Academy Information

Established in 1995, George Gervin Academy is a free public charter school that serves students in Pre-Kinder - 12th grade.

Our Ruth Jones McClendon Middle School

Serves students in grades 6th - 8th grade.

Students at George Gervin Academy

Meet or exceed state target scores for student achievement, student progress,

closing performance gap, and postsecondary readiness.

We are proud to have earned the 2013 accountability rating of

“Met Standard”

The highest rating possible.

Academy Athletics

With the founder of GGYC being a retired professional athlete, it's a good bet that athletics is an important part of our organization.

Athletics help youth build confidence and self-discipline as well as grow leadership skills.

Studies show that student-athletes also do better in school and learn

how to get along with others.

We encourage all eligible students to participate in after-school sports, which include basketball, soccer, track and volleyball.
