

Casual Dress Days

These are designated days by PTA for fundraisers or administration because of a school-wide reward. There will not be any other days used for this purpose by grade levels without permission from administration.

The guidelines for casual dress day are as follows:

- No torn or tattered clothing
- Clothing must cover the shoulders, chest and middle section of the body
- If skirts or shorts are worn, the length must be mid-thigh and they must fit to regular size
- Jeans and pants should fit snug at the waist and not drag
- Undergarments are not to be visible
- Shirts that advertise liquor, cigarettes, or inappropriate language are not permitted
- No gang apparel
- No open-toed shoes such as sandals, flip flops, etc.

Estrella Vista STEM Academy encourages all of its students to wear clothing that represents them. For example, a shirt with their favorite sport team, favorite cartoon character, and/or favorite Superhero are welcome to be worn on casual dress days.

When in doubt, encourage students to ask the day before for answers.
