***Many companies offer cash and products to schools who collect special labels from their products. You can help DME by clipping the following labels...***

### **Box Tops for Education**

Help DME earn cash for the school by clipping Box Tops from products you already buy. Simply clip the box top from hundreds of items. Then bring them in to your child's classroom for collection. Twice a year the PTO will submit all of the Box Tops @ 10¢ each!

### **Labels for Education**

Campbell's Labels for Education allows DME to clip labels to earn FREE stuff for the school. All you have to do is clip the UPC and turn them in to your child's classroom along with your beverage/sauce caps. The PTO will submit all of the Labels and Caps to redeem them for Free education resources. The more we clip the more we earn!

### **Tyson Project A+ Program**

Tyson Product will turn each label into 24¢ for DME. Just clip the Tyson Project A+ label from the bag and send it in to your classroom. The PTO will collect all of the labels and submit them for cash to help our classrooms!
