Any such local qualifications shall be flexibly applied.

The Superintendent shall recommend to the Board such new positions or additions to existing employment categories as may be required by the specific instructional needs of pupils of the district and each school within the district.

Positions shall, to the maximum extent possible, conform to certification regulations of the State Board of Education. When district organization requires the creation of a nonconforming, unrecognized position, the approval of the county Superintendent shall be sought before the position is filled.

N.J.A.C. 6A:9-5.1; 6A:9-5.5
P.L. 1995 Chapter 125

Adopted: 3 December 2008
3112 ABOLISHING POSITIONS

The Board of Education will provide the professional staff necessary for the economical and efficient implementation of the educational program of the district. The Board reserves the right to abolish positions and reduce district staff commensurately whenever reasons of economy, reorganization of the school district, reduction in the number of pupils, or other good cause so warrant. The Superintendent shall continually review the efficiency and effectiveness of the district organization and recommend to the Board the abolishment of positions and the reallocation of duties and positions.

Adopted: 3 December 2008
3124 EMPLOYMENT CONTRACT

The Board of Education requires that every nontenured teaching staff member employed by this district annually sign an employment contract for a term of not more than one year.

N.J.A.C. 6A:9-5.1; 6A:9-5.2

Adopted: 3 December 2008

In accordance with the provisions of N.J.S.A. 18A:27-4.1, the Board shall appoint, transfer, remove, or renew a certificated or non-certificated officer or employee only upon the recommendation of the Superintendent of Schools and by a recorded roll call majority vote of the full membership of the Board. The Board shall not withhold its approval for arbitrary and capricious reasons. The Board shall approve the employment, fix the compensation, and establish the term of employment for every teaching staff member employed by this district.

The Board may approve the employment, fix the compensation, and set the term of employment for each person employed in a summer school program. The Board will employ only those candidates recommended by the Superintendent. Service as a summer school teacher will not count toward the accrual of tenure or seniority.

The Superintendent shall recommend to the Board the employment of qualified coaches for the district’s interscholastic and/or intramural athletic programs. The Board will employ as athletic coaches only those persons who have experience in and knowledge of the specific sport, are properly certified, and possess the personal characteristics that qualify them to serve as role models to students.

In the event the criminal history record check is not completed for an emergent hired employee within three months, the Board or contracted service provider may petition the Commissioner for an extension of time, not to exceed two months, in order to retain the employee.

If the employee is not rated effective or highly effective on this next annual summative evaluation, the Superintendent shall promptly file a charge of inefficiency.

Within thirty days of the filing, the Board of Education shall forward a written charge to the Commissioner of Education, unless the Board of Education determines the evaluation process has not been followed.

However, if the determination of the tenure charge by the arbitrator is not made within one hundred twenty calendar days after certification of the tenure charges, excluding all delays which are granted at the request of such person, then the full salary (except for said one hundred and twenty days) of such person shall be paid beginning on the one hundred twenty-first day until such determination is made.

When teaching staff member positions have been abolished, in accordance with Board Policy No. 3112, the Board of Education will transfer and/or dismiss affected teaching staff members as required by law.

No tenured teaching staff member will be transferred or dismissed in a reduction in force affecting a category of employment in which a nontenured teaching staff member is employed. When two or more nontenured teaching staff members are employed within the category affected by a reduction in force, the nontenured teaching staff member(s) shall be retained in that category who has demonstrated greater competence.

Tenure and seniority entitlements will govern the transfer and dismissal of tenured teaching staff members affected by a reduction in force, except that, when two or more tenured teaching staff members within the same employment category affected by a reduction in force possess an identical seniority entitlement to that category, the teaching staff member(s) shall be retained in that category who has demonstrated greater competence.

The Superintendent shall collect and maintain the information requisite to the calculation of each tenured teaching staff member's seniority status. The Superintendent shall develop and maintain district seniority lists and shall recommend dismissals and transfers in a reduction in force in accordance with those lists. No seniority list shall be a public document or published in the absence of a reduction in force or reemployment from a preferred eligible list.

Teaching staff members affected by a reduction in force will be informed of their seniority status and of the effect of the reduction in force on their employment, as promptly as possible after the Board's action to abolish positions. Wherever possible, the Board will give sixty days notice of a pending dismissal. If notice cannot be given a full sixty days before the end of the employee's service, salary in lieu of notice will be given for the remaining notice period beyond the end of service.

N.J.A.C. 6A:32-5.1

Adopted: 3 December 2008
A. Seniority Lists

In order to determine the teaching staff member(s) affected by a reduction in force, a seniority list will be prepared for each seniority category. The Superintendent’s office will

1. Determine the category or categories of employment in which each teaching staff member has served by reference to positions held and qualifying certification.

2. Determine whether the member has earned tenure in the district and in the position in which the category falls, in accordance with N.J.S.A. 18A:28-6. Tenure is earned in the positions of Assistant Superintendent, School Business Administrator, Principal, Assistant Principal, Vice Principal, supervisor, educational services personnel, school nurse, and teacher.

3. Calculate length of service in each category within a tenure position in which the employee has earned tenure.
   a. Length of service may be expressed in calendar months and days or in calendar years and portions of years, to two decimal places.
   b. Length of service commences from the day on which the employee began service in the category and ends with the end of the current school year or, in the case of previously riffed employees, the day on which the employee’s district service was terminated.

4. Deduct from time of service in the category any periods of unpaid absence taken for any purpose other than study or research, except that the first thirty days, consecutive and aggregate, of such unpaid absence taken within any one school year will not be deducted.

5. Add periods of prior active military service, to a maximum of four years, to the member’s length of service in the first category of district employment. Each full year of military service equals one year of seniority; a fraction of a year, ten months or longer, equals one year of seniority for a ten month employee.

6. Enter the total amount of service for the member’s initial category of employment.

7. If the member has been transferred to a second category or successive categories, calculate the service time of each category in accordance with A1 through A4 and enter separately.
a. Service in succeeding categories is included in the member's seniority in each earlier category.

b. Each seniority list must clearly indicate the category or categories in which the member has earned seniority and the total accrued time in each.

B. RIF Procedures

1. Determine the category or categories of employment to be reduced in number in a reduction in force.

2. Transfer or dismiss nontenured teaching staff members in the reduced category, in accordance with Policy No. 3146.

3. If no nontenured member remains in the category, the least senior tenured member shall be transferred to a previous seniority category in the same tenure position over a nontenured member or a less senior member in that category.

4. If there are no positions within his/her seniority categories in the same tenure position to which the member may be transferred, the member shall be transferred to a position outside his/her seniority categories but within the same tenure position, provided the member is appropriately certified for the position and the position is held by a nontenured employee.

5. If there are no positions to which he/she can be transferred by right of seniority or tenure in the same tenure position, the member shall revert in reverse chronological order to each seniority category and tenure position in which he/she was previously employed in the district, in accordance with the procedure set forth in B3 through B4 above.

6. When there are no positions which the tenured member affected by a reduction in staff can claim over other tenured employees by superior seniority or over nontenured employees by tenure, he/she shall be dismissed, shall receive sixty days' notice of such dismissal or pay in lieu thereof, and shall be placed on a preferred eligible list for each category in which he/she was employed by the district.

3150 **DISCIPLINE**

The Board of Education directs all teaching staff members to observe statutes of the State of New Jersey, rules of the State Board of Education, policies of this Board, and duly promulgated administrative rules and regulations governing staff conduct. Violations of those statutes, rules, policies and regulations will be subject to discipline.

The Superintendent shall deal with disciplinary matters on a case by case basis. Discipline measures will include verbal and written warnings as appropriate and will provide, wherever possible, for progressive penalties for repeated violations. Penalties may include suspension, withholding one or more increments, and dismissal.

In the event disciplinary action is contemplated, notice will be given to the teaching staff member in ordinary and concise language of the specific acts and omissions upon which the disciplinary action is based; the text of the statute, policy, or rule that the member is alleged to have violated; a date when the member may be heard and the administrator who will hear the matter; and the penalty that may be imposed.

Adopted: 3 December 2008
3152 WITHHOLDING AN INCREMENT

Advancements on the salary guide, including annual employment and adjustment increments, are not automatically granted and must be earned by satisfactory performance. Advancements require favorable evaluations of the employee's performance of assigned duties, a satisfactory attendance record, and adherence to the rules of this district and high standards of professional conduct.

The Board of Education may determine, by recorded roll call majority vote of the full membership and at any time prior to the commencement of the school year or contract year in which the employee's salary will vest, to withhold any or all of the increments indicated by the salary guide or by Board policy. In no case will the Board withhold a portion of an increment.

The Board shall, within ten days of its formal action to withhold an increment, give written notice to the affected employee of both the action and the reason or reasons for which it was taken.

The purpose of the Board in withholding increments is to improve the educational program and encourage the highest possible professional performance of its employees. Accordingly, all reasonable efforts will be made to inform employees of any deficiencies that may result in the withholding of an increment and to assist them in the correction of those deficiencies.

An increment withheld may be restored only by action of the Board. Nothing in this policy shall limit the right of a successor Board to restore an employee from whom an increment or increments have been withheld to that place on the salary guide he/she would have achieved had the increment or increments not been withheld.

3283 ELECTRONIC COMMUNICATIONS BETWEEN TEACHING STAFF MEMBERS AND STUDENTS

The Board of Education recognizes electronic communications and the use of social media outlets create new options for extending and enhancing the educational program of the school district. 3310 Academic Freedom

The curriculum adopted by the Board of Education is designed to address the educational goals established for this school district and to meet the needs of pupils. The course guides prepared for each course of study describe the material to be covered in each course and, in general, the approach to be employed by the teaching staff member responsible for the course.

The Board recognizes that some deviation from the course guide is necessary to the free exchange of ideas within the classroom. Exposure to a wide range of ideas encourages the spirit of inquiry that is essential to the learning process; the thorough examination of those ideas aids pupils in developing powers of reasoning and in acquiring habits of academic discipline.

The Board directs that the discussion of any issue not specifically covered by the course guide be conducted in an unprejudiced and dispassionate manner. The Board will not condone classroom discussion that is unrelated to the educational goals of this district or to the subject of the course of study, disrupts the educational process, does not match the maturity level of the pupils, neglects to inform pupils of various responsible points of view on the subject under discussion, or fails to take into account the sensibilities of the community.

Adopted: 3 December 2008
ACCEPTABLE USE OF COMPUTER NETWORK(S)/COMPUTERS AND RESOURCES BY TEACHING STAFF MEMBERS

The "system administrators" referred to herein as employees of the school district who administer the school district computer network(s)/computers and the system administrators reserve the right to monitor all activity on network(s)/computer facilities/computers.

Because of the complex association between so many government agencies and computer network(s)/computers, teaching staff members must adhere to strict regulations. Regulations are provided here so that teaching staff members are aware of their responsibilities. The school district may modify these regulations at any time by publishing modified regulations on the network(s) and elsewhere.

Teaching staff members are responsible for good behavior on computer network(s)/computers. Communications on the computer network(s)/computers are often public in nature. Access to computer network services/computers is given to teaching staff members who are expected to act in a considerate, responsible and professional manner. Access is a privilege, not a right. Access entails responsibility. Individual users of the district computer network(s)/computers are responsible for their behavior and communications over the computer network(s)/computers. It is presumed that users will comply with district standards. Beyond the clarification of such standards, the district is not responsible for the actions of individuals utilizing the computer network(s)/computers who violate the policies and regulations of the Board.

Computer network(s)/computer storage areas shall be treated in the same manner as other school storage facilities. Computer network(s)/computer administrators may review files and communications to maintain system integrity and ensure that users are using the system responsibly. Users should not expect that files stored on district servers will always be private. Users should expect all files stored on district servers will be available for review by the Director of Technology and/or school administrators.

Within reasonable limits, freedom of speech and access to information will be honored. During school, teaching staff members will guide pupils toward appropriate materials.

The user agrees not to use the facilities and capabilities of the system to conduct any non-school related business or solicit the performance of any activity which is prohibited by law or is non-educational.
While most of the content available on the Internet is innocuous and much of it a valuable educational resource, some objectionable material exists. The Board will provide pupil access to Internet resources only in supervised environments and has taken steps to lock out objectionable areas to the extent possible, but potential dangers remain. Teaching staff members are advised that some systems may contain defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or otherwise illegal material and are to supervise pupil use of computers and the Internet. The Board and the system administrators do not condone the use of such materials and do not permit usage of such materials in the school environment. The Board of Education recognizes a healthy workplace environment enables school district administrative and teaching staff members to fully contribute their expertise and skills to their school district responsibilities. A healthy workplace environment can improve productivity, reduce absenteeism, and reduce staff turnover while having a positive impact on the school district’s programs provided to pupils in the school district.

A significant characteristic of a healthy workplace environment is that employees interact with each other with dignity and respect regardless of an employee's work assignment or position in the school district. Repeated malicious conduct of an employee or group of employees directed toward another employee or group of employees in the workplace that a reasonable person would find hostile or offensive is unacceptable and is not conducive to establishing or maintaining a healthy workplace environment. This unacceptable conduct may include, but is not limited to, repeated infliction of verbal abuse such as the use of derogatory remarks; insults; verbal or physical conduct that a reasonable person would find threatening, intimidating, or humiliating; or the gratuitous sabotage or undermining of a person's work performance. A single act of such conduct shall not constitute the unacceptable conduct prohibited by this policy unless it is especially severe and egregious.

Unacceptable conduct, for the purposes of this policy, is not conduct toward an employee of a protected class or because of the employee's protected activity. These employees and activities are afforded the legal protections under various Federal and State anti-discrimination laws. In addition, unacceptable conduct for the purposes of this policy shall not be confused with conduct of management employees exercising management rights including, but not limited to, assigning tasks, reprimanding, assigning discipline, or directing.

Employees who believe the conduct prohibited by this policy has been directed toward them or to another employee of the school district shall submit a written report to the Superintendent of Schools. The written report shall provide specific details supporting the claim including, but not limited to, the specific conduct; the names of witnesses (if any) who may have observed such conduct; dates or times when such conduct occurred; and any other information the person(s) making the report believes will be informative and helpful to an investigation of the allegations. Upon receipt of a report, the Superintendent or designee will conduct an investigation and upon completion of the investigation will inform the person(s) who made the report such an investigation was completed. The amount of investigation information shared with the person(s) making the report will be at the discretion of the Superintendent or designee and may vary depending on whether the conduct reported was directed to the person(s) making the report, confidential personnel matters, and/or other issues as determined by the Superintendent or designee.
If the investigation determines conduct prohibited by this policy has taken place, the Superintendent or designee will meet with the offender(s) and the victim(s) to review the investigation results and to implement remedial measures to ensure such conduct does not continue or reoccur. Appropriate disciplinary action may be taken depending on the severity of conduct.

There shall be no reprisals or retaliation against any person(s) who reports conduct prohibited by this policy.

The Board of Education recognizes that an employee’s right to freedom from employment discrimination includes the opportunity to work in an environment untainted by sexual harassment. Sexually offensive speech and conduct are wholly inappropriate to the harmonious employment relationships necessary to the operation of the school district and intolerable in a workplace to which the children of this district are exposed.

Sexual harassment includes all unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature that would not have happened but for the employee’s gender. Whenever submission to such conduct is made a condition of employment or a basis for an employment decision, or when such conduct is severe and pervasive and has the purpose or effect of unreasonably altering or interfering with work performance or creating an intimidating, hostile, or offensive working environment, the employee shall have cause for complaint.

The sexual harassment of any employee of this district is strictly forbidden. Any employee or agent of this Board who is found to have sexually harassed an employee of this district will be subject to discipline which may include termination of employment. Any employee who has been exposed to sexual harassment by any employee or agent of this Board is encouraged to report the harassment to an appropriate supervisor. An employee may complain of any failure of the Board to take corrective action by recourse to the procedure by which a discrimination complaint is processed. The employee may appeal the Board’s action or inaction to the United States Equal Employment Opportunity Commission or the New Jersey Division of Civil Rights. Complaints regarding sexual harassment shall be submitted following the procedures outlined in Regulation No. 1530, Equal Employment Opportunity.

The Affirmative Action Officer shall instruct all employees and agents of this Board to recognize and correct speech and behavior patterns that may be sexually offensive with or without the intent to offend.

R 3362  SEXUAL HARASSMENT OF TEACHING STAFF MEMBERS
COMPLAINT PROCEDURE

Sexual harassment of school staff members is prohibited by the Board of Education. The Superintendent and school district staff will use the following methods to investigate and resolve allegations of sexual harassment of school staff members.

A. Definitions

1. Gender-based Harassment - Gender-based harassment that includes acts of verbal, nonverbal, physical aggression, intimidation, or hostility based on gender, but not involving conduct of a sexual nature, may be a form of sex discrimination if it is sufficiently severe, persistent, or pervasive and directed at individuals because of their gender.

2. Hostile Environment Sexual Harassment - Sexual harassing conduct (which can include unwelcomed sexual advances, requests for sexual favors or other favors, or other verbal, nonverbal or physical conduct of a sexual nature) by a school staff member that is sufficiently severe, persistent, or pervasive to limit another staff member's ability to participate in a workplace environment or activity, or to create a hostile or abusive workplace environment.

3. Quid Pro Quo Harassment - When a school staff member explicitly or implicitly conditions another school staff member's conditions of employment on the staff member's submission to unwelcomed sexual advances, requests for sexual favors, or other favors, or other verbal, nonverbal or physical conduct of a sexual nature. Quid Pro Quo Harassment is equally unlawful whether the staff member resists and suffers the threatened harm or submits and thus avoids the threatened harm.

B. Grievance Procedure

The following Grievance Procedure shall be used for an allegation(s) of harassment of school staff members by other school staff members:

1. Reporting of Sexual Harassment Conduct
   
a. Any person with any information regarding actual and/or potential sexual harassment of a staff member must report the information to the school Building Principal, their immediate supervisor or the Affirmative Action Officer.
b. The school district can learn of sexual harassment through other means such as from a witness to an incident, an anonymous letter, or telephone call.

c. A report to the school Building Principal or an immediate supervisor will be forwarded to the school district Affirmative Action Officer within one working day, even if the school Building Principal or immediate supervisor feels sexual harassment conduct was not present.

d. In the event the report alleges conduct by the Building Principal or the Affirmative Action Officer, the Superintendent will designate a school official to assume the Building Principal’s or Affirmative Action Officer’s responsibilities as outlined in Policy No. 3362 and this Regulation.

2. Affirmative Action Officer’s Investigation

a. Upon receipt of any report of potential sexual harassment conduct, the Affirmative Action Officer will begin an immediate investigation. The Affirmative Action Officer will promptly investigate all alleged complaints of sexual harassment, whether or not a formal grievance is filed and steps will be taken to resolve the situation, if needed. This investigation will be prompt, thorough, and impartial. The investigation will be completed no more than ten working days after receiving notice.

b. When a school staff member provides information or complains about sexual harassment, the Affirmative Action Officer will initially discuss what actions the staff member is seeking in response to the harassment.

c. The Affirmative Action Officer’s investigation may include, but is not limited to, interviews with all persons with potential knowledge of the alleged conduct, interviews with any staff member(s) who may have been sexually harassed in the past by the school staff member and any other reasonable methods to determine if sexual harassment conduct existed.

d. The Affirmative Action Officer may request a staff member involved in the investigation to assist in the investigation.

e. The Affirmative Action Officer will provide a copy of Board Policy and Regulation No. 3362 to all persons who are interviewed with potential knowledge, upon request, and to any other person the Affirmative Action Officer feels would be served by a copy of such documents.
f. Any person interviewed by the Affirmative Action Officer may be provided an opportunity to present witnesses and other evidence.

g. The Affirmative Action Officer and/or Superintendent will contact law enforcement agencies if there is potential criminal conduct by any party.

h. The school district administration may take interim measures during an Affirmative Action Officer's investigation of a complaint.

i. The Affirmative Action Officer will consider particular issues of welcomeness based on the allegations.

3. Investigation Results

a. Upon the conclusion of the investigation, but not later than ten working days after reported to the Affirmative Action Officer, the Affirmative Action Officer will prepare a summary of findings to the parties. At a minimum, this summary shall include the person(s) providing notice to the school district and the staff member(s) who was alleged to be sexually harassed.

b. The Affirmative Action Officer shall make a determination whether sexual harassment conduct was present.

c. If the Affirmative Action Officer concludes sexual harassment conduct was not, or is not present, the investigation is concluded.

d. If the Affirmative Action Officer determines that sexual harassment has occurred, the school district administration shall take reasonable and effective corrective action, including steps tailored to the specific situation. Appropriate steps will be taken to end the harassment such as counseling, warning, and/or disciplinary action. The steps will be based on the severity of the harassment or any record of prior incidents or both. A series of escalating consequences may be necessary if the initial steps are ineffective in stopping the harassment.

e. In the event the Affirmative Action Officer determines a hostile environment exists, the Superintendent shall take steps to eliminate the hostile environment. The school district may need to deliver special training or other interventions to repair the educational environment. Other measures may include directing the harasser to apologize to the harassed staff member, dissemination of information, distribution of new policy statements or other steps to communicate the message that
the Board does not tolerate harassment and will be responsive to any school staff member that reports such conduct.

f. In some situations, the school district may need to provide other services to the staff member that was harassed, if necessary, to address the effects of the harassment on that staff member. Depending on the type of harassment found, these additional services may include an independent re-assessment of the harassed staff member’s work performance, counseling and/or other measures that are appropriate to the situation.

g. The Superintendent will take steps to avoid any further sexual harassment and to prevent any retaliation against the staff member who made the complaint, was the subject of the harassment, or against those who provided the information or were witnesses. The Affirmative Action Officer will inform the sexually harassed staff member to report any subsequent problems and will make follow-up inquiries to see if there have been any new incidents or retaliation.

h. All sexual harassment grievances and accompanied investigation notes will be maintained in a confidential file by the Affirmative Action Officer.

4. Affirmative Action Officer’s Investigation Appeal Process

a. Any person found by the Affirmative Action Officer’s investigation to be guilty of sexual harassment conduct, or any person who believes they were sexually harassed but not supported by the Affirmative Action Officer’s investigation, may appeal to the Superintendent. The Superintendent will make his/her determination within ten working days of receiving the appeal.

b. Any person who is not satisfied with the Superintendent's determination may appeal to the Board. The Board will make its determination within forty-five calendar days of receiving an appeal from the Superintendent’s determination.

C. Office Of Civil Rights (OCR) Case Resolution

Persons not satisfied with the resolution of an allegation of sexual harassment by school district officials or the Board may request the Office of Civil Rights (OCR) of the United States Department of Education to investigate the allegations.
1. Any alleged victim of sexual harassment may appeal a decision of the Affirmative Action Officer, Superintendent, or the Board to the Office of Civil Rights (OCR).

2. Any person may report an allegation of sexual harassment to the OCR at any time. If the OCR is asked to investigate or otherwise resolve incidents of sexual harassment of school staff members, OCR will consider whether:

   a. The school district has a policy prohibiting sexual harassment and a grievance procedure;

   b. The school district appropriately investigated or otherwise responded to allegations of sexual harassment; and

   c. The school district has taken immediate and appropriate corrective action responsive to Quid Pro Quo or Hostile Environment Harassment.

The Board of Education recognizes that the benefit of tenure is conferred by law on teaching staff members who have completed the requisite period of probationary service in this school district. The Board also recognizes that certain service does not qualify the teaching staff member who performs that service for the grant of tenure.

Tenure so accrued will not extend to any other administrative or supervisory position and nothing shall limit or restrict tenure rights which were or may be acquired pursuant to N.J.S.A. 18A:28-6.

The Board specifically directs that service in the following positions will not accrue toward the tenure status and will be performed only under contract renewable at the discretion of the Board:

1. Substitute teacher acting in the absence of another employee;
2. Summer school teacher;
3. Co-curricular advisor;
4. Athletic coach; and
5. Department chairperson other than a supervisor.

Approved: 12 November 2013
The Board of Education will take no retaliatory action, by discharge, demotion, suspension, or any other adverse action, against an employee because that employee has conscientiously:

1. Disclosed or threatened to disclose to a supervisor or public body an activity, policy, or practice of this Board or any district officer that the employee reasonably believes to be in violation of law or rule;

2. Provided information to a public body conducting an investigation, hearing, or inquiry into any alleged violation of law by the Board or an officer of this district; or

3. Objected to or refused to participate in an activity, policy, or practice of this district that the employee reasonably believes to be in violation of law or rule, fraudulent, criminal, or incompatible with a clear mandate of public policy concerning the public health, safety, or welfare or protection of the environment.

An employee who has reason to believe that the Board has engaged in an illegal activity or an activity contrary to public policy must report that belief in writing to the Superintendent before notice is given to a supervisor or a public body. The Superintendent shall promptly report the same to the Board and institute an investigation of the reported activity. The findings of the investigation will be reported in writing to the Board and to the employee.

The protection of law and this policy apply only to employees who have given notice in accordance with this policy and have afforded the Board a reasonable period of time to take any corrective action that may be required or have acted in circumstances that the employee believes in good faith constitute an emergency.

The Superintendent shall post notice of this policy and inform employees of their rights under the New Jersey Conscientious Employee Protection Act.

An employee whose disability has qualified for the receipt of workers’ compensation benefits shall be presumed eligible for work related disability pay under this policy. When an employee's disability is so brief as to preclude the employee's application for workers' compensation benefits, the employee may request and the Board may grant work related disability pay.

Any employee who qualifies for work related disability pay under this policy will be entitled to receive full pay during the period he/she is on disability leave of absence, for up to twelve consecutive months.

3425.1 MODIFIED DUTY EARLY RETURN TO WORK PROGRAM - TEACHING STAFF MEMBERS

New Jersey's workers' compensation laws provide lost wages and pay medical expenses for an employee who sustains an injury as a result of an on-the-job accident, injury, or occupational disease. Workers’ compensation is designed to protect school district employees and their families against the hardships from injury arising in the workplace. In an effort to assist school staff in recovering from an eligible workers’ compensation injury, the Board provides a Modified Duty Early Return To Work Program. The Program is provided to staff members who have been injured on the job, but who are not permanently disabled. The Program is intended to minimize the negative psychological impact to an injured staff member due to being out of work and to provide a transition and adjustment period for the injured staff member to return to work while recovering from an on-the-job injury.

The school district may assign temporary modified duties and responsibilities to staff members that have sustained an eligible workers’ compensation injury. These employees may temporarily perform duties and responsibilities that may or may not be within their job description, or may or may not be within their department. The modified duties and/or responsibilities will be within the injured staff member's capabilities and a staff member will not be assigned any modified duties and/or responsibilities that require any certifications/licenses that are not possessed by the injured staff member.

The modified duties and responsibilities will be determined by the Director for Human Resources, the district’s designated Workers' Compensation Coordinator, after a medical examination and evaluation of the injured staff member by the Board’s designated workers’ compensation physician. The Workers’ Compensation Coordinator will determine if the injured staff member is eligible for modified duties or responsibilities. This determination will be based on:

1. The workers’ compensation physician’s examination and evaluation report;
2. The injured staff member’s capabilities to assume modified duties or responsibilities;
3. The availability of modified duties and responsibilities within the district at the time; and/or
4. Other issues that may impact the district’s ability to assign modified duties and responsibilities.

This Modified Duty Early Return to Work Program will be administered consistent with applicable federal and State laws and in accordance with provisions of collective bargaining agreements within the district.

Adopted: 3 December 2008
R 3425.1 MODIFIED DUTY EARLY RETURN TO WORK PROGRAM –
TEACHING STAFF MEMBERS

The Modified Duty Early Return to Work Program shall be administered by the Director of Human Resources, the district’s designated Workers’ Compensation Coordinator.

A. Filing a Claim Report

1. A staff member must file a written Workers’ Compensation Report if they have been injured in the performance of their job. This Report will be available in the main office and the nurse’s office in each school building and in the Coordinator’s office.

2. Upon sustaining an on-the-job injury, the staff member shall immediately report the injury to their immediate supervisor and report to the school nurse. If the injured staff member is not assigned to a school building with a school nurse, the school staff member shall immediately contact the Coordinator’s office. The Coordinator, or designee, will direct the injured staff member to a school’s main office, a school nurse, or to the workers’ compensation physician.

   a. In the event the injury requires immediate medical treatment, the staff member may be directed to the school physician or to the hospital emergency room. In this case, the Report shall be completed by the staff member whenever practical.

   b. In the event the staff member gets injured when schools are closed or after business hours and the staff member believes the injury requires immediate medical treatment the staff member shall:

      (1) Go to the hospital emergency room; and

      (2) Notify their immediate supervisor as soon as possible after the injury.

   c. In the event the injured staff member goes to the hospital emergency room when schools are closed, the staff member must report the injury to the Coordinator the next business day. The Coordinator may direct the injured staff member to a school nurse or to the workers’ compensation physician. All future medical treatment for the injured staff member shall be scheduled through the Coordinator’s office.
d. In the event the staff member gets injured when schools are closed or after business hours and the staff member believes the injury does not require immediate medical treatment, the staff member shall:

   (1) Immediately notify their immediate supervisor; and
   
   (2) Notify the Coordinator's office the next business day.

3. The Workers’ Compensation Report shall be forwarded to the Coordinator’s office as soon as it is completed by the injured staff member.

a. In the event the staff member requires a physician’s examination and evaluation, the Coordinator’s office will schedule the appointment with the workers’ compensation physician's office and the staff member.

4. Any staff member injured on-the-job and the injury causes the staff member to miss work time or prohibits the staff member from fulfilling all their job responsibilities must be examined by the workers’ compensation physician. The Coordinator will authorize workers’ compensation time off from work for a staff member injured on-the-job only after the staff member has been examined by the worker's compensation physician. The Coordinator may, upon certain circumstances, authorize workers’ compensation time from work without requiring an examination by the workers’ compensation physician.

5. The Modified Duty Early Return to Work Policy will be attached to the Workers’ Compensation Report and this Regulation will be provided to the injured staff member upon request.

B. Physician’s Workers’ Compensation Examination and Evaluation

1. The Coordinator will provide the workers’ compensation physician a job description and a list of required tasks for positions in the school district.

2. Upon completing the medical examination and evaluation, the workers’ compensation physician will prepare a report indicating the staff member’s physical limitations, if any, that prevent the staff member from completing the staff member's job responsibilities. The workers' compensation physician’s report will also include a diagnosis, to the best of the physician’s ability, on the length of recovery for each limitation. The physician’s report will be forwarded to the Coordinator.
3. The Coordinator will review the workers’ compensation physician’s report and follow-up with the workers’ compensation physician and the staff member if the Coordinator needs more information to make a determination if modified duty is an option for the injured staff member.

C. Modified Duty Restriction

1. There is no permanent modified duty and all modified duty positions are temporary.

2. Upon reviewing the workers’ compensation physician’s report, the Coordinator will determine if temporary modified duty is appropriate for the staff member. The Coordinator may determine the staff member should be out of work until such time the staff member is able to return to work to assume all their job responsibilities. The Coordinator may also determine a date in the future for the staff member to return to work to assume temporary modified duties.

3. A medical review and examination by the workers’ compensation physician may be required to continue a modified duty assignment beyond sixty calendar days.

4. The Board reserves the right to require a staff member returning from modified duty to submit to a physical examination before returning to their position to assume all the job responsibilities of their position.

5. There will be communications among the Coordinator, the injured staff member’s supervisor, the staff member, the workers’ compensation physician, and the workers’ compensation insurance provider throughout the course of treatment and recovery of the injured staff member.

6. A tracking system will be established for documenting a staff member’s status in the Modified Duty Program.

D. Assignment of Job Tasks

1. Assigning modified duty to staff members will be decided on a case-by-case basis.

2. Job tasks for staff members on modified duty will be determined and assigned within the limitations established and approved by the workers’ compensation physician.

3. The injured staff member’s immediate supervisor shall provide periodic status reports to the Coordinator for any staff member assigned modified duty.
4. There is no restriction on the school district location or the type of modified duties assigned to the staff member provided it is consistent with the limitations detailed by the workers' compensation physician. These modified duties may be assigned to a full or partial day schedule depending on the staff member's limitations.

5. The modified duties and/or responsibilities will be within the injured staff member's capabilities and a staff member will not be assigned any modified duties and/or responsibilities that require any certifications/licenses that are not possessed by the injured staff member.

E. Staff Member Requirements

1. Staff members shall perform the job tasks designated by the workers' compensation physician in the physician's report and assigned by the Coordinator. In the event these job tasks cause discomfort, the staff member shall discontinue the specific activity and inform their immediate supervisor. The immediate supervisor will report this information to the Coordinator, who will schedule a medical appointment for the staff member.

2. Staff members are required to follow the Coordinator's directives regarding:
   a. Job assignments and tasks;
   b. Attending scheduled doctors' appointments; and
   c. Completing and transmitting reports to and from the workers' compensation physician, their immediate supervisor, and the Coordinator's office.

F. Compliance With Laws

The Modified Duty Early Return To Work Program shall be administered consistent with the applicable federal and State laws and in accordance with provisions of collective bargaining agreements within the district.

A. Introduction

The Board will provide family leave in accordance with the Federal Family and Medical Leave Act (FMLA) and the New Jersey Family Leave Act (NJFLA).

FMLA leave for eligible staff members shall be up to twelve weeks leave of absence in any twelve month period upon advance notice to the district for the birth of a son or daughter of the staff member and in order to care for such son or daughter; for the placement of a son or daughter with the staff member for adoption or foster care; in order to care for the spouse, son, daughter, or parent of the staff member if such spouse, son, daughter, or parent has a serious health condition; or for a serious health condition that makes the staff member unable to perform the functions of the position of such staff member.

NJFLA leave for teaching staff members shall be up to twelve weeks leave of absence in any twenty-four month period upon advance notice to the district so that a staff member may provide care made necessary by the birth of a child of the staff member, the placement of a child with the staff member in connection with adoption of such child by the staff member, and the serious health condition of a spouse, parent, or child.

B. Applicability

The Board will comply with requirements of the New Jersey and Federal Family Leave laws. The laws have similar and different provisions that may provide different rights and obligations for the staff member and/or the Board. The staff member shall be afforded the most favorable rights if there is a conflict in the rights afforded to the staff member under the two laws.

1. If the staff member is eligible for leave for reasons provided under the FMLA and NJFLA, then the time taken shall be concurrent and be applied to both laws.

2. The NJFLA provides twelve weeks leave in a twenty-four month period while the FMLA provides twelve weeks leave in a twelve-month period. A staff member is eligible for up to twelve weeks leave in the first twelve months of the twenty-four month period under the NJFLA. A staff member is eligible for up to twelve weeks leave in the second twelve-month period under the FMLA.

3. In the event the reason for the family leave is recognized under one law and not the other law, the staff member is eligible for each law’s leave entitlements within one twelve-month period. (Example: A staff member may use their FMLA leave for a twelve week family leave for their own pregnancy, which is considered a “serious health condition” under FMLA, and upon conclusion of the twelve week FMLA leave, the staff member would be eligible for a twelve week NJFLA leave to care for their newborn or any other reasons pursuant to the NJFLA.)
C. Definitions

1. Federal Family and Medical Leave Act (FMLA)

   “Son” or “daughter” means a biological, adopted or foster child, stepchild, legal ward, or a child of a person standing in loco parentis, who is under eighteen years of age or eighteen years of age or older but incapable of self-care because of a mental or physical impairment.

   “Parent” means the biological parent of a staff member or an individual who stood in loco parentis to a staff member when the staff member was a son or daughter. This term does not include parents “in law.”

   “Serious health condition” means an illness, injury, impairment, or physical or mental condition which meets one of the following conditions:

   a. Inpatient care in a hospital, hospice, or residential medical care facility

   b. Continuing medical treatment or continuing supervision by a health care provider. A used in this definition, “continuing medical treatment or continuing supervision by a health care provider” means a period of incapacity (that is, inability to work, attend school or perform regular daily activities due to a serious health condition, treatment therefore and recovery there from) of more than three consecutive days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:

      i. Treatment two or more times by a health care provider, or

      ii. Treatment by a health care provider on one occasion which results in a regimen of continuing treatment under the supervision of a health care provider;

   c. A period of incapacity due to pregnancy, or for prenatal care;

   d. Any period of incapacity or treatment for such incapacity due to a chronic serious health condition;

   e. A period of incapacity, which is permanent or long-term due to a condition for which treatment may not be effective (such as Alzheimer’s disease, a severe stroke or the terminal stages of a disease) where the individual is under continuing supervision of, but need not be receiving active treatment by, a health care provider; or

Family Leave

f. Any period of absence to receive multiple treatments (including any period of recovery therefrom) by a health care provider or by a provider of health care services under orders of, or on referral by a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity or more than three consecutive calendar days in the absence of medical intervention or treatment, such as cancer (chemotherapy, radiation, etc.), severe arthritis (physical therapy) or kidney disease (dialysis).

“Week” is the number of days an employee normally works each calendar week.

“Staff member” means an employee eligible for family and medical leave in accordance with the Federal Family and Medical Leave Act (FMLA).

“Next of kin” is the nearest blood relative (other than the service member’s spouse, parent, son or daughter) in the following order of priority: blood relatives who have been granted legal custody of the service member, siblings, grandparents, aunts and uncles, and first cousins, unless the service member has designated in writing a different blood relative for purposes of military caregiver leave.

“Covered service member” is a member of the Armed Forces (including a member of the National Guard or Reserves) who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or a veteran who is undergoing medical treatment, recuperation, or therapy, for a serious injury or illness and who was a member of the Armed Forces (including a member of the National Guard or Reserves) at any time during the period of 5 years preceding the date on which the veteran undergoes that medical treatment, recuperation, or therapy.

“Active duty or call to active duty” is only made to members of the National Guard or Reserve components or a retired member of the Regular Armed Forces or Reserve. Therefore, an employee may not take exigency leave if the service member is a member of the Regular Armed Forces.
2. New Jersey Family Leave Act (NJFLA)

“Serious health condition” is an illness, injury, impairment, or physical or mental condition that requires inpatient care in a hospital, hospice, or residential medical facility or continuing medical treatment or continuing supervision by a health care provider.

“Week” is the number of days an employee normally works each calendar week.

“Staff member” is an employee eligible for family leave in accordance with the New Jersey Family Leave Act.

D. Eligibility

1. Federal Family and Medical Leave Act (FMLA)

A staff member shall become eligible for FMLA leave after he/she has been employed at least twelve months in this district and employed for at least 1250 hours of service during the twelve-month period immediately preceding the commencement of the leave. The twelve months the staff member must have been employed need not be consecutive months pursuant to 29 CFR Part 825 Section 110(b). The minimum 1250 hours of service shall be determined according to the principles established under the Fair Labor Standards Act (FSLA) for determining compensable hours of work pursuant to 29 CFR Part 785. Entitlement to FMLA leave taken for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care shall expire at the end of the twelve-month period beginning on the date of such birth or placement.

Pursuant to 29 CFR Part 825 Section 202, a husband and wife both employed by the district are limited to a combined total of twelve weeks of leave during the twelve-month period if the leave is taken for the birth of a son or daughter of the staff member or to care for such son or daughter after birth; for placement of a son or daughter with the staff member for adoption or foster care or in order to
care for the spouse, son, daughter, or parent of the staff member with a serious health condition.

The method to determine the twelve-month period in which the twelve weeks of FMLA leave entitlement occurs will be a “rolling” twelve-month period measured backward from the date a staff member uses any family leave.

A staff member during any period of FMLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member using FMLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the FMLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.

2. New Jersey Family Leave Act (NJFLA)

A staff member shall become eligible for NJFLA leave after he/she has been employed at least twelve months in this district for not less than 1,000 base hours, excluding overtime, during the immediate preceding twelve month period. The calculation of the twelve-month period to determine eligibility shall commence with the commencement of the NJFLA leave. NJFLA leave taken for the birth or adoption of a healthy child may commence at any time within a year after the date of the birth or placement for adoption.

A staff member during any period of the NJFLA leave is prohibited from performing any services on a full-time basis for any person for whom the staff member did not provide services immediately prior to commencement of the leave. A staff member on NJFLA leave may commence part-time employment that shall not exceed half the regularly scheduled hours worked for the district. The staff member may continue the part-time employment that commenced prior to the NJFLA leave at the same number of hours that the staff member was regularly scheduled prior to such leave.

The method to determine the twenty-four month period in which the twelve weeks of NJFLA leave entitlement occurs will be a “rolling” twenty-four month period measured backward from the date a staff member uses any leave.

E. Types of Leave

1. Federal Family and Medical Leave Act (FMLA)
A staff member may take FMLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.

a. Leave for the birth of a son or daughter or placement of a son or daughter with the staff member for adoption or foster care may not be taken by a staff member intermittently or on a reduced leave schedule.

b. Leave may be taken intermittently or on a reduced leave schedule when medically necessary for planned and/or unanticipated medical treatment of a related serious health condition by or under the supervision of a health care provider, or for recovery from treatment or recovery from a serious health condition.

c. Intermittent leave means leave scheduled for periods of time from one hour or more to several weeks; however, the total time within which the leave is taken cannot exceed a twelve month period for each serious health condition episode. Intermittent leave may be taken for a serious health condition that requires periodic treatment by a health care provider, rather than one continuous period of time. Intermittent leave may also be taken for absences where the staff member is incapacitated or unable to perform the essential functions of the position because of a serious health condition even if the staff member does not receive treatment by a health care provider. The staff member shall make a reasonable effort to schedule intermittent leave so as not to unduly disrupt the operations of the instructional/educational program.

d. Reduced leave means leave scheduled for fewer than the staff member’s usual number of hours worked per workweek, but not fewer than a staff member’s usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule not exceeding twenty-four consecutive weeks. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program.

The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.
e. The fact that a holiday may occur within the week taken by a staff member as Family Leave has no effect and the week is counted as a week of Family Leave. However, if the staff member is out on Family Leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member’s family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

f. “Instructional employees” as defined in 29 CFR 825 Section 600(c) are those staff members whose principle function is to teach and instruct pupils in class, a small group, or in an individual setting. This term includes teachers, athletic coaches, driving instructors, and special education assistants, such as signers for the hearing impaired. Teacher assistants or aides who do not have as their principal job actual teaching or instructing, guidance counselors, child study team members, curriculum specialists, cafeteria workers, maintenance workers and/or bus drivers are not considered instructional employees for the purposes of this policy. Semester as defined in 29 CFR 825 section 602(a) (3)(b) means the school semester that typically ends near the end of the calendar year and the end of the spring each school year. A school district can have no more than two semesters in a school year.

i. Leave taken at the end of the school year and continues into the beginning of the next school year is considered consecutive leave. Should the employee’s position require certification, it shall be the staff member’s obligation to recertify to remain eligible for employment.

ii. In accordance with 29 CFR 825 section 601(a)(1), eligible instructional staff members that need intermittent or reduced leave to care for a family member, or for the staff member’s own serious health condition which is foreseeable based on planned medical treatment and the staff member would be on leave more than twenty percent of the total number of working days over the period the leave would extend, the district:
(a) May require the staff member to take the leave for a period or periods of a particular duration, not greater than the duration of the planned treatment; or

(b) Transfer the staff member temporarily to an available alternative position for which the staff member is qualified, which has equivalent pay and benefits and which better accommodates recurring periods of leave than does the staff member’s regular position.

iii. If the instructional staff member does not give the required notice for leave that is foreseeable and desires the leave to be taken intermittently or on a reduced leave schedule, the district may require the staff member to take leave of a particular duration, or to transfer temporarily to an alternative position. Alternatively, the district may require the staff member to delay taking the leave until the notice provision is met.

iv. In accordance with 29 CFR 825 Section 602, if an instructional staff member begins leave more than five weeks before the end of the school year, the district may require the staff member to continue taking leave until the end of the semester if:

(a) The leave will last three weeks, and

(b) The staff member would return to work during the three-week period before the end of the semester.

v. In accordance with 29 CFR 825 Section 602, if an instructional staff member begins leave for a purpose other than the staff member’s own serious health condition during the five-week period before the end of the semester, the district may require the staff member to continue taking leave until the end of the semester if:

(a) The leave will last more than two weeks; and

(b) The employee would return to work during the two-week period before the end of the semester.

(Example of leave falling within these provisions: If a staff member plans two weeks of leave to care for a family member which will begin three weeks before the end of the term, the district could require the staff member to stay out on leave until the end of the term.)
vi. In accordance with 29 CFR 825 Section 602, if an instructional staff member begins leave for a purpose other than the staff member’s own serious health condition during the three week period before the end of a semester, the district may require the staff member to continue taking leave until the end of the semester if the leave will last more than five working days.

vii. In the event the district requires the instructional staff member to take additional leave to the end of the semester in accordance with iv., v., or vi. above, the additional leave days shall not be counted as FMLA leave.

2. New Jersey Family Leave Act (NJFLA)

A staff member may take NJFLA leave in consecutive weeks, as intermittent leave, or as reduced leave. A staff member who requests intermittent or reduced leave shall make a reasonable effort to schedule such leave so as not to unduly disrupt the instructional/educational program.

a. In the case of a family member who has a serious health condition, leave may be taken intermittently when medically necessary. The total time within which the leave is taken, cannot exceed a twelve-month period for each serious health condition episode. The staff member will provide the district with prior notice of the leave in a manner which is reasonable and practicable; and the staff member shall make a reasonable effort to schedule the leave so as not to unduly disrupt the operations of the instructional/educational program. In the case of the birth or adoption of a healthy child, the leave may be taken intermittently only if agreed to by the staff member and the district.

b. Reduced leave means leave scheduled for fewer than the staff member’s usual number of hours worked per workweek, but not fewer than a staff member’s usual number of hours worked per workday, unless otherwise agreed to by the staff member and the district. A staff member is entitled, at the option of the staff member, to take leave on a reduced leave schedule for a period not exceeding twenty-four consecutive weeks. The staff member is not entitled to take the leave on a reduced leave schedule without an agreement between the staff member and the district if the leave is taken for the birth or adoption of a healthy child. The staff member shall make a reasonable effort to schedule reduced leave so as not to unduly disrupt the operations of the instructional/educational program. The staff member shall provide the district prior notice of the care, medical treatment or continuing supervision by a health care provider necessary due to
a serious health condition of a family member in a manner that is reasonable and practicable. Leave taken on a reduced leave schedule shall not result in a reduction of the total amount of leave to which a staff member is entitled.

c. The fact that a holiday may occur within the week taken by a staff member as family leave has no effect and the week is counted as a week of family leave. However, if the staff member is out on family leave and the school district is closed and the staff member would not be expected to report for work for one or more weeks, the weeks the school district is closed for this staff member do not count against the staff member’s family leave entitlement.

Any leave time remaining after a staff member has exhausted his/her entitlement to intermittent leave in any twelve month period may be taken as consecutive leave or reduced leave, and any leave time remaining after a staff member has exhausted his/her entitlement to reduced leave in any twelve month period may be taken as consecutive leave or intermittent leave.

F. Notice

1. Federal Family and Medical Leave Act (FMLA)

   a. Foreseeable Leave - A staff member eligible for FMLA leave must give at least a thirty day written advance notice to the Director for Human Resources if the need for the leave is foreseeable based on an expected birth, placement for adoption of foster care, or planned medical treatment for a serious health condition of the staff member or a family member. If thirty days is not practical, the staff member must provide notice “as soon as practicable” which means as soon as both possible and practical, taking into account all the facts and circumstances in the individual case. For foreseeable leave where it is not possible to give as much as thirty days notice “as soon as practical” ordinarily would mean at least verbal notification to the Director for Human Resources within one or two business days or when the need for leave becomes known to the staff member. The written notice shall include the reasons for the leave, the anticipated duration of the leave and the anticipated start of the leave.

   When planning medical treatment, the staff member must consult with the Director for Human Resources and make a reasonable effort to schedule the leave so as not to unduly disrupt the educational program, subject to the approval of the health care provider. Staff members are ordinarily expected to consult with the Director for Human Resources
prior to scheduling of treatment that would require leave for a schedule that best suits the needs of the district and the staff member. The district may delay the staff member taking leave for at least thirty days if the staff member fails to give thirty days’ notice for foreseeable leave with no reasonable excuse for the delay.

b. Unforeseeable Leave - When the approximate timing of the need for leave is not foreseeable, a staff member should give notice to the Director for Human Resources for leave as soon as practicable under the facts and circumstances of the particular case. It is expected the staff member will give notice to the Director for Human Resources within no more than one or two working days of learning of the need for leave, except in extraordinary circumstances where such notice is not foreseeable. The staff member should provide notice to the employer either in person or by telephone, telegraph, facsimile machine or other electronic means.

2. New Jersey Family Leave Act (NJFLA)

a. Foreseeable Leave - A staff member eligible for NJFLA leave must give at least a thirty day advance written notice to the Director for Human Resources of the need to take family leave except where the need to take family leave is not foreseeable.

i. Notice for leave to be taken for the birth or placement of the child for adoption shall be given at least thirty days prior to the commencement of the leave, except that if the date of the birth or adoption requires leave to begin in less than thirty days, the employee shall provide such notice that is reasonable and practicable.

ii. Notice for leave to be taken for the serious health condition of a family member shall be given at least fifteen days prior to the commencement of leave, except that if the date of the treatment or supervision requires leave to begin in less than fifteen days, the staff member shall provide such notice that is reasonable and practicable.

iii. When the Director for Human Resources is not made aware that a staff member was absent for family leave reasons and the staff member wants to request the leave be counted as family leave, the staff member must provide timely notice within two business days of returning to work to have the time considered for family leave in accordance with the Family Leave Act.
b. Unforeseeable Leave - When the need for leave is not foreseeable, the staff member must provide notice "as soon as practicable" which shall be at least verbal notice to the Director for Human Resources within one or two business days of the staff member learning of the need to take family leave. Whenever emergent circumstances make written notice impracticable, the staff member may give verbal notice to the Director for Human Resources, but any verbal notice must be followed by written notice delivered within two working days.

G. Leave Designation

An eligible staff member shall designate FMLA or NJFLA leave upon providing notice of the need for the leave or when the need for leave commences consistent with the criteria contained within this policy. Once a district administrator becomes aware that an individual’s absences meet the criteria of an FMLA or NJFLA, as described in this policy, he/she must inform the Director of Human Resources so that the employee may be advised of their rights under FMLA and NJFLA and placed on leave accordingly.

H. Benefits

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act may be a combination of both paid and unpaid leave. Once the conditions of an FMLA or NJFLA leave have been met, any employees taking leave pursuant to either FMLA or NJFLA will be required to fulfill all the requirements of the leave selected, including, when appropriate, the use of accrued leave balances, dependent on for whom the leaving is taken to provide care. If the purpose of the leave is due to the serious health condition of the employee, all personal illness days, personal days, and vacation days (if applicable) must be used. Family illness days shall not be used for the employee’s own serious health condition UNLESS personal illness days, family illness days and/or personal days are combined in the collective bargaining agreement that represents the employee. If the purpose of the leave is due to the serious health condition of an eligible dependent, all family illness days, personal days, and vacation days (if applicable) must be used. Personal illness days shall not be used for the care of an employee’s eligible dependent UNLESS family illness days, personal illness days, and/or personal leave are combined in the collective bargaining agreement that represents the employee. In cases where there is no collective bargaining agreement for an employee, leave allotments will be applied based on their intended use. (These provisions are made in accordance with N.J.S.A. 18A:30-1 which defines the intended use of sick leave as the “...absence from his or her post of duty, of any person because of personal disability due to illness or injury...”)

The employee will remain on paid status until all applicable accrued leave balances have been exhausted. Once all applicable accrued leave balances have been exhausted,
the leave will continue unpaid until the employee returns to duty. Under no circumstances will the total leave entitlement, both paid and unpaid exceed the maximum limits as set forth in this policy. The Board will maintain coverage under any group health insurance policy, group subscriber contract, or health care plan at the level and under the conditions coverage would have been provided if the staff member had continued to work instead of taking the leave. If the staff member was paying all or part of the premium payments prior to the leave, the staff member would continue to pay his/her share during the leave time. Any instructional employee who is on leave under NJFLA or FMLA at the end of the school year will be provided with any benefits over the summer that the employee would normally receive if they had been working at the end of the school year.

I. Returning from Leave

The Federal Family and Medical Leave Act and/or the New Jersey Family Leave Act

A staff member returning from leave shall be entitled to the position he/she held when leave commenced or to an equivalent position of like seniority, status, employment benefits, pay and other conditions of employment. If the district experiences a reduction in force or layoff and the staff member would have lost his/her position had the staff member not been on family leave as a result of the reduction in force or pursuant to the good faith operation of a bona fide layoff and recall system including a system under any collective bargaining agreement, the staff member shall be entitled to reinstatement to the former or an equivalent position in accordance with applicable statutes, codes and laws. The staff member’s tenure and seniority rights, if any, and other benefits shall be preserved, but the staff member shall accrue no additional time toward tenure or seniority for the period of the leave, except as may be provided by law.

The return of a staff member prior to the expiration of the requested family leave may be permitted by the Board if the return does not unduly disrupt the instructional program or require the Board to incur the cost of continuing the employment of a substitute under contract.

If leave is taken under FMLA, and the staff member does not return to work after the leave expires, the Board is entitled to recover health insurance costs paid while the staff member was on FMLA. The Board’s right to recover premiums would not apply if the staff member fails to return to work due to:

1. The continuation, onset or recurrence of a serious health condition of the staff member; or
2. Circumstances beyond the staff member’s control.
J. Ineligible Staff Members

1. Federal Family and Medical Leave Act (FMLA)

The district may deny job restoration after FMLA leave if the staff member is a “key employee” as defined in 29 CFR 825 Section 217 if such denial is necessary to prevent substantial and grievous economic injury to the district or the district may delay restoration to a staff member who fails to provide a fitness for duty certificate to return to work for leave that was the staff member's own serious health condition. A "key employee" is a salaried, staff member who is among the highest paid ten percent of the school district staff employed by the district within 75 miles of the worksite. No more than ten percent of the school district staff within 75 miles of the worksite may be “key employees.”

In the event the Director for Human Resources believes that reinstatement may be denied to a key employee, the Director for Human Resources must give written notice to the staff member at the time the staff member gives notice of the need for leave, or when the need for leave commences, if earlier, that he/she qualifies as a key employee. The key employee must be fully informed of the potential consequences with respect to reinstatement and maintenance of health benefits if the district should determine that substantial and grievous economic injury to the district's operations will result if the staff member is reinstated from leave. The district’s notice must explain the basis for the district's finding that substantial and grievous economic injury will result, and if leave has commenced, must provide the staff member a reasonable time in which to return to work. If the staff member on leave does not return to work in response to the notice of intent to deny restoration, the staff member continues to be entitled to maintenance of health insurance.

A key employee's rights under the FMLA continue unless and until the staff member either gives notice that he/she no longer wishes to return to work or the district actually denies reinstatement at the conclusion of the leave period. A staff member is still entitled to request reinstatement at the end of the leave period even if the staff member did not return to work in response to the district’s notice. The district will then again determine whether there will be substantial and grievous economic injury from reinstatement based on the facts at that time. If it is determined that substantial and grievous economic injury will result, the district will notify the staff member in writing (in person or by certified mail) of the denial of the restoration.

2. New Jersey Family Leave Act

The district may deny family leave to the staff member if the staff member is a salaried employee who is among the highest paid five percent of the school
district staff or one of the seven highest paid employees of the district, whichever is greater, if the denial is necessary to prevent substantial and grievous economic injury to the school district's operations. The Director for Human Resources shall notify the staff member of the intent to deny the leave at the time the Director for Human Resources determines the denial is necessary. If the leave has already commenced at the time of the district's notification of denial, the staff member shall be permitted to return to work within ten working days of the date of notification.

K. Verification of Leave

1. Federal Family and Medical Leave Act (FMLA)

The Board requires a staff member's FMLA leave to care for the staff member's seriously ill spouse, son, daughter, or parent, or due to the staff member's own serious health condition that makes the staff member unable to perform one or more of the essential functions of the staff member's position, be supported by a certification issued by the health care provider of the staff member or the staff member's ill family member. The certification must meet the requirements of 29 CFR Section 825.306 to include: which part of the definition of "serious health condition" applies; the approximate date the serious health condition commenced and its probable duration; whether it will be necessary for the staff member to take intermittent and/or reduced leave; whether the patient is presently incapacitated and the likely duration and frequency of episodes of incapacity; if additional treatments will be required for the condition; and/or if the patient's incapacity will be intermittent or will require reduced leave. The certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement.

In the event the Director for Human Resources doubts the validity of the certification, in accordance with 29 CFR Section 825.307, the district may require, at the district's expense, the staff member obtain an opinion regarding the serious health condition from a second health care provider designated by the district, but not employed on a regular basis by the district. If the second opinion differs from the staff member's health care provider, the district may require, at the district's expense, the staff member obtain the opinion of a third health care provider designated by the district or approved jointly, in good faith, by the district and the staff member. The opinion of the third health care provider shall be final and binding on the district and the staff member.
The district may require re-certification pursuant to the requirements of 29 CFR Section 825.308. In accordance with 29 CFR Section 825.309, the staff member on leave must provide a written report to the Director for Human Resources every thirty workdays. The report shall include the staff member's status and intended date to return to work. In the event the staff member's circumstances change, the staff member must provide reasonable notice to the Director for Human Resources if the staff member intends to return to work on a date sooner than previously noticed to the district. The staff member is not required to take more leave than necessary to resolve the circumstance that precipitated the need for leave. As a condition of returning to work after the leave for the staff member’s own serious health condition, and in accordance with 29 CFR Section 825.310, the district requires a staff member to provide a certification from their health care provider that the staff member is able to resume work.

In accordance with 29 CFR Section 825.311, the district may delay the taking of FMLA leave to a staff member who fails to provide certification within fifteen days after being requested to do so by the district. In accordance with 29 CFR Section 825.312, the district may delay the taking of leave until thirty days after the date the staff member provides notice to the district of foreseeable leave or the district may delay continuation of leave if a staff member fails to provide a requested medical certification in a timely manner.

2. New Jersey Family Leave Act

The Board shall require the certification of a duly licensed health care provider verifying the purpose of requested NJFLA leave. Certification of a serious health condition of a family member of the staff member shall be sufficient if it states the date on which the condition commenced, the probable duration of the condition, and the medical facts within the provider's knowledge regarding the condition. Certification for the birth or placement of a child need only state the date of birth or date of placement, whichever is appropriate.

In the event the Director for Human Resources doubts the validity of the certification for the serious health condition of a family member of the staff member, the district may require, at the district’s expense, the staff member to obtain an opinion regarding the serious health condition from a second health care provider designated or approved, but not employed on a regular basis, by the district. If the second opinion differs from the certification the district may require, at the district’s expense, that the staff member obtain the opinion of a third health care provider designated or approved jointly by the district and the staff member concerning the serious health condition. The opinion of the third health care provider shall be final and binding on the district and the staff member.
L. Interference with Family Leave Rights

The Federal Family and Medical Leave Act and the New Jersey Family Leave Act prohibit interference with a staff member’s rights under the law, and with legal proceedings or inquiries relating to a staff member’s rights. Unless permitted by the law, no staff member shall be required to take family leave or to extend family leave beyond the time requested. A staff member shall not be discriminated against for having exercised his/her rights under the Federal Family and Medical Leave Act or the New Jersey Family Leave Act nor discouraged from the use of family leave.

M. Non-Tenured Teaching Staff

Family leave granted to a nontenured staff member cannot extend the employee’s employment beyond the expiration of his/her employment contract.

N. Record Keeping

In order that staff member’s entitlement to FMLA leave and NJFLA leave can be properly determined, the Director for Human Resources shall ensure the keeping of accurate attendance records that distinguish family leave from other kinds of leave. The Director for Human Resources will publish a notice explaining the Act's provisions and provide information concerning the procedures for filing complaints of violations of the FMLA and NJFLA.

Implementation of FMLA and NJFLA will be consistent with provisions in collective bargaining agreement(s) in the district.

**3431.3 NEW JERSEY’S FAMILY LEAVE INSURANCE PROGRAM**

Board of Education employees are eligible to apply for benefits under New Jersey’s Family Leave Insurance Program administered by the State of New Jersey – Department of Labor and Workforce Development. New Jersey’s Family Leave Insurance Program (NJFLI) may provide up to six weeks of Family leave insurance benefits payable to covered employees from either the New Jersey State Plan or an approved employer-provided private plan.

A benefit provided through the NJFLI will be for the employee to bond with a child during the first twelve months after the child’s birth, if the covered individual or the domestic partner or civil union partner of the covered individual is a biological parent of the child, or the first twelve months after the placement of the child for adoption with the covered individual. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI must provide the Superintendent of Schools written notice thirty calendar days prior to beginning the leave. Failure to provide this thirty-day notice may result in a reduction in the employee’s maximum family leave insurance benefits. Intermittent leave to bond with a newborn or newly adopted child must be agreed to by the Superintendent of Schools and the employee and, if agreed to, must be taken in periods of seven days or more.

A benefit provided through the NJFLI will also be to care for a family member with a serious health condition supported by a certification provided by a health care provider. An employee who intends to apply to the State of New Jersey for benefits under this provision of the NJFLI for consecutive leave must provide the school district reasonable and practical notice unless the time of the leave is unexpected or the time of the leave changes for unforeseen reasons. An employee who intends to apply for benefits under this provision of the NJFLI for intermittent leave must provide the school district with a written notice at least fifteen calendar days prior to beginning the leave.

For the purposes of this Policy, “family member” means a child, spouse, domestic partner, civil union partner, or parent of a covered individual. “Child” means a biological, adopted, or foster child, stepchild, or legal ward of a covered individual, child of a domestic partner of the covered individual, or child of a civil union partner of the covered individual, who is less than nineteen years of age or is nineteen years of age or older but incapable of self-care because of mental or physical impairment.

[Optional – An employee will be required to use (up to ten) workdays of earned vacation, personal, or other earned leave in connection with a period of paid leave from the NJFLI. In accordance with N.J.S.A. 18A:30-1, sick leave is only to be used for personal disability due to illness due to illness or injury and therefore may not be used for NJFLI purposes.]

All applications for benefits under the NJFLI must be filed directly with the State of New Jersey – Department of Labor and Workforce Development. The eligibility requirements, wage requirements, benefit duration and amounts, and benefit limitations shall be in accordance with the provisions of the NJFLI as administered by the State of New Jersey – Department of Labor.
New Jersey's Family Leave Insurance Program and Workforce Development. A formal appeal may be submitted to the State of New Jersey – Department of Labor and Workforce Development if an employee or the Board disagrees with a determination on a claim.

The NJFLI provides eligible individuals a monetary benefit and not a leave benefit. The school district administrative and related staff will comply with the State of New Jersey – Department of Labor and Workforce Development requests for information in accordance with the provisions of N.J.S.A. 12:21-3.9.

The Board may elect to provide employees with Family Leave Insurance benefits coverage under a private plan which must be approved by the State of New Jersey – Department of Labor and Workforce Development.

A printed notification of covered individuals’ right relative to the receipt of benefits under the NJFLI will be posted in each of the district’s worksites and in a place or places accessible to all employees at the worksite. Each employee shall receive a copy of this notification in writing at the time of the employee’s hiring, whenever the employee provides written notice to the Superintendent of their intention to apply for benefits under the NJFLI, or at any time upon the first request of the employee. The written notification may be transmitted to the employee in electronic form.

3432 **SICK LEAVE**

The Board of Education shall grant sick leave, in accordance with law, to teaching staff members absent from work because of personal disability or quarantine. Each steadily employed employee eligible for sick leave will be entitled annually to the number of paid sick leave days negotiated with the employee's majority representative or provided in this policy or in an individual contract with the Board.

The Board will consider requests for extension of sick leave benefits on a case-by-case basis.

29 U.S.C. 2601 et seq.

Adopted: 3 December 2008
A. Eligibility for Sick Leave

1. Each person steadily employed by this district will be paid in full, to the limit of his/her entitlement, for days on which the employee is absent from work because of:

   a. Personal disability due to the employee's illness or injury,

   b. The employee's exclusion from school by the school district's medical authorities on account of a contagious disease, or

   c. The employee’s having been quarantined for a contagious disease in his/her immediate household.

2. Whatever the claims of disability, no day of absence shall be considered to be a sick leave day on which the employee:

   a. Has engaged in or prepared for gainful employment with an employer other than the Board,

   b. Has participated in a concerted work stoppage, or

   c. Has engaged in any activity, vocational or avocational, that clearly refutes the employee’s claim of disability or quarantine.

B. Call in Procedures

1. An employee who anticipates a day of disability should make every reasonable effort to so notify the Building Principal no later than the day before the absence, to allow sufficient time for the securing of substitute services.

2. Notice of the disability should include a reasonable estimate of the duration of the disability.

3. An employee who becomes aware of his/her disability on the morning of the absence must call the Human Resources division at 973-615-3857 between the hours of 5:00 p.m. and 7:00 a.m.

4. An employee who becomes disabled during the school day must so inform the Principal as promptly as possible and request permission to leave the school premises.
5. In all instances, the employee himself/herself should call the Principal to report sick leave. An agent may be appointed to call in sick leave only when the employee is so incapacitated as to make a personal call inadvisable or impossible.

C. Sick Leave Charges

1. A sick leave absence commences when the absence is called in pursuant to paragraph B. An employee who leaves school early because of a disability will not be charged with a sick leave day provided the absence commences after the hour of 2:00 p.m.

2. A sick leave day once commenced may be reinstated as a working day only with the approval of the Director of Human Resources.

3. An employee absent on sick leave on a day when the school is closed early for emergency reasons will be charged with a full sick leave day.

4. An employee scheduled for a sick leave absence on a day on which the schools do not open because of an emergency (such as a snow day) will not be charged with a sick leave day.

D. Verification of Sick Leave

1. An employee absent for reasons of disability more than four consecutive working days in any one instance shall submit the signed statement of his/her physician indicating:
   a. The reason for the employee's absence, as personally known to the physician; and
   b. If the employee is not immediately returning to work, the anticipated duration of the employee's disability.

2. The Board may, at its discretion, require the employee to submit to examination by the school medical inspector or a physician designated by the school medical inspector.

3. If the results of the examination conducted pursuant to paragraph D2 are inconsistent with the statement of the employee's physician, the two examining physicians shall agree in good faith on a third physician, who shall examine the employee and whose medical opinion shall be conclusive and binding as to the employee's disability on days claimed for sick leave.
E. Readmission After Disability

1. An employee who wishes to return to work without restriction or after sick leave of more than four consecutive working days in any one instance shall submit the signed statement of his/her physician indicating the employee’s fitness to perform his/her duties. (i.e. exhibit #3432)

2. The Board may, at its discretion, require the employee to submit to examination by the school medical inspector or a physician designated by the school medical inspector.

3. If the results of the examination conducted pursuant to paragraph E2 are inconsistent with the statement of the employee’s physician, the two examining physicians shall agree in good faith on a third physician, who shall examine the employee and whose medical opinion shall be conclusive and binding as to the employee’s fitness to return to service.

F. Exhaustion of Sick Leave

1. The Director of Human Resources will monitor each employee’s sick leave bank and charge the employee’s bank of accumulated sick leave with sick leave days in accordance with Policy No. 3432 and this regulation.

2. When it is apparent that an employee on extended sick leave will utilize the last sick leave day to which he/she is entitled the Director of Human Resources will so inform the employee by written notice. The notice will include a statement of the employee’s right to request the Board for an extension of sick leave.

3. A request for the extension of sick leave should be submitted to the Director of Human Resources. The request must be accompanied by a physician’s signed statement setting forth the nature and anticipated duration of the employee’s disability.

4. An employee who anticipates an extended period of disability may apply to the Board for a disability leave of absence pursuant to Policy No. 3431.

5. Employees are reminded that sick leave extensions and disability leaves of absence are not entitlements and will be granted or denied by the Board on a case by case basis.

6. Employees will receive no compensation or benefits during an unpaid leave of absence, except the continuation of health insurance coverage for which the employee must recompense the district.
G. Accumulation of Sick Leave

1. Sick leave will be charged, first, to the sick leave newly available in the employee’s current contract year and, when that sick leave entitlement is exhausted, to the employee’s bank of accumulated sick leave.

2. At the beginning of each contract year, sick leave newly available but unused in the prior contract year will be carried forward and credited to a full-time employee’s bank of sick leave.

3. The unused sick leave of part-time employees will be accumulated on the basis of hours of work rather than days of work.

   a. When a part-time employee, continuously employed in the district, is employed full-time, his/her accumulated sick leave hours will be divided by the number of hours in a full working day, and the dividend will be multiplied by the number of days he/she worked each week as a part-time employee. The product will be divided by five, the number of days in a full-time week. The resulting number, rounded up to the next full day, represents the number of accrued sick leave days in the employee’s sick leave bank.

H. Records

1. The personnel file of each person employed by this district will include an accurate record of the employee’s attendance in accordance with Policy No. 3212.

2. Each employee’s attendance record will record the reason for any absence.

3. The attendance record will include the number of accumulated unused sick leave days in the employee’s sick leave bank.

Exhibit 3432

Procedures for Employees Returning to Work After an Absence or Leave

Employees who are absent for reasons of personal illnesses, accident or injury (after four or more consecutive days) must provide medical verification of their absence to their school or department. The District also has the right to require a medical statement after each day of absence.
The medical statement provided must include the following information:

1. Period of disability (specific dates).
2. Specific date for return to work.
3. Statement regarding limitation or restrictions, if any:
   (must be specific or state “none”)

The employee may also be required to provide written medical verification of the absences for any of the following reasons:

1. Excessive absences.
2. Absence pattern suggests an abuse of sick leave.
3. There is a question about the legitimacy of the reason(s) for the absences.
4. There is a question about the ability to perform the duties of the position or assignment.

The medical statement must be written on appropriate medical stationary (letterhead or an Rx note) and must be an original copy.

The employee must report to the Division of Human Resource Services for return-to-work clearance whenever a return after an accident, illness or injury (regardless of duration), if the medical statement has any limitation or restrictions. The employee can report to the Division of Human Resource Services without making an appointment and you will be seen by the Director of Human Resources or designee.

In addition, if the employee has been absent and are no longer entitled to pay, they must report to the Human Resource Office for clearance to return to work. This will project the employees’ entitlement to benefits and salary.

Finally, if the employee is returning from a pregnancy leave, child-rearing leave, Family Act Leave or any other Board approved leave (excluding professional leave), they must report to Human Resources for correct employment status.

No employee who has any restrictions or limitations will be permitted to return to work unless clearance is obtained from the Division of Human Resource Services. There will be no exceptions.
The above procedures apply to all employees and must be followed without exception. The district is obligated to permit the employee to resume their position and assignment but only if the employee is medically able to perform the duties and responsibilities of the position and assignment.

Issued: 3 December 2008
3433 VACATIONS

The Board of Education believes that the school district benefits when teaching staff members employed to work twelve months a year are given periodic relief from the responsibilities of their positions without loss of compensation.

The Board reserves the right to determine the conditions under which vacation time may be taken when not otherwise covered by the terms of a negotiated agreement or in an individual contract with the Board.

N.J.S.A. 18A:30-7

Adopted: 3 December 2008
ANTICIPATED DISABILITY

The Board of Education shall provide for leaves of absence, in accordance with law and the policies of this Board, for any employee of this district not covered by the terms of a negotiated agreement whose absence from duties will be required for a foreseeable event of disability such as childbirth or surgery.

An employee who anticipates disability shall so notify the Superintendent as soon as the employee is under medical supervision for the condition and a date is projected for the anticipated disability. Because of the potentially disabling nature of pregnancy and the certainty of temporary disability at birth, the Board will presume that a pregnant employee is disabled for work thirty days before the anticipated date of childbirth and continues to be disabled for thirty days after birth, except that any such employee who presents medical certification of her fitness may continue to work until she is actually disabled and may return to work as soon as she is able.

The Board reserves the right to require an employee who requests an extended leave of absence that includes anticipated disability to commence and/or terminate the leave at times that ensure continuity in the educational program in accordance with Policy No. 3431. No person who is required to take leave at a time other than that requested will be denied the use of sick leave for the anticipated disability that occurs or is presumed to occur during the leave.

An employee who anticipates a disability may request a leave of absence to commence before disability and to extend beyond the period of disability. Any such request shall be subject to Board discretion and the Board's policy on leave of absence. An employee on voluntary leave of absence is not eligible for sick leave pay for disability occurring during the period of that absence.

29 C.F.R. 1604-1 et seq.
N.J.S.A. 10:5-12

Adopted: 3 December 2008
3436 **PERSONAL LEAVE**

The Board of Education will provide compensated absence for reasons of personal necessity for teaching staff members not covered by the terms of a negotiated agreement or in an individual contract with the Board.

The Board reserves the right to determine the reasons for which personal leave will be granted, the number of days that may be used in any one school year for personal leave, and the manner of proof of personal necessity.

N.J.S.A. 18A:30-7

Adopted: 3 December 2008
The Board of Education recognizes that military service rendered by any district employee in the defense of the country or in maintaining preparedness for conflict, foreign or domestic, is a service benefiting all citizens. Any permanent or full-time officer and/or employee of the district will be provided military leave and related benefits pursuant to the Uniformed Services Employment and Reemployment Rights Act (USERRA), 38 U.S.C. Section 4301 et seq., P.L. 2001 Chapter 351 amending N.J.S.A. 38:23-1, N.J.S.A. 38A:1-1 and N.J.S.A. 38A:4-4., and any other applicable Federal and State laws.

A permanent or full-time temporary officer or employee of the school district who is a member of the organized militia of New Jersey (New Jersey National Guard, New Jersey Naval Militia Joint Command) shall be entitled, in addition to pay received, if any, to a leave of absence without loss of pay or time on all days in which he/she is engaged in any period of State or Federal active duty. **3439 JURY DUTY**

The Board of Education will indemnify any teaching staff member against loss of pay incurred by a call to jury duty. No such employee will be penalized in any way for an absence caused by service on a panel of grand or petit jurors. The time any such employee is absent on jury duty will not be charged against personal leave and will count as school district service.

Teaching staff members shall report a call to jury duty during the school term to the Principal or their immediate supervisor who shall determine whether or not a replacement is available. Teaching staff members scheduled for jury service during the school term for whom the administration indicates a replacement cannot reasonably be found shall seek from the Assignment Judge an excusal or deferment of service. Teaching staff members shall obtain from the Superintendent, or designee, a letter indicating the lack of availability of a substitute in such instances.

A teaching staff member who is a full-time teacher and is absent from school duties on jury duty for any court of New Jersey, any court of any other State, any federal district court, or in the U.S. District Court for New Jersey will receive their usual compensation from the school district for each day the teaching staff member is present for jury duty. In the event there is any jury duty compensation, excluding mileage and lodging, paid to the teaching staff member for their time on jury duty, the teaching staff member will be entitled to keep the jury duty compensation paid to him/her in addition to their school district paid usual compensation.

An employee summoned to jury duty shall promptly report the summons to his/her immediate supervisor. On return from jury duty, the employee must submit to his/her immediate supervisor a court record of the number of days served on jury duty.

While on jury duty, an employee must report daily to his/her supervisor the schedule for the following day.
