Back to School Supply List 2016-2017

This is our current school grade supply list. We understand that as parents with multiple children the beginning of the year shopping may be overwhelming. Therefore, we keep our school's supply list to a minimum, if you are unable to provide the necessary supplies, we completely understand and will do our best to provide your child with the materials they will need to be successful. **We value the importance of your support and the support you give to your children in exceeding academic expectations more than anything. Thank you.**
