Important Note: All staff fees are one hour minimum. Staffing requirements will be determined by the school principal as per administrative regulation and/or special circumstances. Use of the theater and computer labs requires the presence of a district trained technician to supervise use of the equipment and facilities. A certified cafeteria staff is required for use of kitchen. When a custodian is called away from normally scheduled duties or is not normally on duty, the user organization will pay for the custodian's services @ \$25/hour. On Sundays and holidays, custodians are paid double time. **A minimum one hour charge for custodial is required for them for tasks such as set-up, clean up, and restroom maintenance.**
