

SCHOOL YEAR 2017-2018

CHILD FIND

34 C.F.R. ss300.111

Ensures all children with disabilities who are in need of special education and related services are identified, located, and evaluated.

This includes enrolled students, as well as others within the boundaries of responsibility of a district.

Screenings and evaluations are essential elements in the

special education process. IDEA regulations set specific requirements for conducting initial evaluations. It is vital that public education agencies (PEAs) and parents of children suspected of having disabilities, be knowledgeable about those requirements.

All screening dates are listed in the right-hand margin for Rice Elementary self-contained preschool.

Sign-up in the district office. All information requested on sign-up roster must be legible, and complete. Notifications will be mailed seven working days before date of screening. If you sign up after that deadline, your child will be signed up for the following screening.

Sign-ups will begin: July 1, 2017 through March 12, 2018

August 2, 2017
