

The Door

Stellar Academy for Dyslexics – Unlocking the Door of Language

Friday, March 31, 2017

Dear Parents,

I prefer things that are **old**. I bristle when advertisers tell me that I “must have” their latest product in order for my life to have true meaning! I tend toward the anti-technology end of the spectrum. And I **LOVE** paper!

Nevertheless, I am considering making a change by sending out our weekly newsletter ONLY in the electronic format. Do I really need to send home those blue paper copies of The Door? Do these ever make it out of the backpacks and into your hands?

Please let me know how you read Stellar's Newsletter - The Door. If you have not already seen and replied to my email version of this request, simply call or send me an email explaining how you read The Door.

Warmly,

Beth Mattsson-Bozic, Director
