January 19, 2016

Dear Parents,

All students in Grades 1 through 8 will receive a Progress Report today.

The school has placed another ScripZone order this past week; I know that I found it easier using a card when shopping for both food and gas rather than paying with cash. If you need more information about the program please check out the information about the program on our website – www.hnsfr.org or contact Gina Orlando-Medeiros at gco731@comcast.net.

A lunch menu order form for the week of January 25th through 29th is enclosed. If you are ordering lunch or milk, please return the order form with payment by Thursday, January 21st.

This Thursday, January 21st our Middle School students will have their Science Fair projects on display in the auditorium from 10 a.m. to 6 p.m. We hope that this will give other students, parents, friends, and relatives the opportunity to view the project. The students have been working on their Science Fair exhibits for a number of weeks and are happy to share them. For safety reasons we do ask parents to bring their ID cards. Those visitors without cards will be asked for identification.

On Friday, January 22nd students from the AP classes at Bishop Connolly High School and Bishop Stang High School will be among the judges for our Science Fair. In addition to the high school AP students we will have twelve adult judges. Ten Science Fair exhibits will be chosen to represent Holy Name School at the Regional Science Fair to be held at BCC on March 5th. Ms. Juszkiwicz will share the names of those students with us once she has reviewed all the judges' sheets and the exhibits.

This Friday, January 22nd is also Birthday Dress Up Day; those students who celebrate birthdays in January do not have to wear their uniforms on Friday, January 22nd.

Sometime this week, the classroom advocates will be contacting parents about volunteering to help during Catholic Schools Week. The sheet listing the events for the week was distributed last week and is available on the website. We will make every attempt to include pictures of all the Catholic Schools Week special events on our Facebook page.

As soon as a calendar is sent home, there are additions or changes! **Therefore, there are an Updated January calendar and an Updated February Calendar included with today's letter.**

Sincerely,

Patricia M. Wardell, Ed. D.
Principal

Holy Name School provides a Catholic education within an atmosphere of academic excellence. While providing Catholic values, students are challenged to do their best, to nurture their gifts and talents, and to develop curiosity, creativity, and critical thinking.

Holy Name School strives to produce confident, competent, and caring individuals who can work cooperatively, show respect for one another, and who demonstrate an understanding and appreciation of Catholic values.

Accredited by the New England Association of Schools and Colleges
