### **WEST YORK AREA SCHOOL DISTRICT SETTLES EMPLOYMENT AGREEMENT**

On Tuesday, June 18, 2013, the West York Area School District Board of Directors approved a three-year employment contract with Professional faculty (teachers, guidance counselors, etc.). Their existing contract expired on June 30, 2012. The Professional faculty's contribution toward their health insurance was converted from a flat rate to a percentage, which allows the District to increase the employee's contributions at the same rate District health insurance costs increases. Professional faculty will contribute 8% of the District's rate toward employee coverage and 9% toward all other coverage (e.g., parent & child or family coverage). Professional faculty received no salary increase for the 2012-2013 school year. They will receive a 2.25% increase during the 2013-2014 school year and 2% for the 2014-2015 school year.
