Mrs. Isela Brown, Business Manager presented Revision I of the 2014-2015 Budget. The reasons for the budget revision were to adjust the average daily membership and student growth for the Maintenance and Operations budget. For the first time after six years of continuous decline in enrollment, the District experienced growth in student population. The overall ADM increased by 41.637. The District also captured a growth of 38.125 in the area of Special Services.

In January the State sent the final reduction amount of \$953,524 for the District Additional Assistance fund. This is \$39,018 more than what was estimated in July 2014. This capital fund was also revised to capture the final carry over amount of \$161,987.00 from the previous fiscal year.

For the first time, a one-time transfer from capital to M&O was made to absorb the cost of the personnel audit. The total amount of the transfer is \$60,000.00.

V. Information/Discussion/Action

1. The administration received a request to admit a child who will not be five (5) years of age before September 1 to kindergarten for the 2015-16 school year. The child's date of birth is September 3, 2010. An evaluation process was used to determine the intelligence, academic, adaptive behaviors and social-emotional skills of the child. The team of professionals included the school psychologist, kindergarten teacher, prevention specialist, director of Student Services and a principal. Based on the results of the evaluation and the teams' discussion, the team could not determine any harmful or adverse effects to the child if the child is admitted to kindergarten. Additionally, the child does manifest the required academic skills when compared to other children of the same age level. A motion was made by Mrs. Faubion to allow Student 09032015 who will not be five (5) years of age before Sept. 1 admission to kindergarten. The motion was seconded by Mr. Hays. Motion carried 4 to 0.
2. The administration recommended renewing the contract with Sodexo for 2015-16. Superintendent Verdugo explained that the \$1,077,070.24 is an increase over the 2014-15 contract. This increase is due to Sodexo following the same salary increase for its employees by giving a 2.5% and 1.5% based on the date of employment. This salary increase cost and the additional supplies for maintaining and upgrading fields will be a onetime funded cost to the District's indirect cost budget. Mr. Hays made a motion; seconded by Mrs. Faubion to renew the contract between Santa Cruz Valley Unified School District No. 35 and Sodexo America, LLC to provide maintenance and grounds services at a fixed price of \$1,077,070.24 for Fiscal Year 2015-16. Motion passed 4 to 0.

3. A motion was made by Mrs. Faubion to approve the Classified Indefinite Term Appointment contract for the 2015-16 fiscal year. The motion was seconded by Mr. Hays. Motion carried 4 to 0.
4. The board received information on the tax credit donations for 2014. The business office presented a spreadsheet of where the contributions came from, the amount, and which clubs were the recipients for each school site. Superintendent Verdugo has been active in meeting with community groups and explaining the needs of the District. Two years ago a notice was sent to every household in the District and there was less of a return then compared to a 15% increase for the 2014 year. Mr. Vandervoet recommended considering the timing of when the community is reminded of the tax credit donation. Mr. Hays added that informing donors what the money is being used for is helpful; a tangible added value of their donation. Mrs. Neuman commented that we have to consider the challenges some families have to provide the basic necessities of life. Superintendent Verdugo said the administrators will continue to improve communications and get information out about the District. Mr. Schadler suggested an information session with the school club sponsors on what is a tax liability and how it works with the tax credit donation
5. Dr. Melisa Lunderville and Mr. John Fanning presented an update on the Information on the Calabasas PreK-8 School. Dr. Lunderville and Mr. Fanning have been meeting weekly to review progress and planning. The “Meet Your Principal” day is scheduled for May 14. Transportation and food service departments are involved in the consolidation process. A plan is being developed to address school climate and physical appearance. This includes a timeline to update signage, the marquees and logos. Mr. Fanning has developed a plan to address the climate change for staff and students. The Welcome Center located at 1374 W. Frontage Road will be moved to the PK-5 campus.
6. Dr. Lunderville presented information on the Preschool Grant. The District was awarded \$179,000.00 by the Arizona Department of Education to facilitate program improvements and staffing. The funds will be used to expand the current preschool model to include scholarships and an updated curriculum from Pearson Reading Street. The National Association for the Education of Young Children will evaluate the program in November for continued accreditation. The Department of Economic Security has identified the District’s program as eligible to receive DES subsidies. On May 14, 2015 the San Cayetano Preschool will be evaluated for its point scale Quality First Rating. The results of this evaluation and STAR rating will impact scholarship opportunities and supply funding for the following fiscal year.
7. The Board considered Superintendent Verdugo’s request to allow him a 1.5% pay increase for fiscal year 2015-16. A motion was made by Mrs. Faubion to approve a 1.5% pay increase in the amount of \$1,500.00 for David Y. Verdugo, Superintendent for fiscal year 2015-16. His salary will be \$101,500.00. The motion was seconded by Mr. Hays. Motion carried 4 to 0.
8. In an effort to recruit highly qualified teachers Superintendent Verdugo requested the Board to allow him to exceed the 10 year credit limit for an Economics/Government position at Rio Rico High School for Mr. Morgan Falkner. Mrs. Faubion made a motion; seconded by Mr. Vandervoet to approve exceeding the 10 year credit limit for Mr. Morgan Falkner. Motion passed 4 to 0.

9. Proposed and prioritized topics, and possible dates and times for future board meetings.
