

## Summer Care Program Registration

Registration for students who do not attend St. Francis begins in mid-April after the St. Francis of Assisi students have registered. Preference is first given to students who will attend on a full-time basis, although there is often room for students who wish to attend on a daily or drop-in basis. Students new to St. Francis will attend on a trial basis until it is determined with certitude that the program best suits them. Registration is by contract and commits each family financially to payment for the dates for which they have signed up. Space is always very limited.

Dates: TBA

Cost: \$95 per week for students who will attend full time or \$25 per day for students who will attend on a daily or drop-in basis. This fee does not include the weekly field trip fees (paid on a per-trip basis) which normally will not exceed \$10 per week. Financial assistance is available for families who qualify.

Registration Fee: There is a \$60 per family registration fee for the SummerCare Program. This fee and program is separate from the AfterCare Program and is not refundable.
