

Admissions Process & Application Information

:: *Getting Started* ::

To begin the application process, contact us {info below} to schedule a school tour. Once you have toured our campus, complete the application and return it to us by either mailing it in or dropping it off. After we have received your application and all of the accompanying paperwork, we will schedule a 2 day school visit for your child. This allows for our team to observe your child interacting with his or her potential classmates. Our Admissions Team will then meet to make our decision of acceptance on whether we are a good fit and can provide what your child needs.

:: *Tuition* :: \$30,685

The Laurel School accepts applications year-round. Thirty percent of our school revenue goes to discounting tuition. We are committed to not only attracting but retaining a diverse socio-economic group of families. For more information about Financial Aid and grant options, please see our *Fees/Tuition Assistance Flyer*.
