Dear Parent/Guardian of Secondary School Students and Emancipated Students:

The East Orange School District receives funds from the federal government under the *No Child Left Behind Act of 2001*. These funds are used in a variety of ways to provide additional help to students with academic needs. The law also requires that districts receiving these funds must, upon request, provide military recruiters, colleges, and universities, access to names, addresses and telephone numbers of secondary school students.

It is important for you to know that you may request that the district not release this information. If you would like to make such a request, please complete the following and return it to school or to the address below. The district must receive these forms by September 30, 2015.

East Orange School District
