LIFE LONG PARTNER IN EDUCATION

Dear parents, guardians, students and staff,

It has been an honor and pleasure working each day with the students and staff at Coatiundi Middle School so far this year and has been a very rewarding feeling as a professional. It is our top priority to strive towards meeting each student's social, emotional, educational, and physical needs while in our care. As this semester wraps up, please remember communication is key.. I wish all of you a happy December, joyful holidays, and a pleasant winter break. I hope everyone enjoys spending time with family, friends and loved ones around!

Your partner in education,
