FOR IMMEDIATE RELEASE

SAT BOOT CAMP RETURNS TO NEWARK

High school students will have a second chance to gain the skills needed to improve their SAT score with an interactive academic boot camp

Newark, NJ – On Saturday, April 16, 2016, the Urban League of Essex County Young Professionals (ULECYP) will host their 2nd interactive academic boot camp to help high school students improve their SAT score. This preparation course is being offered as part of their College Access Initiative program and will be sponsored by the Institute of Music for Children.

ULECYP has been at the helm of organizing workshops geared towards college success that encourage and support local students. “The ULECYPs are committed to providing high quality outreach to its area youth, and their past success in preparing teens for college make them an ideal ally for our initiative. This partnership allows us to reach even more young people with much needed SAT prep,” stated Alysia Souder, Executive Director for the Institute

Overall, the College Access Initiative, which began in the fall of 2015, is aimed at increasing the number of students of color who attend college and ultimately graduate. “While preparing for college can feel like an emotional rollercoaster, our SAT Boot Camp is one way to help students feel confident, in control, and prepared for the challenges ahead,” said ULECYP Vice-President, Leon Hampton, who is spearheading the program. In addition, the Institute’s sponsorship of the S.A.T. Bootcamp is part of the Institute's college preparation initiative which is funded in part by the Office of Faith-Based Initiatives Social Innovations Grant.

All college-bound high school students in Essex County are encouraged to attend this FREE event. The SAT Boot Camp will take place on Saturday, April 16th from 10am – 3pm at The Waterfront, 2 Grafton Avenue, Newark, NJ 07104. Registration and check-in will begin at 9:30am.
