

Hello visitors to Snowflake Intermediate Home page. We have successfully completed another year here on our campus and it was an amazing journey.

It has been my pleasure to have had the opportunity to work with these wonderful fourth, fifth, and sixth grade students for the 2016-17 school year. We had an exciting time and ended the year with a big bash! My appreciation for all the adults on campus and their invaluable service to our school is beyond expression. No words can come close to the gratitude I feel in my heart for these amazing people!

Be sure to look for pictures on our EVENTS tab to see all we have done this year. Also, (especially if you are a new visitor to our website) be sure to check out our PAST HAPPENINGS tab to see what we have done over the past few years.
