March 2017 Recap

This Month in Snowflake...

This month we celebrated National School Breakfast Week by offering Breakfast for lunch March 6th -10th. The students loved it and it was a great success, some even have requested that we continue to have some of those items for lunch again, one of their favorites was the chicken and waffles, chicken good, waffles good, how can you go wrong with that combination 😊

Our a la carte sales have improved greatly since we started offering our items to all sites. In January we made \$327.00 in sales, February \$877.00 and in March \$1412.00 in sales
