**Application Deadline: May 26, 2017 \* Notification of acceptance mailed June 5, 2017**

## PROGRAM DESCRIPTION

The Summer Arts Academy offers intensive daily instruction in the visual and performing arts through structured classes. Students are invited to enroll and participate in one of the four programs offered. Literacy and leadership skills will be enhanced through the course of study in each arts discipline.

**Classes are for East Orange School District students entering Grades 4-11 in September 2017. Enrollment is limited so get your application in early.**

## COURSES

### Dance

Students will focus on Dance Technique through the study of Ballet, Jazz and Modern Dance. They will also study the role and importance of dance in a historical context. Staff will determine placement of students.

### Instrumental Music: Harp, Strings, Woodwinds, Brass, Percussion, Piano

Students will study Performance Technique in various instrumental styles. Students who come into the program will be assigned an instrument based on previous instrumental studies and interests.

### Visual Arts

Students will work on painting and drawing technique. Students will have the opportunity to engage in special projects and portfolio development.

### Theater Arts

Students will study Acting and Performance Techniques and create their own original work. (Tech Theater & Set Design available to select students.)
