

# First Avenue Elementary

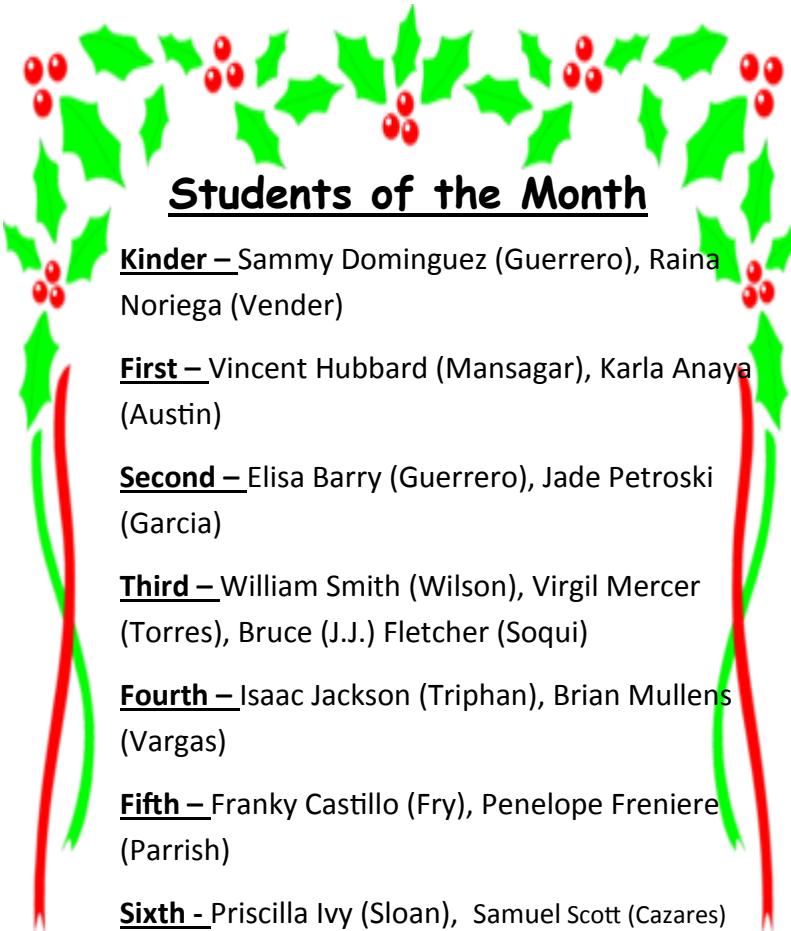

Greetings to all!

Well we are almost half-way through the 2015-16 school year. It seems like each month goes by faster and faster. I believe that is due to all the events and activities that are planned each month. For the month of December we have several things planned that you and your student can attend. On December 1<sup>st</sup> our TAG teachers will be meeting with parents and students to discuss this year's studies. December 7<sup>th</sup> through the 11<sup>th</sup> our Kid's Korner Holiday Shoppe will be open. Students will have a designated day to shop. On December 8<sup>th</sup> we will be hosting our "Winter Village at First Avenue" family event. Bring your family and wander through our "school village" from 5:30 to 6:30, and experience holiday stories, a chance to write Santa, make ornaments and decorate cookies. We will even have a very special guest here to visit with the kids. Our afterschool tutor program will complete their second session this week. There will be no afterschool tutoring until we return from winter break. Thank you for making sure your student is attending our tutoring program we have seen some great success when it comes to reading. It is so easy during this busy season to not follow good evening routines. Please help us keep our students healthy and ready to learn each day, find time to complete homework and read each night.

Happy Holidays

Katy Wilkins
