Dear Parents,

In order to earn a New Jersey High School Diploma, a student must demonstrate proficiency in English Language Arts and Mathematics. Demonstrated proficiency begins with each student taking the PARCC or one of the alternative assessments listed below:

➤ SAT	➤ PSAT
➤ ACT	➤ ACT Aspire
➤ Accuplacer Write Placer	➤ ASVAB-AFQT
➤ PSAT 10	

If your child has not taken one of the above-mentioned assessments, I strongly encourage you to work with your child to register for one of the upcoming SAT sessions. All registrations are done online.

<i>SAT Dates</i>	<i>Registration Deadline</i>
January 23	December 28
March 5	February 5

As the nation's most widely used college admission test, the SAT is the first step toward higher education. It provides an opportunity for your child to connect with scholarship opportunities. More importantly, it serves as a tool for your child with fulfilling his/her assessment graduation requirement.

Please feel free to reach out to your child's counselor if additional information is required.

Warmest Regards,

Dr. Gloria C. Scott, *Superintendent of Schools*
