

Dear Parent,

We're excited to report that your child has access to digital content from Learning.com, even during the long days of summer. All of Learning.com's content is delivered online through a secure login, so your student can access assignments from home. All they need to do is log in.

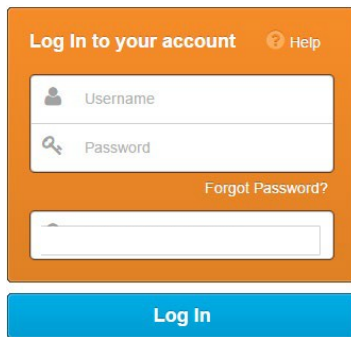

1. Go to login.learning.com
2. Enter the below information into the orange Log In box.
3. You will see the curriculum items your student's teacher has assigned.
 - Teacher Name _____
 - Student Name _____
 - Username _____
 - Password _____
 - District _____
