From the Principal:

As our first quarter of school comes to an end, I would like to thank you for your efforts in making your child's school year a success so far. We have already had so many successes such as; MAP/DIBELS testing, Student of the Month, Site Council, and Movie Night. I know our students have been working hard in class to grow as learners. As we move forward into the second quarter, please ensure that your child is in school everyday. We have had a large number of absences school wide. Also, the first bell rings at 7:25 am, after 7:30am they are considered tardy. Please ensure that your child arrives to school on time. I hope you all have a wonderful and restful fall break! Here's to a fantastic second quarter!

Mimi L. Renteria

From our Assistant to the Principal:

TARDINESS

One of the most valuable life skills a student can learn is taking the responsibility of arriving at school every day on time. As parents and adults in the workforce, we know the importance of punctuality. As parents/guardians we are our children's first and most influential models of this critical life skill that will help our children become more successful adults. Let's teach our children to always be on time starting now! The whole tone of a child's school day is set in the first part of the day. This is the time when important school news is announced, teachers define the plans/objectives for the day, and instruction begins. Please help support your children in learning habits that will help them be successful at school and throughout life.

Please be aware, beginning October 1st any student who has **three or more tardies for the month **will not be eligible** for Cheetah of the Month or Fine Dining with the Principal.**

Thank you,
Dominic Armijo

Hello Cheetah Families! We are kicking off the month of October with a very busy schedule and we could not do everything without our support. We will be starting off with Family Conferences which we have dinner for our teachers, then Honors Assemblies, Cheetah of the Month and close off with Trunk or Treat. We will be needing your help to make these events memorable for our students and teachers. If you are interested in volunteering or donating please feel free to reach out to me. Thank you for all your support and assistance!
