LITTLE COYOTES is a program for both children with identified special needs and typically developing peer role models. This integrated program offers an individualized approach to instruction for 3 and 4 year old children. Little Coyote classrooms offer a very low student to adult ratio. Classes will be taught by an AZ Highly Qualified and Certified Early Childhood / Early Childhood Special Education Teacher. The class will also have a highly qualified para-educator in the classroom. Additionally, a speech therapist will be in the classroom one day per week, and all of the children will participate in a structured language group activity led by the speech therapist. The curriculum in the classroom will adapt the Arizona College and Career Academic Standards through the AZ Early Learning Standards along with the Creative Curriculum for preschoolers. This class has daily learning experiences and skill development that will help prepare your child academically and socially to enter kindergarten.

Classes meet 3 days per week for 2 ½ hours each day.
