West York Area School District's Request for LERTA Acknowledgement FOR IMMEDIATE RELEASE

At the January 13, 2015 Work Session of the West York Area School District (WYASD) Board of Directors, the York County Economic Alliance requested that the District acknowledge the previously designated Local Economic Revitalization Tax Assistance (LERTA) for the property known as York Logistics Center, located at 325 South Salem Church Road. This would allow the School Board to support a LERTA application for the expansion of this building. The expansion is expected to aid in the attraction of a Fortune 50 corporation to York County. A combined investment of \$52.5 million is planned for the expansion of the property, and 256 new full-time jobs are expected to be created in 2015 as a result of the project. The WYASD Board of Directors is expected to pass the motion at the January 20, 2015 School Board Meeting.
