Leaders in Learning,
Caring and Growing

July 2014

Dear Families:

It is my pleasure to welcome you and your child to a new school year in the Littleton Elementary School District. We know that you have many choices when it comes to the education of your child and are pleased that you are placing your confidence in us. Our mission is to create high quality, comprehensive, and success-oriented learning and leading opportunities for everyone in our schools.

We have a caring and knowledgeable staff dedicated to fulfilling the guiding principles of our growing district. Our instructional systems are designed to have a significant positive impact on academic achievement because our team focuses on offering each student the highest quality educational experience possible. We expect that you will find the people who work in Littleton ESD helpful and friendly, and our campuses well-kept and orderly.

In a bold effort to reduce summer learning loss, our academic calendar is extended to 200 days. We believe adding 20 days of instruction year after year will have a profound and lasting positive impact on students progressing through our schools. The national movement to extend the amount of time students are in school is based on a simple and obvious idea – that children need enough time to learn, build the skills, and develop the knowledge required to work and thrive in the twenty-first century. This is a long-range plan to eliminate the debilitating effects of typical summer breaks from learning. That is why it is so important for our families to make a commitment to stay in the Littleton ESD system – it takes some time for these positive effects to accumulate in a student's performance.

This handbook contains important information that will answer many questions you may have about campuses and programs. You will also find some information that we are required to provide to parents each year and that is why we ask for you to sign-off on its receipt. We include all of this information to ensure that all parents have equal access to materials necessary for effective communication and partnership in the educational decisions involving your child. You will find even more great resources for families on our website at <http://www.littletonaz.org>

The last section of the handbook outlines our expectations for student behavior. We place a high priority on providing each student with the opportunity to demonstrate appropriate social behavior, common courtesy and good citizenship. We can best achieve this when all of our students know, understand and follow these expectations. Thank you again for the opportunity to educate your child. We look forward to your involvement in our district.

Sincerely,

Dr. Roger Freeman
Superintendent

GUIDING PRINCIPLES & GOALS

The mission of the Littleton Elementary School District is:

To create high quality, comprehensive, and success-oriented learning and leading opportunities for everyone in our schools through these principles.

Guiding Principle I: *Every Student a Learner*

Students reach their fullest academic potential through a balanced, academic core curriculum.

- A. The district ensures a rigorous, viable, and consistent curriculum that holds high expectations for all students.
- B. Instruction is differentiated to meet the needs of a diverse student population.
- C. Employees and students demonstrate technological competence to support academic progress and improved communication.

Guiding Principle II: *Safe and Orderly Environment*

Interactions between students, teachers, staff, parents and community partners are respectful and collaborative in a safe and orderly environment.

- A. Schools provide a safe learning and working environment.
- B. Students demonstrate appropriate social behavior, common courtesy and good citizenship.

Guiding Principle III: *Families as Partners*

Families are knowledgeable about and actively involved in their child's educational program.

- A. Families are meaningful partners in their child's educational success.
- B. Employees communicate effectively with families in a professional and courteous manner.

Guiding Principle IV: *Competent, Dedicated and Caring Staff*

Employees contribute to quality educational experiences in a competent, responsible and nurturing manner.

- A. The district attracts, develops and retains a highly qualified and competent staff.
- B. Employees work in a collaborative manner to provide a quality educational experience for students.

Guiding Principle V: *A Meaningfully Involved Community*

Community partners are involved in the educational process.

- A. Schools actively include community resources and groups in the educational process.
- B. District and schools actively promote programs and initiatives in the community.

Guiding Principle VI: *A Highly Effective Organization*

Resources are efficiently and effectively managed in order to achieve the district's mission.

- A. Leadership and core values are modeled and monitored at all levels of the organization.
- B. The district effectively aligns people and programs to match the needs and resources of our growing organization.
- C. People and programs are recognized for their excellence.

LITTLETON ESD VALUES:

Leaders in Learning, Caring and Growing – *with Trust, Respect, Integrity, Collaboration, and Dedication*

Trust means being reliable, doing what is expected, keeping confidences and using information in a helpful way.

- I do what I say I am going to do.
- I use discretion with those who confide in me.

Respect means demonstrating regard for people, their beliefs, rights, traditions and property.

- I speak in a professional and courteous tone.
- I listen attentively and consider the opinions of others.
- I protect, conserve, and care for resources.
- I demonstrate acceptance of individual qualities.

Integrity means being truthful, keeping commitments and acting ethically.

- I give feedback to others about the commitments they make.
- I accept responsibility for my words and actions.
- I communicate with honesty.

Collaboration means staff, students and community working together toward our Vision.

- I work cooperatively with our students, community and staff to contribute to the organization's vision.
- I actively participate in groups by being solution oriented.
- I communicate constructively to build relationships.

Dedication means commitment to ourselves and to others for our mutual success.

- I plan and prepare to meet professional expectations.
- I engage in learning opportunities to enhance my performance.
- I persevere through obstacles.
- I demonstrate high expectations for our students, community and staff.

ATTENDANCE PROCEDURES & GUIDELINES

Absences/Attendance

Students should remain out of school only when absolutely necessary. In the event of a necessary absence, the parent is expected to notify the school. Each campus has a dedicated attendance line for reporting absences. Students may not participate in after school activities or dances unless they have been in school for at least half of the school day.

Attendance Legal Requirements

Arizona Compulsory Attendance Law: Students must be in school until they reach the age of 16 or successfully complete the 10th grade (Ref. A.R.S. 15-802). They must be in school every day for the full day school is in session.

Attendance—Court Unified Truancy Suppression (C.U.T.S.)

C.U.T.S. is a Maricopa County truancy diversion program, which brings consequences for students and parents whose children do not attend school.

C.U.T.S. Consequences

Students who are truant for five days or more or have excessive (19+) excused and/or unexcused absences may be cited by school administration. As part of this citation process, both the parent(s) and the student will be required to attend a hearing with a probation officer from the Juvenile Court Center. The hearing may be held at a district designated location. The student and/or the parent will be assessed one or more of the consequences listed:

1. Assessment Fee of \$50
2. Mandatory education session for students
3. Mandatory education session for parents
4. Community service hours for students
5. Tutoring hours, book reports, essays, etc.

Truancy

School attendance is not only a good habit; it is required by Arizona State Law. A child between the ages of six (6) and sixteen (16) failing to attend school during the hours of

school is in session is truant unless excused pursuant to ARS 15-802, 15-803 or 15-901.

Arizona Truancy Statute

A.R.S. (15-802A)

- Students from ages 6 to 16 shall attend school.
- Parent or person with custody of the student is responsible for ensuring that the student attends school.
- Consequences of a Class 3 misdemeanor apply if a parent or person of custody does not send a child to school.

A truancy is any absence from one or more class periods without the prior knowledge and consent of the parent or guardian and is in violation of state law and district procedure. Unexcused absences for at least five (5) school days within a school year constitute habitual truancy. Habitual truancy, excused or unexcused, may lead to discipline of the child and/or referral of the parent to a truancy court.

Excessive Absences are defined by the C.U.T.S. program as a student who is absent from a class 19 school days.

Chronic Illnesses

In cases where a child cannot attend school for more than 10 consecutive days due to a long-term illness or an ongoing medical condition, parents should be in contact with the school administration regarding the development of a chronic health plan. A doctor's verification may be requested for extensive illness-related absences.

Make-Up Work

It is the student's responsibility to request and complete all missed work upon return from any absence. It is the responsibility of the student to learn the material and the responsibility of the teacher to make the assignments available to the student.

- Credit may be lost for work missed during a truancy.
- Credit may be given for tests and major assignments missed during a suspension that are made up by the student.

ATTENDANCE PROCEDURES & GUIDELINES (Cont.)

- Students returning from an excused absence will have an amount of time equivalent to the number of days absent to complete the assignment for full credit.

Notification of Parents

A reasonable effort will be made to notify the parent by phone when a student is absent without prior notice.

Permission to Leave During School Hours

Parents must check out students through the office prior to leaving school during school hours. Any person picking up the student must be listed on the emergency card and show a valid picture I.D. or have written approval from a parent or guardian. Written notification must be provided for requested changes in the way a student goes home or to request permission for

a student to ride a bus home to a different stop. Written notification is suggested to be submitted to the school at least two school days prior to the requested change.

Early Departure from Class/School

If a parent signs a student out to leave school early it may be considered a half day absence. Check with the school office on specific times for specific grades to determine if it is an absence.

Extracurricular Participation

Students may not participate in after school activities or dances unless they have been in school for at least half of the school day.

DRESS CODE

All students in kindergarten through eighth grade who attend the District schools are required to dress in the proper standard school uniforms. It is the student's and parents' responsibility to ensure compliance with the dress code.

Uniform for boys:

- Solid dark green, solid ash gray, or solid burgundy shirts with lay-down collar. This may include but is not limited to; a "polo" shirt and dress shirt. No logos or label showing on the shirt.
- Solid navy blue or khaki shorts/slacks. No logos, labels, blue jeans (denim), blue-jean shorts, sweat pants, or stretchy type material.

Uniform for girls:

- Solid dark green, solid ash gray, solid burgundy top with lay-down collar. This may include, but not be limited to, a blouse or "polo." No logos or labels showing on the top.
- Solid navy blue or khaki pants, shorts, skorts, skirts, and jumpers. No logos or labels may show. No blue jeans (denim), blue-jean shorts, sweat pants, or stretchy type material.

General Requirements:

- **Outerwear** Outerwear (jackets, coats, raincoats) is designed to be worn outside as weather dictates. Outerwear must be removed in the school or classroom. Sweaters and sweatshirts that conform to district dress code colors (solid dark green, solid ash gray, solid burgundy, including black and white with no logos) may be worn inside the school building and in the classroom.

- Clothing must be appropriately sized (not more than one size too small or too large).
- No sagging of clothing is allowed. Pants must fit at the waist and not drag on the ground.
- **Shorts** must not be shorter than the middle of the thigh or longer than the bottom of the knee.
- **Skirts and skorts** must not be shorter than the middle of the thigh.
- **No short shorts**, short skirts, or short skorts with slits are allowed. No undergarments may show.
- **Belts** (if worn) must be plain black, brown, or navy and may not be more than one (1) size larger than the waist. Belts must be worn at the waist and cannot hang below the waist. Belts and buckles must be plain with no designs or logos.
- **Shirts and blouses** must be worn tucked in at all times.
- **T-shirts or turtlenecks** worn under the polo or blouse must be white, black, or conform to district dress code colors.
- **No headgear is permitted.** Hats may be allowed only on special occasions as deemed appropriate, in advance, by a school administrator.
- Any clothing, buttons, jewelry, or other accessories that are oversized or display: vulgar, lewd, obscene, plainly offensive messages or images, display images of weapons, drugs, violence, alcohol, or references to gang affiliation, or ethnically offensive words or pictures are strictly prohibited.

DRESS CODE (Cont.)

- For safety reasons, students must wear closed-toed shoes. Students are to wear appropriate shoes for physical education classes such as tennis shoes. Slippers and shoes with wheels are not permitted.
- The following items are prohibited: facial piercing, plugs, gauges, tattoos, costume or unnatural hair color, unnatural contact lenses, chains, spikes, or any other type of sharp jewelry. For safety reasons, earrings should be no larger than the size of a nickel. If any of the above items are deemed to be a safety risk or items become disruptive to the educational environment, wearing such may lead to disciplinary actions.

Students not dressed in accordance with the district dress code may be offered use of uniform for the day, or their parents will be contacted to bring the proper uniform. Students who repeatedly fail to dress in accordance with this dress code may be subject to disciplinary actions as set forth in the District Policy Manual.

Under extraordinary circumstances, the school will work with families to locate assistance for the student to be furnished with standard school clothing. New students who enter District schools will have two (2) weeks to purchase school uniforms. During this time period, the school may donate the use of one (1) uniform set per child, if available.

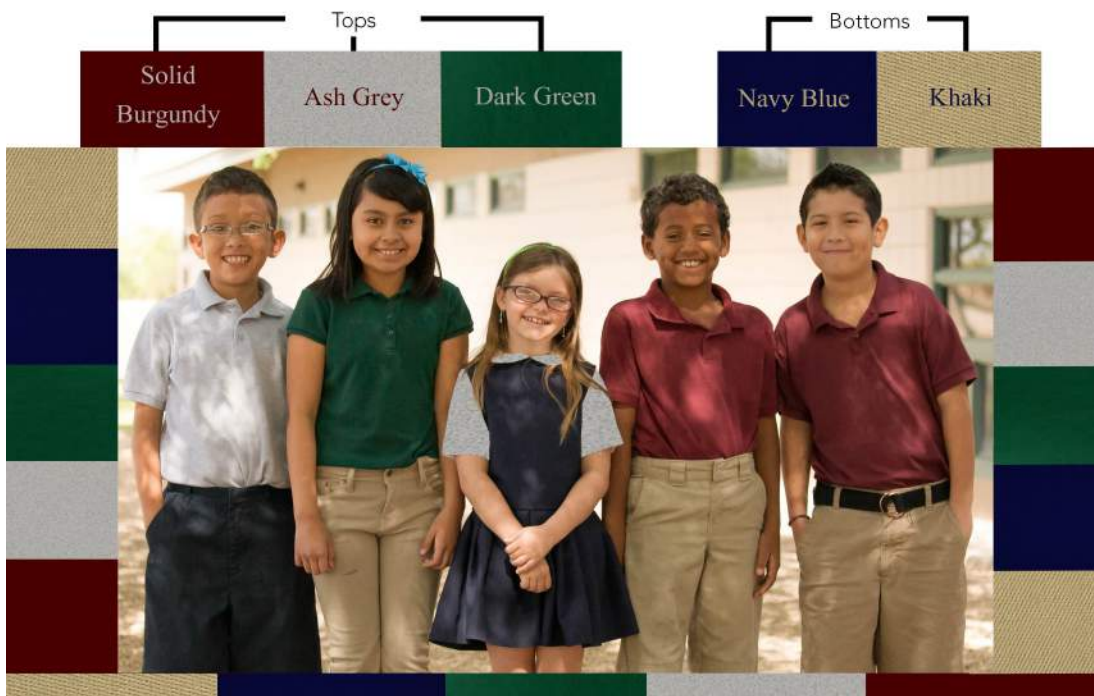

The district wide school-uniform policies are intended to help students focus on learning and to help make the school campus safer and more secure. Occasionally, the Principal may approve days when students may wear clothing other than the school uniform. The students and parents will be notified in the school's newsletter at least two weeks in advance of the "spirit" or "casual" day. Special occasions should not include a weekly a schedule (i.e. every Friday). Special shirts are limited to the following:

- Adopted school name and/or logo
- Adopted district name and/or logo
- Adopted School colors (sports jerseys, etc.)
- District or School Affiliated logos, mottos, or groups (such as student council, NJHS, etc.)
- Approved Kids at Hope Logo

School logos may be modified for shirts (ex. Logo does not include Leaders in Learning, Caring, and Growing). Shirt colors that are permitted for special shirts include: solid dark green, solid ash grey, solid burgundy top with laydown collar.

Other Uniforms

Special shirts that are given as incentives or that are for school groups, such as choir, student council, etc. may be worn at the approval of the building principal.

GENERAL ADMINISTRATIVE GUIDELINES

Alternate Placement

Students may be referred to an alternative education program when their behaviors fall outside the mainstream of traditional schooling. This could include but not be limited to: on-campus reassignment; Learning Assistance Program (LAP), or in-school suspension (ISS).

Athletics

See the Athletic Handbook for more information at <http://www.littletonaz.org/filestore/AthleticsHandbook.pdf>

Bicycles/Skateboards/Scooters

Students must walk their bicycles while on school property and secure them in the school's designated bike rack area. Skateboards and scooters are not to be used on school property. The use of school property after hours for skateboarding, rollerblading, bicycling and any other unsanctioned activity is prohibited.

Breakfast in the Classroom

Breakfast in the Classroom is offered at all of our schools. All students receive a healthy nutritious breakfast during the first few minutes of class while the teacher is taking attendance, collecting homework and listening to announcements, so no instructional time is lost.

Communication

Parent - staff communication is essential to supporting your child's education. We offer many modes of communication, including: email, telephone (teachers may not answer during instructional time), monthly school newsletters, district newsletters, website (www.littletonaz.org), Facebook, Twitter, online grade book, and parent-teacher conferences. Every effort is made to resolve concerns at the lowest level possible.

Concerns & Complaints (Policy KEB)

Trust in staff members and support for their actions should be such that employees are freed from unnecessary, spiteful, or negative criticisms and concerns. In spite of this, suggestions may be forthcoming from the community. Concerns are best resolved at the lowest levels starting with school teachers and/or school administrator and when necessary, can proceed through the other administrative levels. If a member of the community has a complaint, the following procedures are intended to assist in its resolution.

1. If the matter relates to students, and it is

appropriate, talk with the student's teacher. If the matter remains unresolved, talk with a school administrator.

2. If resolution of a problem cannot be accomplished at school administration level, either party may refer the matter to the superintendent for review.

Complaint forms are available in each school office and at the District Office.

Crisis / Emergency Plan / Threat Assessment Process

While we never hope to experience an act of violence in the district, we realize they have occurred in every region across every demographic profile in the U.S. and thus, it is incumbent upon us to ensure we have a plan in place.

Each school in the Littleton Elementary School District has an emergency/crisis plan to respond to unforeseen events. The plans include responses to a variety of scenarios along with lockdown and evacuation procedures. In addition, each plan is updated by the school crisis team and followed up with training for staff members. During campus or community emergencies, schools may go into "lockdowns".

Fire drills and lockdowns are regularly practiced. During a lockdown, instruction ceases and all doors are locked. During a "campus alert" kids are kept inside and access is limited. An automated calling system is also utilized for communication with parents in emergencies.

In addition, the district has a Threat Assessment Process to identify and resolve any real or perceived threats of violence, in order to build and maintain an environment of safe learning.

Curriculum

Care is taken to select materials most valuable for classroom instruction that support Arizona's Academic Standards reflective in the Common Core Standards in Language Arts and math. If parents have questions regarding the correct material being covered in class, they should first schedule a conference with their child's teacher. If concerns are not resolved, then the parent should contact the site principal.

Custody

In cases where custody/visitation affects the school, the school shall follow the most recent court document on file with the school. It is the responsibility of the

GENERAL ADMINISTRATIVE GUIDELINES (Cont.)

custodial parent or parents having joint custody to provide the school with the most recent court document. Restraining orders can only be rescinded by the court.

Early Release Days

A key strategy toward achieving higher academic performance among Littleton students is a professional development program for teachers. Our program is based on the belief that staff must be current on best practices and be provided specific skills and information in a timely, applicable manner. Early Release Days provide professional development sessions, whereby teachers have the opportunity to learn additional instructional strategies, return to the classroom to apply what they have learned, and then receive additional training and feedback at the next training session within a relatively short period of time.

Early release days occur every Wednesday of the school year. Early Release schedules are as follows:

Collier	7:45am-12:15pm
Country Place	7:45am-12:15pm
Littleton	7:45am-12:15pm
Estrella Vista	8:25am-12:55pm
Quentin	8:25am-12:55pm
Tres Rios	8:25am-12:55pm

Electronic Devices - Acceptable Use

Electronic devices are used throughout the District to communicate and access information. Our goal in providing this service is to promote instruction and learning.

Access to the school network and the Internet is a privilege, not a right. Authorized use of network access and information resources must be consistent with the educational purposes for which these resources have been provided and should not disrupt the learning environment. The Littleton School District shall not be liable for misuse and reserves the right to monitor any and all activity. Students assume full responsibility for any costs, liabilities or damages arising from any misuse and will be held accountable according to the district disciplinary guidelines.

For a full description of responsibility and appropriate use of technology, see page 23 of this handbook.

Any use of student-owned devices or access to network resources, are only allowed under the authorization of a classroom teacher and/or building

administrator.

Students may possess electronic devices such as cell phone, smart phone and/or iPad at school or a school-sponsored event. However, all devices must be turned off, not set to vibrate, and kept out of sight during class time, unless prior approval of a school administrator or teacher has been issued, or for emergency purposes. Any use of student-owned devices or access to the network resources are only allowed by authorized school personnel.

Inappropriate use of computers, telecommunication and network resources are covered in Policy IJNDB. If a student violates this policy, his/her device may be confiscated, and the student will be subject to disciplinary consequences, including notification of law enforcement authorities.

Students shall be personally and solely responsible for the security of electronic devices brought to school. The school shall not assume responsibility for theft, loss, damage or unauthorized use.

Food & Beverages on Campus

The District has established a Local Wellness Policy which conforms to the Arizona Nutrition Standards established under A.R.S. 15-242. This policy restricts the kinds of food and beverages available to students during the normal school day. For more information on this policy, you can contact the Food Service Department at (623) 478-5628.

Food In Classrooms

The Littleton School District promotes healthy schools by supporting wellness, good nutrition and regular physical activity as part of the total learning environment. Parents and teachers are encouraged to follow the USDA Nutritional Standards when planning classroom events.

According to the Maricopa County Department of Environmental Services, food brought into the classroom for snacks and parties must come from a commercial source and cannot be homemade. Items must be individually wrapped to avoid bare hand contact with food. If they are not individually wrapped, such as cookies or cupcakes from a bakery, then an adult wearing disposable gloves must serve the food. Water is allowed in the classroom, gum or energy drinks are not allowed.

GENERAL ADMINISTRATIVE GUIDELINES (Cont.)

Food Services

The Littleton Elementary School District schools participate in the national school lunch and breakfast programs. Meal accounts or cash may be used daily to purchase lunch. We have a no charge policy, and notices are sent home when an account is near zero balance. Students without lunch money are offered an alternative meal consisting of milk and a sandwich. Prepayment is encouraged, as lunch service lines go more quickly with account rather than cash transactions. If you have questions as to the number of meals left on the account, please call your school cafeteria.

Applications for free or reduced price meals for school year 2014-2015 are available beginning July 1st, 2014. They will be distributed to all students at the beginning of the school year. Earlier submittal is likely to take fewer days to process, and applications can be obtained before the start of school by calling the Food Service Department at (623) 478-5628 or 5655. If your child was approved during the prior school year for free or reduced meals and you wish to continue to receive those benefits, you must reapply by August 20, 2014 to avoid interruption of benefits. After this date your child will return to full pay. All complete applications will be processed within a 10 day period; incomplete applications are returned for more information. For the 2014-2015 school year, lunches will cost \$2.40 each (\$0.40 reduced) and breakfasts are free to all students.

Grading Policy

The Littleton School District Grading Policy IKA has developed a student grading system, comprised of recording academic progress, attendance, assessments scores, and tardiness.

Grade reports for special education students will be determined based on student ability and individual progress.

The grading scale is as follows:

	K-3rd	4th-8th
90-100%	Exceeds the Standard	A
80-89%	Meets the Standards	B
70-79%	Meets the Standards	C
60-69%	Approaches the Standard	D
1-59%	Falls Below the Standard	F

Homeless Services

The McKinney-Vento Homeless Assistance Act is a federal law that provides money for those in a position of homelessness. If students qualify, they are eligible for, including free lunches, before or after school tutoring, summer school, and assistance with other needs and/or services. For information or assistance, contact your school's nurse or the District Homeless Liaison in the Federal Programs Department at (623) 478-5803.

Homework

The Littleton Elementary School District believes that homework can be a valuable learning activity. Below are some of the benefits homework provides:

- skill reinforcement
- the development of self-discipline, responsibility and wise use of time
- the opportunity for parents to become involved in and aware of what their children are learning

Homework assignments should take into consideration individual differences of students, such as health, ability, conditions at home, and educational resources at home. So that students are not overburdened with excessive amounts of homework, the following suggested guidelines are recommended:

- K- 3 Twenty minutes, four (4) days a week
- 4 - 6 Forty-five minutes, four (4) days a week
- 7 - 8 Sixty minutes, four (4) days a week

Honor Roll

An honor roll system is an additional means for encouraging goal setting by students and for providing recognition of students who have achieved those goals.

Honor rolls will be used in grades four through eight. The criteria is as follows:

- Students earning Principal's List must have A's in every subject.
- Students earning Honor Roll must have minimum grades of B's in their core subjects of Language Arts, Mathematics, Science and Social Studies and must not have D's or F's in any subject area.

Each campus will promote public recognition of students who have attained honor roll status. Students in grades kindergarten through 3rd grade who earn an 'exceeds' in all core subjects by quarter will be recognized by earning the distinction of being a member of the "Principal's

GENERAL ADMINISTRATIVE GUIDELINES (Cont.)

List.” Students in grades kindergarten through 3rd grade who earn a “meets” in all core subjects by quarter will be recognized by earning the distinction of being a member of the “Honor Roll.”

Interviews - Child Protective Service Workers

Interviews by Child Protective Services workers who are investigating abuse/neglect may be conducted at district schools. The parent of a student who is the subject of an investigation, or a sibling of the subject, need not be given notice of such interviews. School officials may be present at the interview only if it is necessary to the investigation.

Interviews - Law Enforcement Officers

In cases where students are interviewed for criminal investigations by law enforcement officers, the building administrator shall make reasonable efforts to notify the student’s parent of the interview, unless the law enforcement officer deems that notification would interfere with a criminal investigation. If the law enforcement officer refuses to allow notification prior to the student interview, either the officer or a representative of the district will notify the student’s parent within 24 hours after the interview. A school official may be present during the interview, unless directed otherwise by the law enforcement officer. If a school representative is not allowed to be present during the interview, this fact shall be made known to the student’s parent. If a student is arrested or taken into temporary custody on district property during the school day, the school no longer has jurisdiction over the student. The building administrator will notify the parents of the arrest or will make reasonable efforts to notify the parent when a student is arrested or when a student is taken into temporary custody and identify the law enforcement agency involved.

Kids at Hope

Guided by a theme that every adult is a treasure hunter and every child is a time traveler, Kids at Hope is an award-winning philosophy that believes that every child is capable of success. No exceptions.

Littleton Elementary School District subscribes to the fact that every child is afforded the belief, guidance and encouragement that creates a sense of hope and optimism, supported by a course of action needed to experience success at life’s four major destinations: home and family, education and career, community and service, and hobbies and recreation.

Language Assistance Services

Parents who have difficulty understanding English may request language assistant services for information that is available to the public so that they can participate meaningfully in meetings and conferences and make informed decisions regarding their children’s education. These language assistance services are available free of charge. Please contact your child’s school office to request these services in advance.

Non-Discrimination

No person connected with the Littleton Elementary School District, whether a student, employee or volunteer shall, on the basis of sex, creed, color or disabling condition, be excluded from participation in, be denied the benefits of or be subjected to discrimination under any educational program or activity.

Open Enrollment

The Littleton Elementary School District has an open enrollment policy consistent with Arizona state law. Littleton is a growing school district and may determine that some schools are closed to students outside established attendance boundaries. On an annual basis, the Governing Board determines which schools, grade levels and programs have capacity to accept students from other districts or in-district attendance areas.

Parents may pick up open enrollment applications beginning in February of each school year from the Welcome Center. In order to be considered, the application must be received by March 31 of the preceding year. If space is still available after March 31, attendance variance applicants may be considered on a first-come, first-serve basis by the receiving school principal. Variances may be revoked by the building principal if policies and regulations for discipline and attendance are/have been violated.

Parent Involvement Policy

The Littleton Elementary School District supports and encourages parent involvement, and is committed to bringing quality programs to the children of the district.

As such, the District offers the following for parents:

- Opportunity for planning, review and improvement of the district’s parental involvement policy, in an organized, orderly and timely manner.
- Hold annual Title I meeting to inform parents of the district’s participation in Title I program and to explain the Title I requirements and the rights of parents to be involved in Title I programs.
- Provide information to parents, of all participating

GENERAL ADMINISTRATIVE GUIDELINES (Cont.)

students, in an understandable and uniform format, including alternate formats upon request of parents with disabilities or to the extent practical and upon reasonable request, in a language that parents can understand. These services are free of charge.

- Provide to parents of all participating students information in a timely manner about Title I programs that include a method by which parents may learn about the course of study for their children and a review of learning materials, and the forms of academic assessment used to measure children's progress, and the proficiency levels students are expected to meet.
- Provide opportunities for regular meetings for parents of all participating students to formulate suggestions and to participate as appropriate, in decisions about the education of their children, including attendance, homework and discipline.
- Provide a timely notice when their child has been assigned or has been taught for four (4) or more consecutive weeks by a teacher who is not highly qualified within the meaning of the term in Section 200.56 of the Title I Final Regulations.
- Maintain at the district office, resumes of all current and former instructional personnel available for inspection by parents or guardians of pupils enrolled.

Parents' Right To Know

Under federal No Child Left Behind provisions, all school districts are required to notify parents of children who attend a Title I school that they have the right to request and receive timely information on the professional qualifications of their children's classroom teachers. Specifically, districts must provide the following information:

- Whether the teacher has met state qualifying and licensing criteria for the grade levels and subject areas in which the teacher is teaching.
- Whether the teacher is teaching under emergency or other provisional status.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, including the field of discipline of the certification or degree.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Parent-Teacher Associations and Parent-Teacher-Student Association (PTA and PTSA)

The overall purpose of parent organizations is to engage

and empower families and communities to advocate for all children.

Contact your child's school to obtain details about meeting times and activities scheduled throughout the year.

ParentVUE

Parents can monitor assignments, grades and attendance, as well as contact information, through our online ParentVUE portal. This resource helps parents stay informed and connected by providing day-to-day insight into their child's academic experience. Once activation information has been received, students and parents can create an account and gain access from any internet connection. Additional information can be found on the District website at www.littletonaz.org under the Quick Links for Parents or you can link directly by going to https://littleton.apscc.org/login_pxp.aspx.

Physical Education Program

P.E. classes are part of the regular curriculum. Students are expected to attend P.E. classes with the proper shoes. A student may be excused from participating if:

1. For three days or less because of a temporary illness if a note is sent by a parent. The note should explain the nature of the illness. Students restricted from P.E. may not participate in after school sports or recess.
2. For long-term illness or physical impairment longer than three days, the parent is required to obtain a written excuse from the student's physician. The excuse must state the health issue and length of time to be excused. Student may not participate in after school sports or recess.

Students who are restricted from participating in P.E. must present their written excuse to the school's nurse. The nurse will issue a physical activity restriction notice, to be given to the classroom teacher and/or the P.E. teacher. If the duration is not stated on the notice, the student will be excused from only one P.E. class.

Promotion / Retention

Each child considered for retention will be given individual consideration and the decision regarding retention will be made only after careful review of all data related to the student's growth and development. In accordance with state law, teachers make the decision for promotion or retention of students.

GENERAL ADMINISTRATIVE GUIDELINES (Cont.)

Decisions for kindergarten through eighth-grade students should be based on the following criteria:

- A student's academic achievement
- Attendance/discipline records
- Standardized and alternative assessment results
- Any other information considered pertinent to the recommendation.

Measures of student achievement are defined as grades which are based on academic standards. A student successfully completes a course/subject if she/he earns a "meets or exceeds" in grades K-3 and at least a grade of "D" in grades 4-8.

If a parent or legal guardian chooses not to accept the teacher's decision to promote or retain a student, the parent or legal guardian may file an official appeal. Only the Littleton Elementary School District Board may overturn the teacher's decision. Should the Board overturn the teacher's decision, the teacher is automatically released of all liability for actions done in good faith relating to the child's promotion or retention.

Beginning in 2013-14, 3rd grade students not passing the AIMS reading assessment may not be promoted to 4th grade (A.R.S. 15-701). In 2010, the Legislature passed House Bill 2732, also known as Move on When Reading, which requires all students in third grade by 2013-2014 to be reading proficiently before being promoted to 4th grade. Specifically, this law states that a student may not be promoted from third grade if the student obtains a score of Falls far Below on the reading portion of the AIMS test, (or successor test), that demonstrates the he/she is reading below the third grade level.

Public Conduct on School Property

No person shall engage in conduct that may cause interference with or disruption of an educational institution (A.R.S. 13-2911). At any time if this occurs administration may order a person to leave the premises and local law enforcement can be called if deemed necessary.

Reporting Child Abuse

Arizona Revised Statute 13-3620 requires that any school employee who reasonably believes a minor is or has been the victim of physical injury, abuse, child abuse a reportable offense or neglect that appears to

have been inflicted on the minor by other than accidental means shall report the information to Child Protective Services and local law enforcement agencies. Individuals required to report suspected abuse are protected by state law from civil or criminal liability. Each school has an identified school coordinator to help process suspected cases. For more information, contact your school office.

School Calendar

All Littleton schools adhere to a 200 day instructional calendar. For calendar specifics, refer to page 3.

As the calendar year is extended, weather extremes can be experienced and as such, it is important to dress appropriately, stay properly hydrated and seek shade when possible for anticipated temperatures.

School and Student Property

Desks and school textbooks and library books and technology are the property of the school district and remain, at all times, under the control of the district. However, students are expected to assume full responsibility for the security and safekeeping of their desks, books and other property and equipment. Inspections of desks, backpacks or book bags or the like may be conducted by school authorities at any time without a search warrant or student consent. Parents will be financially responsible for lost or damaged property.

Search and Seizure

Order, safety and security are essential to a productive learning environment. When the learning environment is threatened by the presence of contraband, school administrators have the responsibility and the authority to search for and obtain the contraband from students if there is reasonable suspicion that the student possesses such contraband.

Special Education

Federal and state law requires school districts, charter schools and other public education agencies to provide a free, appropriate public education to eligible children with disabilities. This free, appropriate public education refers to special education and related services, described in an Individualized Education Program and provided to the child in the least restrictive environment.

GENERAL ADMINISTRATIVE GUIDELINES (Cont.)

Children with disabilities and their parents are guaranteed certain educational rights, known as procedural safeguards, from birth through age 21. The law and its implementing regulations also provide methods to help assure that your input is considered. If you want a copy of the procedural safeguards, please call the district's Special Education Department at (623) 478-5613.

If your child is having difficulty in school, please check with his/her teacher to determine what interventions have been implemented to help your child succeed. The teacher will be documenting those interventions and formally collecting data to use in a review process. If those interventions were unsuccessful, ask if the teacher has begun the Child Study Team process. A meeting will be scheduled with you to review those interventions and the data that has been collected.

If you wish to make a referral to our Child Study Team, contact your school principal or psychologist. You will then be contacted to be part of a team that will review the implemented interventions, work samples, test scores, report card grades, attendance, and any other information that can help the team determine if a disability is suspected. If the Child Study Team determines that a disability is suspected, the school will evaluate your child to identify and document whether your child has a disability that affects his/her learning and, if so, to determine what special education services are appropriate.

The evaluation will be done only after the school has obtained parent permission. Tests and procedures selected are specifically chosen for your child. The evaluation will not include basic tests or procedures used routinely for all students within a class, grade or school. This evaluation will be conducted according to federal and state requirements and will include information you provide. Following the evaluation, the school will provide you with the results.

If your child is found to be eligible for special education services, you are required to serve as part of a team to help the school develop an Individualized Education Program and identify the special education and related services your child needs.

Behavior Management

Each school implements positive, evidence based, safe, and timely plans and procedures for special needs students who exhibit behaviors that interfere

with learning or who place themselves or others in danger. An objective for each plan is to provide consistency in the manner in which deviations from appropriate behaviors are addressed. Each plan is designed in accordance with current state law and district policies.

Destruction of Education Records

The district destroys all psychological and special education records on students five years after those students have been removed from special education, have been withdrawn from the district or have graduated.

More Information

If you do not understand special education and what it may offer your child, you should speak with your child's teacher, school psychologist, administrator, or Director of Special Education.

Notifying the District Prior to Unilateral Placement in a Private Special Education School

If you disagree with the district and consider enrolling your child in a private special education school, you must provide the district with a written notice 10 business days before you enroll your child. The notice shall include a statement that you are rejecting the placement offered by the district, what your concerns are about the offered placement, and your intent to enroll your child in a private school.

Preschool

If you think your preschool-age child may have speech or other developmental delays, please call (623) 478-5613 to make an appointment for screening. Children as young as age three may participate in hearing, vision and developmental screening to determine if further evaluation is necessary. Eligible children identified with significant delays will be offered enrollment in free special education programs in the district. We also offer a role model preschool for 4 year olds on a tuition basis.

Student Records

Parents have the right to inspect and review all educational records, and all other rights guaranteed by the Family Educational Rights and Privacy Act.

Textbooks

Textbooks and other instructional materials will be

GENERAL ADMINISTRATIVE GUIDELINES (CONT.)

supplied to students free of charge. Students are responsible for all textbook/materials in their possession. Parents and students are financially responsible for any lost, damaged or stolen materials/items while in their possession.

volunteer packet which includes fingerprinting and a background check. Not all volunteer opportunities take place in the classroom. Parents are encouraged to volunteer their time to assist with various school and district events and committees.

Title I Services

The Schoolwide Title I Program at each school site provides supplemental services and materials for students. The services may include reading intervention during the school day as well as before or after school tutoring. Not every service is provided at each campus; each school provides different services to meet the academic needs of its students. For information contact your school principal or the Federal Programs office at (623) 478-5606.

Visitors to Schools

There are measures in place to ensure campuses are safe and secure. Therefore, all procedures must be adhered to by all visitors. **All visitors to any school must report to the school office upon arrival to obtain a visitor badge.** No person may enter onto school premises, including visits or audits to a classroom or other school activity, without approval by the principal.

Parents, grandparent, and/or other family members are encouraged to visit their child's school. For those who wish to visit a classroom during the school day, it is preferred that the teacher and the principal be contacted in advance to arrange a day and time for such visit so as to avoid any conflicts with the school schedule. In visiting a classroom, parents must realize that the teacher's first responsibility is to the class as a whole, and the teacher will be unable to converse at any length with the visitor. If a conference is desired, arrangements will be made by the teacher for an appointment with the parent either before or after school hours. All visitors must maintain appropriate conduct and attire while on school property or at school events.

Volunteers

Volunteers make many valuable contributions to the students and educational programs of the District. All volunteers work under the supervision of the professional staff at each school. Please contact the district parent liaison at (623) 478-5803 for a volunteer packet and for more information on ways you can participate in your school. Adults who do not have children in the District who volunteer on a regular basis in the school or classroom must complete the

HEALTH INFORMATION

The Littleton School District is committed to providing environments that promote and protect children's health, well-being and ability to learn by supporting healthy eating and physical activity. To afford students the opportunity to fully participate in the educational process, students must attend school with minds and bodies ready to take advantage of the learning environment. The district-wide wellness matrix encourages all members of the school community to create an environment that supports lifelong healthy choices.

Acquired Immune Deficiency Syndrome

Decisions regarding the type of educational setting for a child who is infected with HIV virus shall be based on the behavior, neurological development, and physical condition of the child. The Superintendent shall decide appropriate educational placement after reviewing the recommendation of the Special Education Director, the School Principal, and the School Nurse. The recommendation shall be formulated after consultation with the Public Health officials, the child's physician, and the parents.

Athletic Participation

In the Littleton Elementary School District athletic program, the health and welfare of the athlete is the most important concern. Every effort will be made to ensure a healthy environment and safe training conditions for athletes. Before athletes may participate in any aspect of school sports they must be academically eligible, must have proof of an annual physical exam on record and must have a permission slip signed by their parent or guardian on file. Prior to participation parents and/or students may be required to attend an orientation meeting for a specific sport. See the Athletic Handbook for more information.

Communicable Diseases

Any student with, or recovering from, a communicable disease will not be permitted in school until the period of contagion is passed or until a physician recommends a return, in accordance with applicable law; appropriate regulations of the State Department of Health Services; and policies of the county health department (Policy JLCC).

Parents will be requested to provide a history of communicable diseases for each student, and such records will be kept and maintained by the district. A student suffering from a communicable disease shall be

excluded from school for his/her own welfare and also to protect other students from illness. Early recognition of a communicable disease is of prime importance. In the case of a reported outbreak, the County Health Director shall make the decision for exclusion and readmission.

Administrative Procedures:

- Any student excluded from school under the aforementioned health regulation must receive clearance from the school nurse before being readmitted to class.
- All diagnoses and suspected communicable diseases considered to be reportable under appropriate Arizona Department of Health Services rules and regulations and A.R.S. 36-621, are to be reported to the Maricopa County Health Department.
- Any student exhibiting symptoms of illness such as skin rashes, inflamed eyes, fever, and the like, will be referred to the health office. The school health office will contact the parents/guardians depending on the condition of the student. The school nurse may request physician clearance before the student is allowed to return to school.

Dental Services

ReachOut Healthcare America provides dental services for students on site at all of our schools. Comprehensive treatment includes fillings, non-surgical extractions and preventative procedures like cleanings, fluoridation and sealants. For more information on ReachOut Services contact your school.

Dispensing Medication

Only when it is necessary for a student to take medicine during school hours, will the District administer medications. The District will cooperate with the family physician and the parents if the following requirements are met:

- There must be a written order from the physician stating the name of the medicine, the dosage, and time that it is to be given.
- There must be written permission from the parent to allow the appropriate staff member or the student to administer the medicine.
- The medicine must be delivered to the school office by the parent or guardian in the original prescription container or, if it is over-the-counter medication, in the original container with all warnings and directions intact.

HEALTH INFORMATION (Cont.)

- All medications are to be given to the school nurse/health aide or designee for administering.

EXCEPTIONS:

- Students who have been diagnosed with anaphylaxis may carry and self-administer emergency medications including auto-injectable epinephrine. The student shall notify the school office secretary as soon as practicable following the use of this medication. For breathing disorders, handheld inhaler devices may be carried for self administration. In both instances the pupil's name must be on the prescription label on the medication container or device and annual written documentation from the pupil's parent or guardian is provided that authorizes possession and self-administration.
- Parents are responsible for picking up their child's medication on the last day of school or making arrangements with your school nurse; remaining medications will be disposed.

The District reserves the right to disallow the use or administration of any medication on the school premises if the threat of abuse or misuse of the medicine may pose a risk of harm to any member(s) of the student population.

Immunization Requirements

The Arizona Revised Statutes A.R.S. 15-871 through 15-874 and Arizona Administrative Codes (A.A.C.) Communicable Disease Rules R9-6-701 through 706 and Child Care Facilities R9-5-305 require that:

1. A school or child care center shall forbid the attendance of any pupil not meeting the requirements for immunization or exemption from immunization and shall suspend such pupil in accordance with A.R.S. 15-872 or A.A.C. R9-5-305 (Policy JLCB, JLCB-R) except that a homeless student shall not be suspended from attending until the 5th calendar day after enrollment.

Health Office

Each school in the District maintains a health office with a nurse or trained/supervised health aide. Please call the school attendance number to report illnesses, especially those that are thought to be communicable. Students who become ill during the day must report to the health office. **THEY ARE NOT TO LEAVE THE SCHOOL CAMPUS WITHOUT SCHOOL PERMISSION.** Students are not allowed to walk home if they become ill at school. The health office staff will

notify parents of students who become ill at school so that the students can be picked up promptly. It is the parent's responsibility to make arrangements to pick up an ill or injured child as promptly as possible. We suggest that you have someone listed on your emergency card in case you are not available or can not leave work.

Children must be fever free for 24 hours (temp below 100° without fever reducing medications) to return to school. Children must also be free of diarrhea and vomiting for 24 hours before returning to school.

Medical Insurance

Parents are strongly encouraged to purchase student accident insurance. Accidents to students are not covered by the District insurance.

The District does not carry insurance for students' medical or dental costs if they are injured during school activities. Parents are responsible for their children's insurance. In an emergency, the school may call paramedics who may decide that an ambulance should be called. These services are paid for by the parent.

Pediculosis (Lice Infestation)

The school nurse/health aide at times may need to examine an entire classroom if he/she feels a need to check for pediculosis. The school nurse/health aide will only notify a child's parent if the check is positive. Students with pediculosis shall be excluded from school until treatment specific for pediculosis has been initiated and the student has been cleared by the school nurse/health aide to return to school.

Vision and Hearing Screening

Hearing screenings are given to selected groups of students per mandate under the guidelines of the Arizona Department of Health Hearing Conservation Program. Vision screenings are conducted each year with selected groups of students per Arizona guidelines. These screenings should not take the place of recommended medical screenings.

If your child should fail the school screening, a referral will be sent to you which should be filled out by a medical professional and returned to the school nurse/health aide. Your child should also be examined by an appropriate medical professional if he/she complains of any auditory or visual problems.

SECURITY

SECURITY

(Surveillance / Cameras)

Surveillance cameras may be used in all areas under the supervision of the District, including school buildings, buses, grounds, and other authorized areas of the District to ensure the health, welfare, and safety of all students, employees, and visitors, and to safeguard District facilities, vehicles, and equipment, as well as deterrence and prevention of unlawful activities. Surveillance cameras may be used in locations as deemed appropriate by the District administration, but shall not be used in locations where there is a reasonable expectation of privacy.

The Superintendent shall be charged with the responsibility to oversee the use and implementation of surveillance cameras in the District and restrict the access of cameras and recordings to limited personnel. The Board authorizes the Superintendent to establish and maintain guidelines and procedures for the retention, viewing, and listening to, when applicable, the recordings in accordance with this policy. The District shall notify employees, parents, and students through handbooks, information guides, and/or other means of communication that surveillance may occur on school buses and on District property.

Employees or students in violation of Board policies, administrative directives, school rules, or law shall be subject to appropriate disciplinary action. Illegal activities of employees, students, or others will be referred to appropriate law enforcement authorities. Employees or students who vandalize, damage, disable, or render inoperable surveillance cameras and equipment shall be responsible for such losses, damages, and costs, and shall be subject to appropriate disciplinary action and referral to appropriate law enforcement authorities. Video, and/or audio recordings may be used as evidence in any disciplinary action, administrative proceeding or criminal proceeding, and may become a part of a student's educational record or an employee's personnel file. The District shall comply with all applicable state and federal laws related to record maintenance and retention. Parents, guardians, or school personnel should be aware that the School Board maintains security camera video recordings for a limited period, so any request for administrative review under this policy must be made within five (5) school or work days of the event.

Application

Video and audio recordings used as part of disciplinary investigations or other proceedings regarding students shall be considered an educational record for purposes of the Family Educational Rights and Privacy Act

("FERPA"). For cases involving law enforcement or court requirements to review a recording, the Superintendent or the Superintendent's designee will review the case and will decide the appropriateness of the request based upon federal and state law. In the event a law enforcement officer or a court requires the release of the recording regarding a student in accordance with FERPA, and whenever a copy is requested, the Superintendent or the Superintendent's designee will, to the extent permitted, release only a copy of the recording and will maintain the original recording pending the outcome of the law enforcement or court action.

Recording on a School Bus. Recordings requested by an authorized District official (the Superintendent, or the Superintendent's designee, principal, or the District's transportation supervisor) will be provided to and be retained by the District only pursuant to federal and state law and this policy.

Confidentiality

All recordings are considered confidential and will be viewed only on an "as needed" basis by those individuals authorized by federal and state law and this policy.

Custody and Maintenance of Video/Audio Recordings

All recordings are the property of the District and shall be maintained in accordance with federal and state law and this policy.

Storage and Retention of Video/Audio Recordings

After a video/audio recording on school property has been made; the Superintendent or the Superintendent's designee will retain the recording in a secure location for no more than a period of five (5) school days. The District's video recordings will be constantly reused. The request to review a video file should be made as soon as possible but in no case may it be made more than a period five (5) school days after the date of the incident. The District may use recordings in discipline/prosecution of students, staff and the public and the recordings shall be retained by the District until the final resolution of any discipline/prosecution, including the timing for appeal or a court ordered retention period (if any). Recordings not used for discipline, law enforcement or court action, will be erased and the recorded media reused at the direction of the Superintendent or the Superintendent's designee.

STUDENT ENROLLMENT

Family Welcome Center

The Family Welcome Center has been designated to assist Littleton families. We are here to help whether you are transitioning to a new community or are already here and looking for some support. Our resources include processing registrations for all schools, on-going trainings and connections to a variety of social services. Our facilities also provide access to technology and space for small group meetings. For more information, please call (623) 478-5800 or visit 1252 S. Avondale Blvd (on the Littleton Elementary campus).

Admission of Students

The parent, guardian, or surrogate of each new enrollee in the District, except homeless pupils as defined in A.R.S. 15-824, will be asked to produce the following:

Kindergarten

- A child shall be eligible for admission to kindergarten if he/she will be five (5) years of age before September 1st of the current school year (A.R.S. 15-821B)
- Plus all requirements of new students listed below

New Students

- Current immunization record
- Birth certificate
- Proof of residency
- Withdrawal slip & last report card from last school attended (if applicable)
- Emergency medical referral sheet
- Any court document(s), if applicable

Non-Resident Students

The District may admit children who do not reside in the District based upon the Governing Board determination of excess capacity at each school site. Open enrollment information is available from the District Office. An attendance area variance may be requested from the school principal. A pupil who enters a school shall present to the principal of the school a properly executed withdrawal form if such pupil previously attended another school in the state (A.R.S. 15-827).

Immunization Requirements

The Arizona Revised Statutes A.R.S. 15-871 through 15-874 and Arizona Administrative Codes (A.A.C.) Communicable Disease Rules R9-6-701 through 706 and Child Care Facilities R9-5-305 require that:

1. A school or child care center shall forbid the attendance of any pupil not meeting the requirements for immunization or exemption from immunization and shall suspend such pupil in accordance with A.R.S. 15-872 or A.A.C. R9-5-305 (Policy JLCB, JLCB-R) except

that a homeless student shall not be suspended from attending until the 5th calendar day after enrollment. The immunization record shall show that the child has received current, age-appropriate immunizations against the following diseases: diphtheria, tetanus, pertussis, polio, measles, mumps, rubella, Hib, varicella, hepatitis B, hepatitis A, and meningococcal.

2. Proof of up-to-date immunizations must be provided from a documented source. Disease-specific laboratory confirmation of immunity is also acceptable.

Child Custody

In most cases, when parents are divorced, both mother and father continue to have equal rights to their children. If you have a court order that limits the rights of one parent in matters such as custody or visitation, please furnish a current copy to the office. EQUAL RIGHTS MUST BE PROVIDED to both parents unless a court order stating otherwise is on file in the school office. Duplication of other school services is not required under the law.

Home Address

Please notify the school immediately when there is a change of address, telephone number, or change in the emergency telephone number used when unable to reach a parent. Even though you may have an unlisted telephone number, the school **MUST** have the telephone number to call in case of emergency.

STUDENT ENROLLMENT

Student Directory Information

The Family Educational Rights and Privacy Act of 1974 (FERPA) provides for a parent's right to inspect, review and seek correction of a child's educational records. If you wish to review your child's record, you may contact the school principal to set up a convenient time for such a review. If your child is enrolled in a Special Education program, you should contact the Director of Special Education to arrange such a review. The district will comply with your request as soon as possible. If, when reviewing the records, you feel that the information on your child is inaccurate, misleading or otherwise in violation of the privacy rights of your child, you may request the deletion or modification of the records or enter into the records your own statements of clarification or explanation.

Student records may be released to authorized district personnel or another school that the student wishes to attend. Student records will be released to others only with the signed, written dated request of the person legally responsible for the student. During the school year, Littleton Schools may keep on file non-confidential student information containing students' names, photographs, grade placement, extracurricular participation, and achievement awards and honors. These files may include monthly school newsletters, promotion programs, activity programs, the District newsletter, and the yearbook. **STUDENT INFORMATION WILL BE RELEASED WITHOUT PRIOR CONSENT FOR IN-DISTRICT PUBLICATIONS AND RECOGNIZED NEWS MEDIA.** If however, you do not wish any of the above listed information to be released about your child/children, please submit written notification to the school office. If such notification is not received, it is assumed that your permission is given to use directory information as described above.

TECHNOLOGY

Computer, Telecommunications and Network Resources

The following guidelines and policies apply to:

1. Students who use computers belonging to the Littleton Elementary School District.
2. Students who access network resources available through the District.

Our goal in providing network access and technological resources is to promote instruction and learning. The district has taken precautions to restrict access to controversial materials. However, end users are expected to use the resources to support the educational goals of the district.

Guidelines for Acceptable Use

1. Use the educational information services (EIS) to support personal educational objectives consistent with the educational goals and objectives of the District.
2. Agree not to submit, publish, display, or retrieve any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal material.
3. Abide by all copyright and trademark laws and regulations.
4. Not reveal home addresses, personal phone numbers or personally identifiable data including log-in information, unless authorized to do so by designated school authorities.
5. Understand that electronic mail or direct electronic communication is not private and may be read and monitored by school-employed persons.
6. Not use the network in any way that would disrupt the use of the network by others.
7. Not use the EIS for commercial purposes.
8. Follow the District's code of conduct.
9. Not attempt to harm, modify, add/or destroy software or hardware nor interfere with system security.
10. Understand that inappropriate use may result in cancellation of permission to use the EIS and appropriate disciplinary action up to and including expulsion for students.

Privileges and Responsibilities

The use of District computer, telecommunication and network resources is a privilege, not a right, and may be revoked at any time. Violations of this privilege may result in disciplinary action under the guidelines and through the authority of the Governing Board and its policies.

Services

The District reserves the right to monitor the use of district computers, telecommunications and network resources. In particular, electronic mail or direct electronic communication is not private and may be read and monitored by school personnel. Should it become necessary, files may be deleted.

The District is not responsible for any service interruptions, changes or consequences resulting from system use, even if these arise from circumstances under the control of the district. The District may make rules, as needed, for the operation of the system.

TRANSPORTATION

Students residing within a school attendance area who live more than one mile from school, are eligible to ride a school bus to and from school. Transportation is a privilege and is not a statutory requirement; it can be revoked at any time.

Please have your child ready at their bus stop 7 minutes before their scheduled pick up.

Note: All kindergarten students must have an adult present at their bus stop when being dropped off.

Bus Conduct Expectations

"Bus Misconduct" includes (1) failure to abide by the Code of Conduct while being transported in a vehicle owned or operated by the District, (2) riding on a bus without permission, or (3) failure to observe any of the following specific rules while riding in a vehicle owned or operated by the District.

- A. Obey driver's instructions.
- B. Remain seated in assigned seats.
- C. Keep hands, feet, and objects to yourself.
- D. Talk quietly and respectfully.
- E. Only water may be consumed on the bus.
- F. Follow all school rules on the bus and at bus stops.
- G. When instruments or equipment related to musical or athletic events are transported on a school bus, such instruments or equipment:
 1. Shall be transported in a bag or carrying case of sufficient weight to restrain the equipment in the event of an accident.
 2. Shall not occupy seating space if needed for a passenger.
 3. Shall not be placed in the school bus driver's compartment or step well.
 4. Shall be placed under the passenger's control at all times or secured in the school bus.
 5. Shall not block an aisle or emergency exit of school bus at any time.

Consequences

Any violation of the specific rules listed above may result in one or more of the following actions by the driver:

- A. Counsel student/contact parents.
- B. Move student to another seat.
- C. Issue bus conduct referral to the student and school administration. If the student is referred to school administration, action taken may include, but is not limited to the following:
 - 1st referral: Parent will be contacted and the student will be counseled and/or disciplined by administration as deemed appropriate which could include loss of bus privileges.
 - 2nd referral: Parent will be contacted and the student may lose bus-riding privileges up to three (3) days.
 - 3rd referral: Parent will be contacted and the student may lose bus-riding privileges up to five (5) days.
 - 4th referral: Parent will be contacted and the student may lose bus-riding privileges for up to the remainder of the school year.

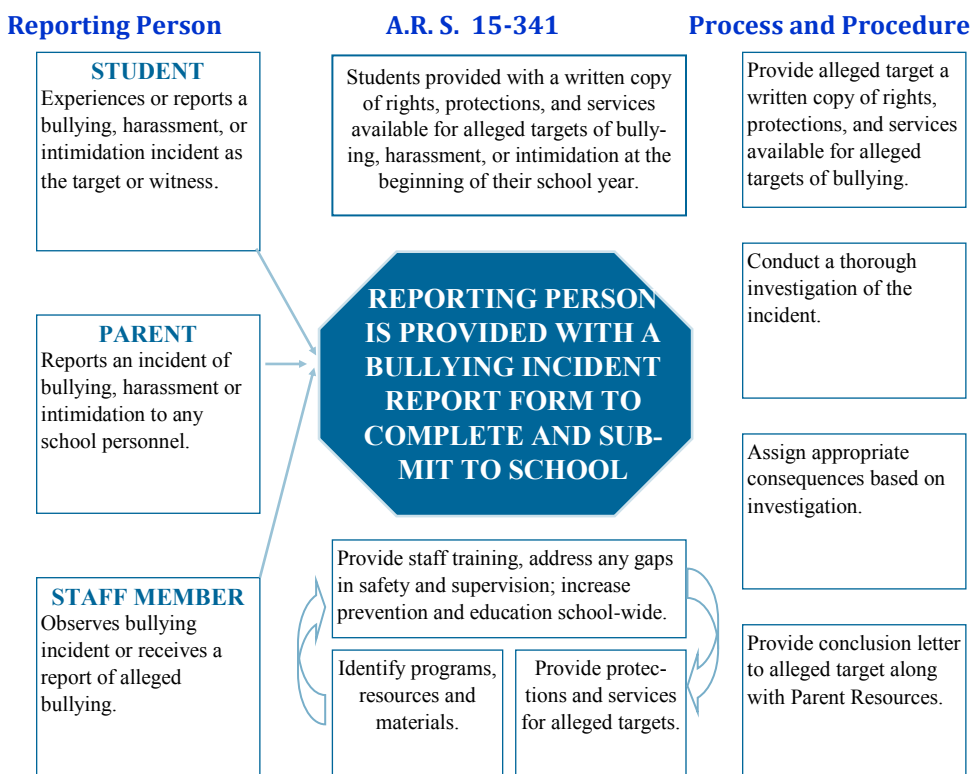

Any other violation of the Code of Conduct that occurs while the student is on a bus will be treated in the same manner as if the violation had occurred in a classroom or on campus. A serious infraction may result in an immediate bus suspension and/or school based consequences on a first offense.

Note: Make Your Day Program students will adjust points based on meeting expectations for bus behavior.

The administration may review video tapes from buses at any time.

DISCIPLINE/REPORTING GUIDELINES

One of the many safety related topics that all schools in the Littleton Elementary School District take very seriously is the issue of bullying and harassment. In order for our school to provide a safe environment in which to learn, grow and develop, all schools implement district policy and student violence, harassment, intimidation and reporting guidelines. The procedure is outlined below:

Students often struggle with the difference between “tattling” and “reporting”. Students should consider the following points when working through conflicts and the idea of reporting an incident to an adult.

Reporting

Be a Danger Ranger
Keep someone safe and out of trouble
It must be taken care of now
Dangerous Situation
Purposeful Behavior
Need an adult to solve the problem

Tattling

Don't be a Tattle Monster
Get someone in trouble
It can be taken care of later
Harmless Situation
Accidental Behavior
You are able to solve the problem

DISCIPLINE GUIDELINES

Littleton School District campuses, classrooms, and offices are professional work places. Adults and children are expected to demonstrate respectful and appropriate behavior at all times. Disruptive, vulgar or threatening language toward staff or students will not be tolerated. Anyone refusing to model appropriate and acceptable behavior may have access to the school restricted.

The Littleton Elementary School District places high priority on providing each student with the opportunity to learn within a safe and stimulating environment. For this reason, the Governing Board accepts the responsibility for identifying those behaviors, which, if allowed to exist without restrictions and appropriate disciplinary action, would interfere with individual and group learning and would interfere with the orderly conduct of our public schools. Furthermore, the Governing Board charges the staff with the responsibility for enforcing the rules of conduct, establishing consistency in their enforcement and maintaining an appropriate learning and behavioral environment.

According to Arizona law (A.R.S. 15-341), the Governing Board also has the authority to discipline students for disorderly conduct on their way to and from school. The Governing Board gives this responsibility to the local school administration. The Governing Board also gives the school administration authority to discipline students for disorderly conduct and other offenses at school sponsored activities.

Due Process

Students involved in any type of disciplinary problem must enter the discipline process at the preliminary investigative point where early guilt or innocence of charges is determined. Dependent upon the seriousness of the offense, the student should be accorded the following basic rights by the administration.

1. Notice of the charges, nature of the evidence supporting the charges and the consequences if the charges are proven true.
2. Notice of a right to a hearing at which time he or she may respond to the charges.
3. A fair hearing, including the right to present witnesses and evidence.
4. A fair and impartial decision.

THE LISTS ON THE FOLLOWING PAGES ARE NOT ALL-INCLUSIVE. A STUDENT COMMITTING AN ACT OF MISCONDUCT NOT LISTED WILL NEVERTHELESS BE SUBJECT TO THE DISCRETIONARY AUTHORITY OF THE SCHOOL ADMINISTRATOR OR ASSISTANT SUPERINTENDENT.

DISCIPLINARY ACTION CHARTS

Multiple offenses in a combination of categories may result in long-term suspension or expulsion.

There are certain items that may be subject to expulsion on the first offense.

Make Your Day Program

Collier, Estrella Vista, Littleton, Quentin and Tres Rios subscribe to the Make Your Day (MYD) program. Country Place subscribes to the Passport program. These programs are school-wide citizenship programs that allows teachers to teach and students to learn in a safe and focused learning environment.

A – Informal talk by a school official (teacher, counselor or administrator) who will attempt to reach an agreement with the student as to acceptable behavior.

B – Formal conference between the student and one or more school officials. A record is kept of the student's commitment to corrective behavior.

C – Parental involvement by telephone, letter or personal conference.

D – Temporary or permanent removal from class means the student is not to attend one or more classes for a specified period of time. During this period of removal the student may be assigned appropriate on-campus duties or alternative classes.

E – Out-of-Class detention means the student is detained before school, during lunch period or after school for a specific purpose.

F – Appropriate individualized assignment and/or loss of privilege means the school official devises an assignment to fit the offense and/or the school official removes from the student one or more privileges usually associated with the offense.

G – Alternate Placement (1-5 days) means the student is removed from class(es) but is kept on campus under the supervision of a staff member. The student is usually given an appropriate assignment during this time period. Saturday or another day of detention may be employed as an alternative.

H – Short term out-of-school suspension (1-5 days) means the student, following due process, is suspended from school and placed under the supervision/responsibility of the parent. Students must remain off campus for the duration of the suspension.

I – Short-term, out-of-school suspension (6-10 days) means the student, following due process, is suspended from school and placed under the supervision/

responsibility of the parent. Students must remain off campus for the duration of the suspension.

J – Summary suspension means the student may be immediately removed from campus due to a clear and present danger to any or all concerned. Students must remain off campus for the duration of the suspension or are subject to charges of Trespassing by local authorities.

K – Long-term, out-of-school (11-180 days) suspension means that the school principal may recommend to the Superintendent an extension of a suspension beyond the maximum 10 days. The Superintendent or designee, after careful consideration of the facts of the case, may extend the suspension until a Governing Board appointed hearing officer conducts a hearing. As with any suspension, due process must be followed. Students must remain off campus for the duration of the suspension.

L – Expulsion is the permanent removal from all Littleton Schools.

NOTE: Action taken by the school authority will fall between the minimum and maximum category identified on the following disciplinary action chart. Discipline alternatives may be utilized at the discretion of the school authority.

Appeal of a Short Term Suspension (10 days or less)

The principal or designee has the authority to impose a short term (10 days or less) suspension, following appropriate due process. There are no procedures provided by Governing Board policy or Arizona law to appeal short term suspensions. They are not appealable.

Suspension and Expulsion of Students with Disabilities

Students placed in special education programs will be expected to abide by the rules of conduct established for all students. When misconduct occurs, procedures for such suspensions and expulsions shall meet the requirements and regulations of I.D.E.A. and state statutes.

PARENTS' BILL OF RIGHTS

All parental rights are reserved to a parent of a minor child without obstruction or interference from this state, any political subdivision of this state, any other governmental entity or any other institution, including, but not limited to, the following rights (ARS 1-602):

- The right to direct the education of the minor child.
- All rights of parents identified in Title 15, including the right to access and review all records relating to the minor child.
- The right to direct the upbringing of the minor child.
- The right to direct the moral or religious training of the minor child.
- The right to make health care decisions for the minor child, including rights pursuant to sections 15-873, 36-2271 and 36-2272, unless otherwise prohibited by law.
- The right to access and review all medical records of the minor child unless otherwise prohibited by law or the parent is the subject of an investigation of a crime committed against the minor child and a law enforcement official requests that the information not be released.
- The right to consent in writing before a biometric scan of the minor child is made pursuant to section 15-109.
- The right to consent in writing before any record of the minor child's blood or deoxyribonucleic acid is created, stored, or shared, except as required by section 36-694, or before any genetic testing is conducted on the minor child pursuant to section 12-2803 unless authorized pursuant to section 13-610 or a court order.
- The right to consent in writing before the state or any of its political subdivisions makes a video or voice recording of the minor child, unless the video or voice recording is made during or as part of a court proceeding, during or as part of a forensic interview in a criminal or child protective services investigation or to be used solely for any of the following:
 - Safety demonstrations, including the maintenance of order and discipline in the common areas of a school or on pupil transportation vehicles.
 - A purpose related to a legitimate academic or extracurricular activity.
 - A purpose related to regular classroom instruction.
 - Security or surveillance of buildings or grounds.
 - A photo identification card.
- The right to be notified promptly if an employee of this state, any political subdivision of this state, any other governmental entity or any other institution suspects that a criminal offense has been committed against the minor child by someone other than a parent, unless the incident has first been reported to law enforcement and notification of the parent would impede a law enforcement or child protective services investigation. This paragraph does not create any new obligation for school districts and charter schools to report misconduct between students at school, such as fighting or aggressive play, that are routinely addressed as student disciplinary matters by the school.
- The right to obtain information about a Child Protective Services investigation involving the parent pursuant to section 8-807.
- This section does not authorize or allow a parent to engage in conduct that is unlawful or to abuse or neglect a child in violation of the laws of this state. This section does not prohibit courts, law enforcement officers or employees of a government agency responsible for a child welfare from acting in their official capacity within the scope of their authority. This section does not prohibit a court from issuing an order that is otherwise permitted by law.
- Any attempt to encourage or coerce a minor child to withhold information from the child's parent shall be grounds for discipline of an employee of this state, any political subdivision of this state or any other governmental entity, except for law enforcement personnel.
- Unless those rights have been legally waived or legally terminated, parents have inalienable rights that are more comprehensive than those listed in this section. This chapter does not prescribe all rights of parent. Unless otherwise required by law, the rights of parents of minor children shall not be limited or denied.
- For the purposes of this section, "parent" means the natural or adoptive parent or legal guardian of a minor child.

Littleton Elementary School District #65
SCHOOL/HOME LEARNING COMPACT

The Littleton Elementary School District believes in high standards for its students and staff and that effective schools are a result of families, school staff and district staff working together for each child's success in school. A commitment by everyone involved will ensure the best possible climate for a good education for all children. A Learning Compact is an agreement among groups toward that goal. This agreement is a promise that students, school and district staff, and parents/guardians will work together toward student success.

Parent/Guardian Responsibilities

I want my child to achieve; therefore, I will do the following:

- See that my child gets adequate food and sleep.
- See that my child arrives at school everyday on time, in uniform, and remains for the entire day.
- Reinforce school, classroom and transportation rules.
- Set aside a specific time and place for homework and review it nightly, along with other school information.
- Maintain positive communication through school agendas, phone calls, and emails child's teacher as needed.
- Attend parent/teacher conferences as scheduled.
- Parents will see assistance from school staff when concerns arise with student's academic/social performance

Student Responsibilities

It is important that I work to the best of my ability, therefore, I will strive to do the following:

- Arrive at school everyday on time, in uniform, and remain for the entire day.
- Show responsible behavior by following school, classroom, and transportation rules.
- Respect myself, my school, and other people.
- Complete all class and homework assignments to the best of my ability.
- Share my classroom work, student agenda, and school information with my parents/guardians nightly.
- Follow through with my commitments to extra-curricular activities.

Teacher Responsibilities

It is important that students achieve; therefore, I will strive to do the following:

- Hold high expectation for all students, believing that all students can learn and progress.
- Strive to meet the individual needs of all students in my class.
- Make the classroom and myself accessible to parents/guardians.
- Communicate to students and parents/guardians expectations for homework, class work, and behavior
- Encourage students to do their best.
- Provide homework assignments that will reinforce classroom instruction.
- Maintain positive communication through school agendas, phone calls, and emails with my student's parents/guardians as needed

Principal Responsibilities

I support this compact; therefore, I will strive to do the following:

- Provide an open door policy for parents/guardians.
- Ensure a safe and orderly learning environment.
- Reinforce the partnership between parent/guardian, student and staff.
- Hold regular information/discussion meeting for all parents/guardians. (Provide translations as needed)
- Encourage teachers to regularly provide homework assignments that will reinforce classroom instruction.
