

# MOUNTAIN VIEW ELEMENTARY

## 2015-2016

Below is the **recommended** list of supplies for each grade level. The only required item we request is a back pack. If at all possible, however, please have your student bring the listed supplies with them to their teacher on the first day of school. Teachers will help students organize their items- especially for the early grade levels. At Mountain View we make every effort possible to provide students with what they need to learn. However, if you are capable of sending your student to school with the following items for their grade level only, it will help us set your student up for success the entire year.
