### **MIDDLE SCHOOL/TRIMMER NURSE CHOSEN FOR SCHOOL NURSE EXCELLENCE AWARD**

The West York Area School District (WYASD) proudly announces that Middle School/Trimmer School Nurse, Ms. Pamela Catalano, has been chosen as the recipient of the School Nurse Excellence Award for the South Central Region of Pennsylvania for 2014. This is an award conferred annually by the Pennsylvania Association of School Nurses and Practitioners (PASNAP) to a school nurse who has demonstrated excellence in school nursing practice and leadership in school health. WYASD Superintendent Emilie Lonardi says “Ms. Catalano exhibits excellence in her role as a school nurse and has a special affinity for the needs of the children she serves, setting a benchmark for school nurses everywhere.”

The award also entitles Ms. Catalano to be eligible for the prestigious National Association of School Nurses 2015 Pennsylvania School Nurse of the Year Award.

PASNAP will be presenting the School Nurse Excellence Award to Ms. Catalano at their annual awards banquet on Saturday, March 29th at the Penn Stater Conference Center in State College, Pennsylvania.

For more information, please contact Dr. Emilie Lonardi, Superintendent.
