board members are in charge of fundraising activities which directly benefit the Preschool's classrooms and facilities (including the playgrounds) as well as the scholarship fund.

The 2015-2016 Preschool Board members include:

Chris Bergstrom	Jackie Leivian
Megan Bert	Monica Lindstrom
Tim Budd	Rev. Dee Dee Lombardi
August Colosimo	Russ Mosser
Kristin Magin Fleming	Hester Stewart
Katy Freudenberg	Susan Truax
Christine Gandy	Elizabeth Vernellis
Catherine Tittle Healy	

Also included are:

Mindy Sobraske, PVUMC Preschool Director
Diane Poteet, PVUMC Preschool Staff Liaison

PVUMC PRESCHOOL BOARD SPONSORED EVENTS

After School Programs – The Preschool Board will be responsible for selecting the After School Programs for the upcoming year based on proposals received and evaluations of the current programs. This chairperson will also communicate appropriate information with the program providers according to the defined After School Program Policies.

Book Sale – A book sale is held during the preschool year. The books offered to parents include the best in children's literature for preschool-aged children through third grade.

Ice Cream Social and Art Show – This yearly event takes place in April. Artwork by all students is displayed. Dinner, entertainment, and, of course, ice cream are all available during this very special evening of sharing and fun with our Preschool families. In addition, wonderful silent auction items are available including class baskets and special projects from the children.

Scholarship Applications

Eligibility to Apply: Anyone enrolled in the Preschool.
Application Process: Obtain scholarship application from the Preschool office (in file folder by sign-in/sign-out sheets) or the Preschool Director.

Committee Process: 1. The Director assigns a code number to the scholarship application and keeps the first page of the

application with the personal information. Board Executive Committee members receive only the second page to determine financial need.

2. The scholarship committee will attempt to meet within one week of receiving the application.

3. The Director will notify the applicant of the committee's action as soon as possible.

Application Regulations: 1. A family can apply for up to the entire tuition for all their children attending the Preschool.

2. The scholarship does not apply towards processing, registration or hold fees.

3. Application can be made any time during the school year.

4. Re-application must be made for each school year.

5. In order to apply for a scholarship, you must be registered and accepted into the Preschool.

Parent Education – The Preschool Board plans educational seminars for Preschool parents to be held throughout the school year. In addition, a kindergarten readiness event is held every other year.

Spirit Days – Spirit Days are held on the first Thursday and Friday every other month. The Preschool Board is responsible for organizing special visitors or events for these days.

Staff Luncheon – The Preschool Board welcomes the Preschool staff back to work in August by providing lunch during their first staff meeting.

PVUMC PRESCHOOL POLICIES

ASSESSMENT OF SPECIAL NEEDS

Based upon teacher and director observations a special conference will be called with parents to share observations and assessments, as well as gather additional information from parents. At this time, the teacher and director will make recommendations for further formal evaluations and/or suggest strategies in order to best meet the child's needs. At this time an initial Individualized Family Service Plan (IFSP) or Individualized Education Plan (IEP) will be written for the child and revised after formal evaluations are completed. **ALL IFSPs OR IEPs WILL BE WRITTEN WITH THE INVOLVEMENT OF PARENTS, TEACHERS AND THE PRESCHOOL DIRECTOR.**

DISCIPLINE

All teachers work with the Director to handle discipline in a positive and preventative manner. The heart of our approach is a belief in each child's self-

worth. We support positive reinforcement, active listening, parent involvement and redirection of inappropriate behavior that might prove harmful to the child his peers, or any adult in the classroom. Time-out methods are also utilized in some classrooms.

If a child has excessive difficulty adjusting to the classroom situation or should a behavior problem arise anytime during the school year, the teachers, working with the Director, will request a special conference with the parent to better understand the child's special behavior needs. A three-week time period from the date of the special conference will be given to implement the recommendation that arise from the conference. At the end of three weeks, another conference will be scheduled to reevaluate the situation. If the problem still exists at the time of the second conference, the Director and teacher(s), in partnership with the parents, will determine the appropriate course of action.

BITING

If a biting incident occurs, the teacher/staff member will bring both the biter and the child bitten to the Preschool Office. Both the parents of the biter and the child bitten will be called by the teacher/staff member even if the skin has not been broken or no bite marks are apparent.

Names of both of the children are to be kept confidential. Incident and Behavior Incident report forms need to be completed. The child who did the biting will be shadowed by classroom staff to prevent follow-up incidents. The Preschool Director, parents, teachers/ staff will conference to determine reasons for the biting and additional actions we can take to prevent biting. If the biting behavior occurs more than once during a single morning parents will be called and the child will be set home. In the event biting occurs two to three days in a row and all efforts fail to correct the biting behavior, it may be necessary to exclude the child from the preschool.

SPECIAL NEEDS CHILDREN

PVUMC Preschool is pleased to enroll special needs children provided our facilities and staff are able to adequately meet those children's needs. These children will be accepted on an individual basis after consultation with the Director, parent and teacher(s) involved (if possible). While the majority of our staff members do not have specific training for special needs children, we are able to provide them with social interactions. Any other services which are needed such as physical, occupational, speech or hearing therapy and emotional counseling, must be provided by outside sources and paid for by the parents. Should outside services be necessary, we require that the child's teachers be in communication with those service providers so that the teachers are able to better understand the needs of the child.

If the Director and the teachers determine that the special needs child require individual attention by an aide and that an aide would not normally be needed for the class, the parent must pay for the salary for the aide. This situation will first be discussed with the teacher, Director and parents of the special needs child.

CLASS SIZE

The following limits have been set on class sizes. These limits will remain in effect until the PVUMC Preschool Board deems changes necessary.

E8 Two-Year-Olds	12 children to 1 lead teacher & 1 assistant teacher/aide
E7 Older Two-Year-Olds / Young Threes	12-13 children to 1 lead teacher & 1 assistant teacher/aide
E6 Three-Year-Olds	16-17 children to 1 lead teacher & 1 assistant teacher/aide
E5 Older Three-Year-Olds	17-18 children to 1 lead teacher & 1 assist. teacher/aide
E3 Four-Year-Olds	18 children to 1 lead teacher & 1 assistant teacher/aide
D1	20 children to 2 teachers & 1 aide
D2, D3	20 children to 1 lead teacher, 1 assistant teacher, 1 aide
E4	20 plus children to 1 lead teacher, 1 assistant teacher & 1 aide

JUNIOR KINDERGARTEN

Children must have turned five years old by December 31.

AGES OF CHILDREN IN TWO-YEAR-OLD CLASSES

Children must be two before September 1 of the year in which they wish to start preschool. (Potty training is not a requirement to attend the preschool if the child is in the 2-year-old or young 3-year-old.)

CHILD CARE AMOUNTS

When the Mom’s Morning Out/Rainbow Room is used on a parent participation day, there will be no charge for the first child and an \$10.00 charge for each additional child. Parents MUST make a reservation with the Rainbow Room at least 72 hours in advance of the parent participation day to ensure proper coverage. Any child in the Rainbow Room must be at least one and walking.

When a parent education class is offered and there is no charge for the class, a Rainbow Room charge of \$10.00 for each child shall be assessed. If there is a charge for the parent education class, there will be no charge for child care for the first child and \$10.00 for each additional child.

The Preschool shall continue to extend usage of the Mom’s Morning Out/Rainbow Room to people on the waiting list but that usage does not guarantee a spot in the Preschool the following year. Priority on Mom’s Morning Out/Rainbow Room usage: (1) teachers’ children (2) Parent/Toddler siblings (3) parent helper siblings (4) others.

LUNCH/PLAY BUNCH

The fee for each child attending Lunch/Play Bunch is \$6.50/hour. Charges are as follows per child:

1 Hour	\$7.00
1 ½ Hours	\$10.50
2 Hours	\$14.00
2 ½ Hours	\$17.50

No child under the age of three and/or in diapers or pull-ups shall be left after 1:00 pm.

If a child is left for Lunch/Play Bunch on days when Lunch/Play Bunch is not available or the child is not picked up by 2:30 pm, the parent will be assessed \$7.00 for every 10-minute period that the child remains on campus.

AFTER SCHOOL CLASSES

A child must be three years old and toilet trained to attend an After School Class and may attend only one After School Class per day. After School Programs are subject to change from year to year. The programs interested in offering their services will need to submit a proposal to the Preschool Board by December 1 for the following school year. All After School Programs may be subject to evaluations filled out by staff and parents.

PRIORITY FOR ENROLLMENT

PVUMC Members Given Priority

Parents with children of preschool age must be members of Paradise Valley United Methodist Church for six months prior to Preschool registration (usually the end of February) before those children will be offered priority on the wait list. Parents who are PVUMC members for six months prior to registration and who register their child/children on or before the registration deadline, will be guaranteed a place in the Preschool for the following year. If the parents who are church members register after the deadline, they will be placed on the waiting list. This priority will apply only to parents and/or legal guardians. This priority will not apply to grandparents, aunts, uncles, or any other relatives who are church members. Should a church member refuse a spot offered, that child shall remain in the same place on the wait list and shall be given priority for the next Preschool year.

Parents Who Have Attended PVUMC Preschool as a Child

No special status will be given to the child(ren) of a parent who was enrolled in PVUMC Preschool as a child.

Priority for Admittance into the Preschool

Priority is determined by the date the application for preschool is received and processed by the Preschool Director for that individual child.

Preschool placement priorities for children who wish to attend the Preschool are as follows:

1. Children and/or legal dependents of PVUMC Preschool contracted employees.
2. Children and/or legal dependents of PVUM Church full-time contracted employees.
3. Returning students (children who currently attend the Preschool).
4. PVUMC members (as defined by PVUMC). Parents must be members for six months or more to have this priority.
5. Siblings of returning students.
6. Siblings of former students.
7. All others on the wait list.

Priority for Class Placement

Priority is determined by the date the application for preschool is received and processed by the Preschool Director for that individual child.

The following priority system will be used to place students on class lists (these students have already been admitted to the Preschool):

1. Children and/or legal dependents of PVUMC Preschool contracted employees.
2. Children and/or legal dependents of PVUM Church full-time contracted employees.
3. Returning students (children who currently attend the Preschool).
4. PVUMC members (as defined by PVUMC). Parents must be members for six months or more to have this priority.
5. Siblings of returning students.
6. Siblings of former students.
7. All others on the wait list.

At the time of registration, if a child is not placed in the parents' first choice of a class, parents will be notified in writing by April 15.

REGISTRATION UPDATE

It will be necessary to be sure that families register for classes which are age-appropriate for their children (i.e. if a child is Pre-K aged, he must go to a Pre-K class).

PRESCHOOL REGISTRATION AND HOLD FEE

A registration fee will be due at the time of registration and the August/May tuition for the 2016-2017 school year will be due by April 7-8, 2016 in order to hold a spot for the following Preschool year. Both fees are non-refundable.

APPLICATIONS FOR PRIVATE SCHOOLS

Applications (evaluations) for private schools that are given to your child's classroom teachers to be filled out become the property of PVUMC Preschool and will be kept confidential. A copy will be made for our records and these will stay in the Director's office and not in your child's cumulative folder. Any request to view these applications (evaluations) after our teachers have filled them out must be made to the private school to which they were sent.

Applications for private schools are very time consuming for teachers to fill out (they can take up to ½ hour per application and some teachers are asked to fill out as many as 10 per year). To help compensate teachers for their time, a \$20 per application fee will be charged. All applications for private schools must be turned in to the Preschool Director along with the \$20 fee. Applications will then be given to the applicant's teacher to be filled out and sent in to the private school. The application fee paid compensates the teachers for the additional paperwork.

REQUESTS FOR ADVERTISEMENTS/FLYERS TO GO INTO ALL CUBBIES

All requests for advertisements and or flyers to be placed in Preschool cubbies must be taken to the Preschool Board Executive Committee for approval (exceptions to this are flyers from PVUMC advertising upcoming programming benefiting children and/or families). These requests may be given to a Preschool Board member or the Preschool Director. Requests will be looked at to see if they are:

- A. From a non-profit group
- B. The function or event they advertise benefits children and/or families
- C. The function does not conflict with any activity or program offered at PVUMC Preschool.

The Preschool Director will notify the proposed advertiser of acceptance or rejection.

NEW STAFF CHILDREN

If a new staff member is hired who has a child(ren) to attend the Preschool, it is OK to increase the class limits so that child has a spot in the Preschool as long as AZ Health Department and NAEYC Accreditation standards of teacher student ratios are maintained.

SUN SAFETY POLICY

PVUMC Preschool recognizes the importance of sun safe behavior in our

students as a means of limiting the immediate and long-term negative health effects of sun exposure. By adopting this Sun Safe Policy and raising awareness through ongoing education and communication efforts with students, parents, caregivers, teachers and staff, PVUMC Preschool is committed to creating a healthy, sun safe school environment:

- Encourage parents to ensure their children have appropriate cover-up clothing, hats, sunglasses and sunscreen on before going to school. Sunscreen will not be applied by teachers and staff.
- Remind students to wear hats when playing outside in non-shaded areas. Hats should be provided by parents and will be kept in their cubbies at the start of the school year. Encourage use of broad-rimmed hats to cover ears and back of neck.
- Encourage teachers and staff to set a good example to the students by wearing hats, sunglasses and protective clothing while outdoors.
- Limit time outdoors during peak sun hours whenever possible.

PVUMC Preschool is regulated by the Arizona Department of Health Services
150 North 18th Avenue, 4th Floor, Phoenix, Arizona 85007, 602-364-2536
Inspection reports are available, upon request, in the Preschool office.
