HIPPA NOTICE OF PRIVACY PRACTICES

University Obstetrics and Gynecology 4915 E Baseline Rd, Ste. 126 Gilbert, AZ 85234 (480)969-3096

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION, PLEASE REVIEW IT CAREFULLY.

This Notice of Privacy Practices describes how we may use and disclose your protected health information (PHI) to carry out treatment, payment, or health care operations (TPO) and for other purposes that are permitted or required by law. It also describes yours rights to access and control to you protected health information. "Protected Health Information" is information about you, including your demographic information, that may identify you and that relates to your past, present or future physical or mental health condition and related health care services.

<u>Uses and Disclosures of Protected Health Information</u>: Your protected health information may be used and disclosed by your physician, our office staff, and others outside of our office that are involved in your care and treatment for the purpose of providing health care services to you, to pay your health care bills, to support the operation of the physician's practice, and any other use required by law.

<u>Treatment</u>: We will use and disclose your protected health information to provide, coordinate, or manage your health care and any related services. This includes the coordination or management of your health care with a third party. For example, we would disclose you protected health information, as necessary, to a home health agency that provides care to you. For example, your protected health information may be provided to a physician to whom you have been referred to ensure that the physician has the necessary information to diagnose or teat you.

<u>Payment</u>: Your protected health information will be used, as needed, to obtain payment for your health care services. For example, obtaining approval for a hospital stay may require that your relevant protected health information be disclosed to the health plan to obtain approval for the hospital admission.

Healthcare Operations: We may use or disclose, as needed, your protected health information in order to support the business activities of your physician's practice. These activities include, but are not limited to, quality assessment activities, employee review activities, training of medical students, licensing, and conducting or arranging for other business activities. For example, we may disclose your protected health information to medical school students that see patients in our office. In addition, we may use a sign-in sheet at the registration desk where you will be asked to sign your name and indicate your physician. We may also call you by name in the waiting room when your physician is ready to see you. We may use or disclose your protected health information, as necessary, to contact you to remind you of your appointment.

We may use or disclose your protected health information in the following situations without your authorization: these situations include: as Required by Law, Public Health issues as required by law, Communicable Diseases: Health Oversight: Abuse or Neglect: Food and Drug Administration requirements: Legal Proceedings: Law Enforcement: Coroners, Funeral Directors, and Organ Donation: Research: Criminal Activity: Military Activity and National Security: Workers' Compensation: Inmates: Requires Uses and Disclosures: Under the law, we must make disclosures known to you and when required by the Secretary of the Department of Health and Human Services investigate or determine our compliance with the requirements of section 164.500.

Other permitted and required uses and disclosures will be made only with your consent, authorization or opportunity to object, unless required by law.

You make revoke this authorization, at any time, in writing, except to the extent that your physician or the physician's practice has to take an action in reliance on the use or disclosure indicated in the authorization.

HIPPA NOTICE OF PRIVACY PRACTICES

University Obstetrics and Gynecology 4915 E Baseline Rd, Ste. 126 Gilbert, AZ 85234 (480)969-3096

Your Rights: Following is a statement of your rights with respect to your protected health information.

You have the right to inspect and copy your protected health information. Under federal law, however, you may not inspect or copy the following records: psychotherapy notes; information compiled in reasonable anticipation of, or use in, a civil, criminal, or administrative action or proceeding, and protected health information that is subject to law that prohibits access to protected health information.

You have the right to request a restriction of your protected health information. This means you may ask us not to use or disclose any part of your protected health information for the purpose of treating, payment, of health care operations. You may also request that any part of your protected health information not be disclose to family members or friends who may be involved in your care or for notification purposes as described in this Notice of Privacy Practices. Your request must state the specific restriction requested and to whom you want the restriction to apply.

Your physician is not required to agree to a restriction that you may request. If the physician believes that it is in your best interest to permit use and disclosure of your protected health information, your protected health information will not be restricted. You then have the right to use another healthcare professional.

You have the right to request, to receive, confidential communication from us by alternative means or at an alternative location. You have the right to obtain a paper copy of this notice from us, upon request, even if you have agreed to accept this notice alternatively. (i.e. electronically)

You have the right to have your physician amend your protected health information. If we deny your request for amendment, you have the right to file a statement of disagreement with us and we may prepare a rebuttal to your statement and will provide you with a copy of any such rebuttal.

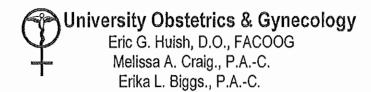

You have the right to receive an accounting of certain disclosures we have made, if any, of your protected health information.

We reserve the right to change the terms of this notice and will inform you, by mail, of any changes. You then have the right to object or withdraw as provided in this notice.

<u>Complaints</u>: You may complain to us or to the Secretary of Health and Human Services if you believe your privacy rights have been violated by us. You may file a complaint with us by notifying our privacy contact of your complaint. We will not retailate against you for filing a complaint.

This notice was published and becomes effective on/or before April 14, 2003.

We are required, by law, to maintain the privacy of, and provide individuals with, this notice of our legal duties and privacy practices with respect to protected health information. If you have any objections to this form, please ask to speak with our HIPPA Compliance Officer in person or by phone at our main phone number.

As a courtesy to our patients, we are glad to bill your insurance for the services rendered in our office. We realize that during your care, changes can occur in your insurance policy or you may have additional information, such as a **secondary** insurance that may also need to be billed.

In order for us to do our job effectively and meet your needs, please make sure to provide our office with all of the information and changes. Please understand that if you do have multiple insurances, you <u>MUST</u> inform us of all policies. This will ensure that your file has the most up-to-date information possible.

***Please be aware that if you have an AHCCCS plan, it is <u>ALWAYS</u> the last insurance to pay. This means that if you do not provide our office with your primary insurance, AHCCCS <u>will not pay</u> and you will be solely responsible for all charges.

I understand that I need to provide University OB/GYN with any and all insurance policies that I have. If I fail to do so, I am aware that I will be held financially responsible for all services that are rendered in the office.

I understand that I am responsible for checking my insurance benefits, and that if a service provided to me is not a covered benefit, I will be financially responsible and agree to pay the usual and customary fees charged.

I understand that University OB/GYN will contact my insurance company to comply with all prior authorization procedures for the services provided.
