

Happy April and AzMERIT testing month!

Thank you for visiting our homepage this month. We do have quite a bit going on, but the main item for this month is the testing that is going on for each grade level.

As the principal of this wonderful school, I am confident that the students and teachers have prepared themselves to do quite well with the testing due to the preparation that has gone into this.

Some dates for you to consider as you visit our school are as follows:

4th Grade AZ Merit Testing Schedule:

Writing - April 4

Math and Reading Part 1 - April 6

Science (AIMS paperbased) - April 13

Math and Reading Part 2 - April 18

5th grade AZ Merit Testing Schedule:

Writing - April 11-13

Math and Reading Parts 1 and 2 - April 24-27

6th grade AZ Merit Testing Schedule:

Writing - April 5

Math and Reading Parts 1 and 2 - April 19 and 20

Please check out our News page for pictures of the fun activities that have been going on here on campus over the past few weeks. We have finalists in a Kahoot It competition, pictures of Dr. Seuss Day activities, kite building and flying, along with art projects conducted by an amazing volunteer!

I am impressed with the level of expertise and commitment that I see daily from our staff. We have so many amazing individuals who are willing to go out of their way to ensure the success of our students. Snowflake Intermediate is a happening place with exceptional students, teachers, staff members, parents, and visitors.

Thanks for visiting! Only one more month and it is hello summer!

To see past messages from me, please visit our Little Lobos News page.

**FINISH STRONG, LITTLE LOBOS!**

Sincerely,

Jody Bentz  
Principal
