Dear East Orange School District Parents and Students,

Once again, we are embarking upon our application/audition process for various schools throughout the district. It is important to ensure that this process is completed with the utmost integrity possible and to be certain that we are working towards providing parents with their first school choice.

For this reason, *we must insist that you indicate your preferred school choice of first choice, second choice, and third choice for your application to be considered.* This will assist us in enrolling students according to eligibility and skill, while placing a priority on school preference. Should your child be accepted to more than one school, your preference will be taken into the highest consideration.

In addition to completing the form below, you must still complete an application for any school of interest. The school 2017-2018 applications can be found on both the District's website and the particular school's website. We look forward to a successful application/audition season! With your support, we can undoubtedly make this an efficient and positive endeavor. *This form must be returned to your school Guidance Counselor by January 13, 2017.*

Lastly, please join us for a parent informational session that will be held on Tuesday, December 6, 2016 at Tyson Middle/High School (6:30pm). The session will provide you with an overview of each school

Warmest Regards,

Dr. Deborah M. Harvest

Dr. Deborah M Harvest, Assistant Superintendent
