

QCHS TOYBOX Preschool

The TOYBOX program at Queen Creek High School is currently accepting applications for the 2014-2015 school year!

The TOYBOX Program is a fully licensed high school child care laboratory preschool program. Adult staff members along with high school students enrolled in the Early Childhood Education Program work together to provide an enjoyable learning environment for children 3 to 5 years old.

Our program will help your child establish positive social relationships, build a positive self-concept, and learn to love school. We use a wide range of materials and media to stimulate motor and intellectual development and encourage learning through developmentally appropriate play and experiences.

All children must be independently toilet trained and at least 3 years of age by the first day of school. Registration is first come, first served. A nonrefundable registration fee of \$65.00 is required with each application. The rates are as follows:

Full time - \$135 per week (Breakfast & Lunch Included)

Part time - (8:45 to 12:45 Mon. through Fri.) \$85 per week (Lunch Included)

The 3 full day program is \$110 per week. (Breakfast & Lunch Included)

We are open Monday through Thursday 7- 4:45 and Friday 7 to 4:30 every day that school is in session. We will open on Friday July 18th and our last day will be on Friday May 22nd to accommodate faculty schedules. These are the only two exceptions.

Please give us a call if you'd like to stop by with any questions or to tour our program.

You can register your child at TOYBOX on school days between 7:00am and 4:30pm.
