Stellar Academy for Dyslexics – Unlocking the Door of Language

Friday, March 3, 2017

Dear Parents,

I love to learn. It matters little what the subject is. I am interested! I learn by reading, by listening to others teach, and by watching others modeling the things I want to know how to do.

When it comes to raising and educating the dyslexic child, one terrific Bay Area resource for learning comes to our own backyard each year. This year's Education Revolution-EdRev Conference **will** be held on Saturday **April 22nd** at AT&T Park in San Francisco.

Join hundreds of people from around the Bay Area at the Parents Education Network's annual convention. This is a special day for parents, teachers and students, a day dedicated to understanding students with learning and attention differences. Admission for students and educators is free. There is an entry fee for parents.

Be sure to stop by the Stellar Academy booth to say "Hello", as you enjoy the many resources, activities, and speakers. More info at - www.edrevsf.org/

Warmly,

Beth Mattsson-Boré, Director
