- 2/26 - Early Release
- 2/26 - Family STEM Night

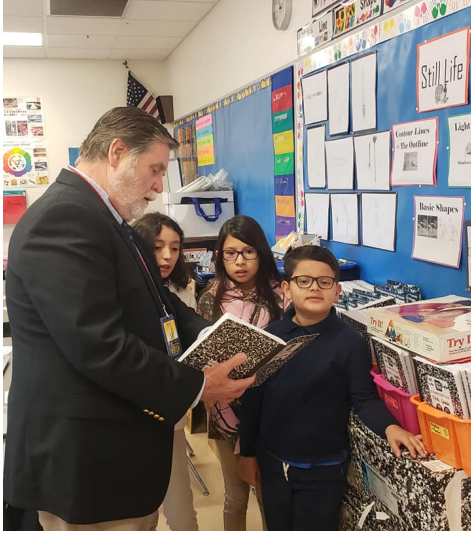

From the Principal:

Attendance continues to be of the utmost importance. We are working diligently to help your child master their current grade level skills as well as prepare them for the upcoming year. Please ensure that your child is here everyday ready and on time. Every minute counts! SC recognizes the importance of developing strong character within our students. Our staff implements the CHARACTER COUNTS PROGRAM and Making Good Choices. The Six Pillars of Character are: Trustworthiness, Respect, Responsibility, Fairness, Caring and Citizenship. Character development of a child is a team effort. We need family and community support in embracing these values and common language as essentials to living a good life. We encourage you to talk to your children about making good choices and playing their part in making San Cayetano a great place to be! February is the month for Caring, please help encourage our students to: Be kind. Be compassionate and show they care. Express gratitude. Forgive others. Help people in need. Your efforts are appreciated!

The official newsletter of San Cayetano Elementary

We had a special visit from the AZ Department of Education Arts Education Specialist and the Santa Cruz County's Superintendent's office. Our creative and charismatic art teacher Mrs. Raeber lead the campus tour alongside our Cheetahs. They showcased various art projects and their hardwork throughout the year. Thank you Mrs. Raeber for going above and beyond in sharing your passion for art with our school and thank you Cheetahs for being the amazing students you are!

Mrs. Miranda Valencia, NEHS members, and the Corridor Keppers spent a Sunday morning cleaning up by the river. Our Cheetahs also learned about animal tracks, bones and how to use binoculars! We had a "pawsome" adventure!

Congrats to all of our Geo Bee participants, especially our school champion Andres Jaime, 2nd place Bella Garcia and 3rd place Arian Puig!
