Section I. ATTENDANCE POLICY

The educational program offered by this District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. Attendance shall be required of all students enrolled in the schools during the days and hours that the school is in session. In accordance with statute, the Superintendent shall require, from the parent of each student of compulsory school age or from an adult student who has been absent from school or from class for any reason, a written statement of the cause for such absence. The Board of Education reserves the right to verify such statements and to investigate the cause of each single absence or prolonged absence. Repeated infractions of Board policy on attendance may result in suspension or expulsion.

The Board considers the following factors to be reasonable excuses for time missed at school:

- A. Personal illness (a written physician's statement verifying the illness may be required)
- B. Illness in the family (the absence under this condition shall not apply to children under 14 years of age)
- C. Quarantine of the home
- D. Death in the family
- E. Necessary work at home due to absence or incapacity of parent(s)/guardian(s)
- F. Observation or celebration of a bona fide religious holiday
- G. Such good cause as may be acceptable to the Superintendent

A student will be considered habitually truant if the student is absent without a legitimate excuse for five (5) or more consecutive school days, for seven (7) or more school days in one (1) month, or twelve (12) or more school days in one (1) school year.

If a student is habitually truant and the student's parents have failed to cause the student's attendance, the Board authorizes the Superintendent to file a complaint with the judge of the juvenile court and/or to take any other appropriate intervention actions as set forth in the Board policy.

In order to address the attendance practices of a student who is habitually truant, the Board authorizes the Superintendent to take any of the following intervention actions: assign the student to a truancy intervention program; provide counseling to the student, request or require the student's parent to attend a parental involvement program; request or require a parent to attend a truancy prevention mediation program; notify the Registrar of Motor Vehicles of the student's absences; take appropriate legal action.

Any absence that results from a school sponsored or sanctioned activity (field trip) must be pre-approved by the student's classroom teacher or teachers. When a student is absent from school, the parent must notify the appropriate office no later than 8:30 A.M. that day. Parents who do not phone the school will receive a call from the office inquiring about the student's absence (missing child act). Parents must either phone in or send a note within 3 days, or the absence will be unexcused.

If a student is absent from school twelve (12) or more days in one school year, whether excused or unexcused absences, he/she may be considered habitually truant and he/she may be referred to the Juvenile Court. Reduction in absences may be granted for the following reasons: official written excuse for appointments with doctor, dentist, court, or driving test (one (1) day maximum); a written physician's statement verifying an illness; lice infestation treatment (two (2) day maximum); a death in the family and other reasonable excuses previously identified in the student code of conduct.

COLLEGE VISITATION AND EMPLOYMENT

An absence from school for the purpose of visiting, registering, or interviewing for any education institution or place of employment (job shadow) requires appropriate paperwork to be completed by the student prior to the visitation. Pre-arranged absence forms can be picked up in the office. Completed forms must be returned to the main office (5) five days prior to leave. The student is required to submit written verification of the visit from the institution upon return to school. Seniors will be permitted three (3) college visits and juniors will be permitted two (2).

EARLY RELEASE EXCUSES/ BUS TRANSFER SLIPS

Signed notes from parents and/or guardians for arranging bus changes and early releases from school must be brought to the office before the start of school. Notes brought in after 8:00 will be verified with the parent/and or guardian by telephone. If parental consent can not be obtained, the request may be denied.

EMERGENCY

If an emergency necessitates leaving school, the student shall report to the office. The student shall not make arrangements to leave school without the permission of the office.

MAKE-UP WORK

It is the responsibility of students who are absent for any reason to obtain their make-up work. Make-up work may consist of alternate written assignments designed to cover the classroom learning missed. Students are permitted one (1) day of make-up for every day missed. **A day's absence does not excuse a student from the responsibility of completing all assignments or tests on the day of his/her return.**

PARTICIPATION IN AFTER SCHOOL ACTIVITIES

To participate or attend practice or contest, students must be in attendance by 10:30 a.m. of the school day. The principal or athletic director may make exceptions. Students who do not provide the principal or athletic director with a valid doctor or legal excuse may be considered truant.

PERFECT ATTENDANCE POLICY

The term "perfect attendance" is defined as never missing a day of school, except for (and only for) school approved field trips (example: job shadowing, 8th grade field trip to D.C. and/or school approved college visits). Absences for doctor-certified illnesses or office visits, and family function (weddings/funeral etc.) are charged absences and therefore would prevent a student from having "perfect attendance."

VACATIONS

We recognize that circumstances may arise which would necessitate a student accompanying his/her parents on a vacation. Students are responsible for all make-up work. A day missed counts toward the total allowed for the grading period. Vacations include but are not limited to the following: parent vacations, OHSAA sponsored tournaments, hunting trips (proof of a valid hunting license is required). Vacations will be permitted up to five (5) days total length providing the following conditions are met:

1. A pre-arranged absence form must be received by the Principal five (5) days prior to the vacation.
2. A student may not have missed more than five (5) days of school in a given semester or have missed an accumulated ten (10) days of school total.
3. All class assignments must have been completed and turned in to the teacher prior to the start of the vacation. The teacher may make other arrangements if desired.
4. A student must be passing all of his/her subjects.

TARDINESS TO SCHOOL

Students arriving late to school, class or other assigned area are considered tardy. Whether excused or unexcused, students are to report to the school office and sign the attendance register, recording the time of arrival and reason for lateness. All tardies will be recorded on the permanent record and are accumulative. Excessive tardiness to school will result in disciplinary action. All students are to report to their first period classes by 7:30 A.M. **Students who elect to drive to school or parents who drive their children to school assume the responsibility of arriving at school on time.** Students will be permitted two (2) tardies to school. The only excused tardiness to school will be a written doctor excuse.

1 st tardy	Warning
2 nd tardy	Warning
3 rd tardy	One (1) detention
4 th tardy	Two (2) detentions
5 th tardy	One (1) day of Wednesday Detention
6 th tardy	One (1) day of Wednesday Detention
7 th tardy	Center assignment (1 day)
8 th tardy	Center assignment (2 day)
9 th tardy	Center assignment (2 day)
10 th tardy	Truancy papers are filed with the proper authorities.

Students driving to school may have their privileges suspended for a period of 20 days on the 6 (sixth) offense and be assigned to the center.

TARDINESS TO CLASS

Tardiness to a teacher's classroom will be handled by the teacher according to his/her classroom rules. After the third tardy to a teacher classroom, a student will be reported to the administration with a discipline referral.

Section II. STUDENT CODE OF CONDUCT

Parents are encouraged to carefully read the code and review it with their son or daughter. Under Ohio Law parents having custody of a minor under 18 years of age are liable for the student's willful damage to school or private property or the theft of such property. The Board of Education, or any other owner of property, can bring a civil action against the parents to recover compensatory damages.

The Western Reserve Local Board of Education recognizes the right of each student to receive an education. The Board further recognizes that the primary responsibility of the Western Reserve Local Schools and its professional staff is to provide all students access to equal educational opportunities and equal consideration under the rules and regulations governing student behavior. These opportunities provide experience which assists each student in becoming a responsible individual capable of fulfilling his or her role as a citizen. It is the responsibility of each student, parent, and citizen to understand that the school is a community governed by rules and regulations. The major purpose of these is not punitive control; rather, it is protection of the rights of those who wish to make full use of their educational opportunities. Those individuals enjoying the rights of education must accept the responsibilities of good citizenship. Students may forfeit their right to educational opportunities when their conduct is such that it disrupts the educational process, deprives others of their rights, or violates the law. The Board of Education acknowledges that deprivation of rights may only occur with just cause and by due process of the law.

The Board of Education also delegates to school officials the authority to enforce district policies and regulations and school rules governing pupil conduct. The Code of Conduct is in effect during the school day, anytime the student is on school property, at a school activity on or off school property, or on school transportation. The Board of Education delegates to school officials the right to use video cameras to enforce violations of the student code of conduct. An administrator may deal with student misconduct in a variety of ways, including but not limited to: counseling, parent involvement, detention, referral to school or other support personnel, loss of privileges, Wednesday Detention, placement in the Center for Student –Involved Learning, out of school suspension, and recommendation for expulsion. Examples of misconduct which might cause an administrator to initiate such action, are the following.

The penalties stated for each offense may be changed if deemed appropriate by the principal/assistant principal. Repeated violations of the student code of conduct may result in suspension or expulsion from school. Depending upon the severity, the administration may suspend or expel on any offense. Law enforcement may be contacted on any and all offenses.

EIGHTEEN (18) YEAR OLD STUDENTS

All students, eighteen (18) years of age or older will be treated the same as any other student concerning compliance with school rules, regulations and policies. This includes excuses for absences, disciplinary action and parental permission

/authorization forms. If a student has reached the age of eighteen (18), educational records will be sent to the student's parents without the written consent of the student, unless the student has established to the school that he/she is totally emancipated in accordance with Ohio Revised Code.

SCOPE OF JURISDICTION

This code of conduct is in effect while students are under the authority of school personnel or involved in any school activity. This includes but is not limited to school buses and property under the control of school authorities, and while at interscholastic competitions, extracurricular events, or other school activities or programs. In addition, this Code of Conduct includes misconduct by a student that occurs off school district property but is connected to activities or incidents that have occurred on school district property and misconduct by a student that, regardless of where it occurs, is directed at a district official or employee or the property of an official or employee.

1. Aiding or abetting violation of school rules: If a student assists another student in violating any school rule, both will be disciplined. Students are expected to resist peer pressure and exercise sound decision making regarding their behavior. (Refer to specific infraction)

2. Alcoholic beverages and drugs: A student shall not attempt to or use, abuse, possess, distribute, or sell alcohol, illegal and prescription drugs, any paraphernalia or look alike, or counterfeit drugs on school property or at any school sponsored function. In addition, it is unlawful to huff or inject substances that may cause physical/emotional harm. The student may be recommended for expulsion, a referral to the proper authorities, and a drug assessment.

1st Offense – Ten (10) days out of school suspension, it could be reduced to five (5) days with a drug assessment.

2nd Offense – Ten (10) days out of school suspension

3rd Offense – Ten (10) days out of school suspension

Arson or related offenses including but not limited to starting fires: A student shall not cause or attempt to cause the setting of fire or use any incendiary device (such as but not limited to fireworks). The principal or assistant principal may refer the student to the proper legal authorities.

4. Assault: A student shall not cause, threaten to cause, or participate in any act tending to cause physical or emotional injury to any other person, physically, verbally, in writing or otherwise. The proper legal authorities will be notified.

Depending on the severity the administration may on the first offense or any offense seek expulsion of the student.

1st Offense – at least three (3) days out of school suspension or five (5) days center assignment.

2nd Offense – Five (5) days out of school suspension

3rd Offense – Ten (10) days out of school suspension and recommendation for expulsion.

5. Bullying and other forms of aggressive behavior:

The Board of Education is committed to providing a safe, positive, productive, and nurturing educational environment for all of its students. The Board encourages the promotion of positive interpersonal relations between members of the school community. Harassment, intimidation, or bullying toward a student, whether by other students, staff, third parties, or within dating relationships is strictly prohibited and will not be tolerated. This prohibition includes aggressive behavior, physical, verbal, and psychological abuse. The Board of Education will not tolerate any gestures, comments, threats, or actions which cause or threaten to cause bodily harm or personal degradation. This policy applies to all activities in the District, including activities on school property or while enroute to or from school, and those occurring off school property if the student or employee is at any school-sponsored, school-approved or school-related activity or function, such as field trips or athletic events where students are under the school's control, in a school vehicle, or where an employee is engaged in school business.

This policy has been developed in consultation with parents, District employees, volunteers, students, and community members as prescribed in R.C. 3313.666 and the State Board of Education's Model Policy.

Harassment, intimidation, or bullying means any intentional written, verbal, graphic, or physical act that a student or group of students exhibits toward another particular student(s) more than once and the behavior both causes mental or physical harm to the other student(s) and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s).

Aggressive behavior is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student's educational, physical, or emotional well being. This type of behavior is a form of intimidation and harassment, although it need not be based on any of the legally protected characteristics, such as sex, race, color, national origin, marital status, or disability. It would include, but not be limited to, such behaviors as stalking, bullying/cyber bullying, intimidating, menacing, coercion, name-calling, taunting, making threats, and hazing.

Harassment, intimidation, or bullying also means electronically transmitted acts (i.e., internet, e-mail, cellular telephone, personal digital assistance (PDA), or

wireless hand-held device) that a student(s) or a group of students exhibits toward another particular student(s) more than once and the behavior both causes mental and physical harm to the other student and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student(s).

Any student or student's parent/guardian who believes s/he has been or is the victim of aggressive behavior should immediately report the situation to the building principal or assistant principal, or the Superintendent.

The student may also report concerns to teachers and other school staff who will be responsible for notifying the appropriate administrator or Board official. Complaints against the building principal should be filed with the Superintendent. Complaints against the Superintendent should be filed with the Board President.

Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports may be made to those identified above.

All complaints about aggressive behavior that may violate this policy shall be promptly investigated. The building principal or appropriate administrator shall prepare a written report of the investigation upon completion. Such report shall include findings of fact, a determination of whether acts of harassment, intimidation, and/or bullying were verified, and, when prohibited acts are verified, a recommendation for intervention, including disciplinary action shall be included in the report. Where appropriate, written witness statements shall be attached to the report.

If the investigation finds an instance of harassment, intimidation, and/or bullying has occurred, it will result in prompt and appropriate remedial and/or disciplinary action. Individuals may also be referred to law enforcement officials.

Retaliation against any person, who reports, is thought to have reported, files a complaint, or otherwise participates in an investigation or inquiry concerning allegations of aggressive behavior is prohibited and will not be tolerated. Such retaliation shall be considered a serious violation of Board policy and independent of whether a complaint is substantiated.

Suspected retaliation should be reported in the same manner as aggressive behavior. Making intentionally false reports about aggressive behavior for the purpose of getting someone in trouble is similarly prohibited and will not be tolerated. Retaliation and intentionally false reports may result in disciplinary action as indicated above.

If a student or other individual believes there has been aggressive behavior, regardless of whether it fits a particular definition, s/he should report it and allow the administration to determine the appropriate course of action.

This policy shall not be interpreted to infringe upon the First Amendment rights of students (i.e., to prohibit a reasoned and civil exchange of opinions, or debate, that is conducted at appropriate times and places during the school day and is protected by State or Federal law).

The complainant shall be notified of the findings of the investigation, and as appropriate, that remedial action has been taken. If after investigation, acts of bullying against a specific student are verified, the building principal or appropriate administrator shall notify the parent/guardian of the victim of such finding. In providing such notification care shall be taken to respect the statutory privacy rights of the perpetrator of such harassment, intimidation, and/or bullying.

If after investigation, act of harassment, intimidate and/or bullying by a specific student are verified, the building principal or appropriate administrator shall notify in writing the parent/guardian of the perpetrator of that finding. If disciplinary consequences are imposed against such student, a description of such discipline shall be included in the notification.

6. Chemical/Biological Threat or Release: A student shall not cause a disruption or obstruction to the school's operation by threat of the release or presence of any biological agent, hazardous substance, or poison, regardless of the circumstance of the threat. Because of the wide spread terror that such threats produce it will be deemed to be of the most serious nature and will be punished accordingly. Emergency removal of the student from school premises, as well as expulsion and permanent exclusion shall be considered as remedies for the punishment of such conduct. This will result in the loss of participation in any extracurricular school activities as well as the loss of the right to be on any school premises.

1st Offense – Ten (10) days out of school suspension with the recommendation of expulsion and referral to the Huron County Sheriff Department.

2nd Offense – Expulsion

2nd Offense: Wednesday detention

As a general guideline, dress and grooming that are not in accordance with reasonable standards of health, safety, modesty, and decency, and that are disruptive to the educational environment will be considered inappropriate. Clothing is to be neat and in good taste.

Clothing that carries slogans or pictures that may be considered in poor taste (alluding to sex, alcohol, tobacco, drugs, violence, profanity, etc) is prohibited. No oversize clothing, saggy or baggy pants, low necklines or midriff shirts. Tops and bottoms must overlap at all times, including when arms are raised. Sleeveless shirts will be permitted if they have a collar or mock turtleneck. All shirts must have

finished edges on the sleeves. Hair is to be clean and well groomed. Unnaturally colored hair that is distracting to the education process is not permitted. Examples of unnatural hair colors could include, but are not limited to, blue, green, red, purple, orange, etc.

The following apparel will not be allowed: yoga pants, outdoor apparel, halter-tops, half t-shirts, cutoffs, spandex, tank tops, and pajamas.

Students who violate the dress code will be asked to change clothes and will not be permitted to attend class, study hall or lunch until they are dressed in an acceptable manner. The absences from class will be unexcused. In addition, violators will be assigned a detention, and repeat violators will face more serious consequences.

1st Offense – warning and correction

2nd Offense – Wednesday Detention

3rd Offense – 1 day Center Assignment

12. Driving/Parking Lot Infractions: driving to school is a privilege, not a right. Driving may be suspended temporarily or permanently. 20. Hazing is any conduct or method of initiation into any student organization or team – including but not limited to whipping; beating; branding; forced consumption of any food, liquor, beverage, drug, or other substance; violation of the physical health or safety of any student or other person; or any other conduct that subjects such student or other person to substantial mental stress, including deprivation of sleep or rest or extended isolations – whether on public or private property, which willfully or recklessly causes or creates a substantial risk of causing the physical or mental health or harm to any student or another person.

This policy has been adopted by Western Reserve Board of Education to maintain a safe learning environment for students that is free from hazing of students and prohibits hazing at all times. Teachers, administrators, volunteers, contractors, and other district employees shall be alert to possible situations, circumstances, or events that may constitute hazing. Any such person who receives a report of, observes, or has other knowledge or belief of conduct that may constitute hazing shall inform the school principal immediately.

Teachers, coaches, administrators, volunteers, contractors, and other district employees shall not plan, direct, encourage, aid in, engage in, permit, condone, or tolerate hazing. This policy applies to behavior that occurs on or off school property and during and after school hours. Any person who believes her or she has been the victim of hazing or any person with knowledge or belief of conduct that may constitute hazing shall report the alleged acts immediately to the school principal, or the superintendent.

Students and staff may seek advice on matters related to the hazing policy without having to file a formal complaint. Students who feel they have been subjected to hazing should talk with the principal, teacher, coach, or advisor. Staff members approached by students shall counsel them on options available to them under this policy and are required to report the incident to the principal, or assistant principal. Staff members who have concerns about possible hazing behavior are encouraged to talk with the principal, teacher, coach or advisor. The district intends to use this informal reporting procedure to try to stop hazing, not to determine intent or blame. Upon receipt of a formal complaint or report of hazing, the school district shall undertake or authorize an investigation by school district officials or a third party designated by the school district. The investigation will be completed as soon as practicable and a report will be filed with the superintendent within fifteen (15) days of completion of the investigation. Students subject to suspension: A student must be given both written notice of his/her suspension and the reasons therefore and the opportunity to appear and respond to the charges against him/her prior to the suspension. The decision to suspend may be appealed to the superintendent or his/her designee. A student appealing a suspension is not readmitted to school pending his/her hearing unless specifically permitted by the superintendent.

Students subject to expulsion: A student and/or his/her parents or guardians must be given notice of the intention to expel and the reasons therefore, and an opportunity to appear and respond to the charges against him/her prior to his/her designee. A student appealing an expulsion is not readmitted to school pending his/her appeal hearing unless specifically permitted by the superintendent.
See board policy 5611

EHOVE DISCIPLINE ACTIONS

Any disciplinary actions assigned by the administrators of EHOVE to a student will be upheld by Western.

EMERGENCY REMOVAL

Emergency removal of a student by school authorities is permitted when that student's presence poses a continuing danger to persons or property or is an ongoing threat to the educational process either within the classroom or elsewhere on school premises. A teacher may initiate such emergency removal from curricular or extracurricular activities and may send or accompany the student to the office. The teacher must provide written reasons for such a removal. The principal or assistant principal may remove a student from the building immediately and temporarily waive the notice and hearing requirement. A hearing must be held within three (3) school days of the emergency removal of the student. Appeals of a removal may be submitted to, and will be conducted by the superintendent. Notice of the emergency removal shall be given within one (1) school day of the removal.

EXPULSION

Expulsion is a removal of a student for more than ten (10) days but not more than eighty (80) days. This may carry into the next semester or school year. The exception to the rule is when the student brings a gun or other dangerous weapon to school. In this case, expulsion may be up to one full calendar year. The student and his/her parent, guardian, or custodian will be given prior written notice of the intention to expel the student. The notice shall include the reason for the intended expulsion and notification of the opportunity of the pupil and his/her parent, guardian, custodian, or representative to appear before the Superintendent or his designee to challenge the reasons for the intended expulsion or otherwise to explain the student's action, together with notification of the time and place to appear.

Within 24 hours after the time of a student's expulsion or suspension, the Superintendent or Principal shall provide written notification of the suspension or expulsion to the parent, guardian, or custodian of the pupil, and the Treasurer of the

Board of Education. The notice shall include the reasons for the expulsion or suspension and notification of the rights of the pupil or his/her parent, guardian or custodian. If the student chooses to attend school at a community college, high school credit will not be given.

NPESC ALTERNATIVE ASSISTANCE SCHOOL

This program creates a structured and supportive educational setting for identified students and may be utilized as an alternative to expulsion.

POSITIVE INTERVENTION PROGRAM (PIP)

This program is for students for whom traditional discipline is ineffective. It offers alternatives to out of school suspensions including: community service, character education, various programs and resources to foster long term behavioral changes.

OUT OF SCHOOL SUSPENSION

During the period of suspension, students are excluded from classes and all school activities, and they are not permitted on school property. Students **will not** receive credit for their assignments.

SEARCH AND SEIZURE

The Board or its designee reserves the right to search the locker, desk, person, and personal property of a student on school grounds, in school vehicles or at any school activity when it is reasonably necessary for the maintenance of order, discipline and safety in the supervision and education of students. At the beginning of the school year, students will be informed that their lockers, desk, persons and personal belongings, including but not limited to purses, athletic bags, and articles of clothing in the locker are subject to search and seize for contraband, harmful or dangerous substances. Searches will be based upon reasonable suspicion. In determining whether there is reasonable suspicion, the following factors will be taken into consideration but not limited to: the age, history and school record of the student; the prevalence and seriousness of the problems; the need to avoid delay; and the reliability of the information on which suspicion is based. Also, if the odor is present of alcohol, drugs or tobacco, that will constitute cause. The Western Reserve School District, as part of its overall safety and security program, may from time to time during the school year request law enforcement agencies to assist the district in detecting the presence of illegal drugs and/or weapons in our school.

The district and/or law enforcement officials are authorized by the Board to use dogs trained in detecting the presence of drugs or weapons to patrol school facilities and premises. Such patrols may be random in nature.

Any time a dog alerts to a particular vehicle, locker or other container, it will be considered to create reasonable suspicion to search the vehicle, locker or other

container in accordance with established procedures. Dogs will not be used to search human beings.

Additionally, students have NO reasonable expectation of privacy in their actions in public areas including but not limited to, common areas, hallways, cafeterias, classrooms, and gymnasiums. The district may use video cameras in such areas and on all school vehicles transporting students to and from regular and extracurricular activities.

Anything that is found the course of a search may be used as evidence of a violation of school rules or the law, and may be taken, held or turned over to the law enforcement officers. The school reserves the right not to return items that have been confiscated.

If a student fails to serve the assigned Wednesday detention he/she will be assigned to the Center, driving privileges may be suspended for a period of twenty (20) days. Wednesday detentions may only be assigned by the assistant principal, athletic director, or principal.

There is no right of appeal from a Wednesday Detention.

Section III: GRADING

GRADING PHILOSOPHY

Western Reserve High School recognizes that a system of grading student achievement should help students, parents, and teachers to better assess a student's progress toward personal educational goals and assist the student in the implementation of the educational process. Western Reserve High School's system of measuring, grading, and recording a student's progress and achievement enables the student, parents, and teacher to identify a student's strengths/weaknesses. This system also develops educational plans for the student in the areas of his/her greatest potential for success.

ACADEMIC LETTERS

Minimum cumulative G.P.A. requirements:

Freshman	3.9	Sophomore	3.8
Junior	3.7	Senior	3.6

ATHLETIC ELIGIBILITY

Athletes in grades 9-12 must maintain a 1.75 G.P.A. and receive passing grades in a minimum of five, one credit courses or the equivalent, which count toward graduation. Middle school students with two (2) F's are ineligible. Please see athletic code of conduct for additional information. Grades are checked every three weeks.

CLASS SCHEDULES

Once the school year begins, students are not permitted to change schedules or drop subjects without permission of the school counselor and the principal. All students had the opportunity to preview their schedule and make changes prior to the start of the school year. Changes in the student's schedule can be made under the following conditions only:

1. Those requested by the school counselor because of failures or lack of credit.
2. Students may add courses to their schedule.

GRADING PERIODS

A+	4.33	B+	3.33	C+	2.33	D+	1.33
A	4.00	B	3.00	C	2.00	D	1.00
A-	3.67	B-	2.67	C-	1.67	D-	.67

GRADING SCALE

100	A+	82 – 80	B-	69 – 68	D+
99 – 94	A	79 – 78	C+	67 – 63	D
93 – 90	A-	77 - 73	C	62 – 60	D-
89 – 88	B+	72 – 70	C-	59 – 0	F
87 – 83	B				

Middle school quarters 1, 2, 3, and 4 each count as 25% of the year's total grade.

High school grades are by semester. Semesters are distinct grades with no influence on one another. Students who fail one semester will be required to make up that ½ credit.

Quarter One (40%) plus quarter two (40%) plus exam (20%) equals one semester.
Quarter three (40%) plus quarter four (40%) plus exam (20%) equals semester two total.

Students who desire to participate in an independent study course must meet with a committee consisting of the principal, counselor, supervising staff member, student, and parent to develop an educational plan. The plan will include assessments and projects to be completed for a grade. All independent study plans must be completed by the end of the 2nd full week of the semester. Section IV: ACCEPTABLE USE AND INTERNET SAFETY

POLICY FOR THE COMPUTER NETWORK OF THE WESTERN RESERVE SCHOOL DISTRICT

The Western Reserve Local School District is pleased to make available to students access to interconnected computer systems within the Western Reserve Local School District and to the Internet, the worldwide network that provides various means of accessing significant educational materials and opportunities. In order for the Western Reserve School District to be able to continue to make its computer network and Internet access available, all students must take responsibility for appropriate and lawful use of this access. Students must understand that one student's misuse of the network and Internet access may jeopardize the ability of all students to enjoy such access. While the Western Reserve teachers and other Staff will make reasonable efforts to supervise student use of network and Internet access, they must have student cooperation in exercising and promoting responsible use of this access.

Below is the Acceptable Use and Internet Safety Policy (referred in this document as Policy) of the Western Reserve School District and Northern Ohio Educational Computer Association (NOECA), the Data Acquisition Site that provides Internet access to the School District. Upon reviewing, signing, and returning this policy as students have been directed, each student will be given the opportunity to enjoy Internet access at Western Reserve Schools and is agreeing to follow the Policy. In addition to the student signing the policy, if a student is under 18 years of age, he or she must have his or her parents or guardians read and sign the Policy. The Western Reserve School District cannot provide access to any student who fails to sign and submit the Policy to the School as directed.

Listed below are the provisions of your agreement regarding computer network and Internet use. If you have any questions about these provisions, you should contact the person that your School has designated as the one to whom you can direct your questions. If any user violates this Policy, the student's access will be denied, if not already provided, or withdrawn, and he or she may be subject to additional disciplinary action.

I. PERSONAL RESPONSIBILITY

By signing this Policy, you are agreeing not only to follow the rules in this Policy, but are agreeing to report any misuse of the network to the person designated by the School for such reporting. Misuse means any violations of this Policy or any other use that is not included in the Policy, but has the effect of harming another or his or her property.

II. TERM OF THE PERMITTED USE

A student who submits to the School, as directed, a properly signed Policy and follows the Policy to which she or he has agreed will have computer network and Internet access during the course of the school year only. Students will be asked to sign a new Policy each year during which they are students in the Western Reserve School District.

III. ACCEPTABLE USES

A. Educational Purposes Only. The Western Reserve School District is providing access to its computer networks and the Internet for *only* educational purposes. If you have any doubt about whether a contemplated activity is educational, you may consult with the person(s) designated by the School to help you decide if a use is appropriate.

B. Unacceptable Uses of Network. Among the uses that are considered unacceptable and which constitute a violation of this Policy are the following:

1. Uses that violate the law or encourage others to violate the law. Don't transmit offensive or harassing messages; offer for sale or use any substance the possession or use of which is prohibited by the Western Reserve School District's Student Discipline Policy; view, transmit or download pornographic materials or materials that encourage others to violate the law; intrude into the networks or computers of others; or download or transmit confidential, trade secret information, or copyrighted materials. Even if materials on the networks are not marked with the copyright symbol, you should assume that all materials are protected unless there is explicit permission on the materials to use them.
2. Uses that cause harm to others or damage to their property. For example, don't engage in defamation (harming another's reputation by lies); employ another's password or some other user identifier that misleads message recipients into believing that someone other than you is communicating or otherwise using his/her access to the network or the Internet; upload a worm, virus, "Trojan horse," "time bomb" or other harmful form of programming or vandalism; or participate in "hacking" activities or any form of unauthorized access to other computers, networks, or information systems.
3. Uses that jeopardize the security of student access and of the computer network or other networks on the Internet. For example, don't disclose or share your password with others; don't impersonate another user.
4. Uses that are commercial transactions. Students and other users may not sell or buy anything over the Internet. You should not give others private information about you or others, including credit card numbers and social security numbers.

C. Netiquette. All users must abide by rules of network etiquette, which include:

1. Be polite. Use appropriate language. No swearing, vulgarities, suggestive, obscene, belligerent, or threatening language.
2. Avoid language and uses which may be offensive to other users. Don't use access to make, distribute, or redistribute jokes, stories, or other material which is based upon slurs or stereotypes relating to race, gender, ethnicity, nationality, religion, or sexual orientation.

3. Don't assume that a sender of e-mail is giving his or her permission for you to forward or redistribute the message to third parties or to give his/her e-mail address to third parties. This should only be done with permission or when you know that the individual would have no objection.

4. Be considerate when sending attachments with e-mail (where this is permitted). Be sure that the file is not too large to be accommodated by the recipient's system and is in a format which the recipient can open.

IV. INTERNET SAFETY

A. General Warning and Individual Responsibility of Parents and Users. All users and their parents/guardians are advised that access to the electronic network may include the potential for access to materials inappropriate for school-aged pupils. Every user must take responsibility for his or her use of the computer network and Internet and stay away from these sites. Parents of minors are the best guide to materials to shun. If a student finds that other users are visiting offensive or harmful sites, he or she should report such use to the person designated by the School.

B. Personal Safety. Be safe. In using the computer network and Internet, do not reveal personal information such as your home address or telephone number. Do not use your real last name or any other information which might allow a person to locate you without first obtaining the permission of a supervising teacher. Do not arrange a face-to-face meeting with someone you "meet" on the computer network or Internet without your parent's permission (if you are under 18). Regardless of your age, you should never agree to meet a person you have only communicated with on the Internet in a secluded place or in a private setting.

C. "Hacking" and Other Illegal Activities. It is a violation of this Policy to use the Western Reserve School's computer network or the Internet to gain unauthorized access to other computers or computer systems, or to attempt to gain such unauthorized access. Any use which violates state or federal law relating to copyright, trade secrets, the distribution of obscene or pornographic materials, or which violates any other applicable law or municipal ordinance, is strictly prohibited.

D. Confidentiality of Student Information. Personally identifiable information concerning students may not be disclosed or used in any way on the Internet without the permission of a parent or guardian or, if the student is 18 or over, the permission of the student himself/herself. Users should never give out private or confidential information about themselves or others on the Internet, particularly credit card numbers and Social Security numbers. A supervising teacher or administrator may authorize the release of directory information, as defined by Ohio law, for internal administrative purposes or approved educational projects and activities.

E. Active Restriction Measures. The Western Reserve School, either by itself or in combination with NOECA, the Data Acquisition Site providing Internet access, will utilize filtering software or other technologies to prevent students from accessing visual depictions that are (1) obscene, (2) child pornography, or (3) harmful to minors. The Western Reserve School will also monitor the online

activities of students, through direct observation and/or technological means, to ensure that students are not accessing such depictions or any other material which is inappropriate for minors. Internet filtering software or other technology-based protection systems may be disabled by a supervising teacher or school administrator, as necessary, for purposes of bona fide research or other educational projects being conducted by students age 17 and older. The term “harmful to minors” is defined by the Communications Act of 1934 (47 USC Section 254 [h][7]), as meaning any picture, image, graphic image file, or other visual depiction that taken as a whole and with respect to minors, appeals to a prurient interest in nudity, sex, or excretion;-depicts, describes, or represents, in a patently offensive way with respect to what is suitable for minors, an actual or simulated sexual act or sexual contact, actual or simulated normal or perverted sexual acts, or a lewd exhibition of the genitals; taken as a whole, lacks serious literary, artistic, political, or scientific value as to minors

V. PRIVACY

Network and Internet access is provided as a tool for your education. The Western Reserve School District reserves the right to monitor, inspect, copy, review and store at any time and without prior notice any and all usage of the computer network and Internet access and any and all information transmitted or received in connection with such usage. All such information files shall be and remain the property of the Western Reserve School District and no user shall have any expectation of privacy regarding such material.

VI. FAILURE TO FOLLOW POLICY

A user violates this Policy by his or her own action or by failing to report any violations by other users that come to the attention of the user. Further, a user violates this Policy if he or she permits another to use his or her account or password to access the computer network and Internet, including any user whose access has been denied or terminated. The Western Reserve School District may take disciplinary action in such circumstances.

VII. WARRANTIES/INDEMNIFICATION

The Western Reserve School District makes no warranties of any kind, either express or implied, in connection with its provision of access to and use of its computer networks and the Internet provided under this Policy. It shall not be responsible for any claims, losses, damages or costs (including attorney's fees) of any kind suffered, directly or indirectly, by any user or his or her parent(s) or guardian(s) arising out of the user's use of its computer networks or the Internet under this Policy. By signing this Policy, users are taking full responsibility for his or her use, and the user who is 18 or older or, in the case of a user under 18, the parent(s) or guardian(s) are agreeing to indemnify and hold the School, the Western Reserve School District, the Data Acquisition Site that provides the computer and Internet access opportunity to the Western Reserve School District and all of their administrators, teachers, and staff harmless from any and all loss, costs, claims or damages resulting from the user's access to its computer network

and the Internet, including but not limited to any fees or charges incurred through purchases of goods or services by the user. The user or, if the user is a minor, the user's parent(s) or guardian(s) agree to cooperate with the School in the event of the School's initiating an investigation of a user's use of his or her access to its computer network and the Internet, whether that use is on a School computer or on another computer outside the Western Reserve School District's network.

VIII. UPDATES

Users, and if appropriate, the user's parents/guardians, may be asked from time to time to provide new or additional registration and account information or to sign a new Policy, for example, to reflect developments in the law or technology. Such information must be provided by the user (or his/her parents or guardian) or such new Policy must be signed if the user wishes to continue to receive service. If after you have provided your account information, some or all of the information changes, you must notify the person designated by the School to receive such information.

ADDENDUM

I. WEB PAGES

A. District Web Page. A Western Reserve Local School District web page will be designed with links to pages for each of the buildings and various school organizations. The contents of these pages will be coordinated through and subject to the approval of the Western Reserve Local School District Technology Committee. The District page and all its branches will be housed on NOECA's server according to their guidelines and agreement. The actual posting of the site and any subsequent alterations will be the responsibility of the District Technology Coordinator or a designated staff member. No student, teacher, administrator, or other staff member's name or picture will be used on the District web page or any attached page without the person's (or parents) written permission on file with the Technology Committee.

B. Personal Web Pages. The Western Reserve Local School District web page will not include any links to personal web pages of students, staff, or anyone else. No personal opinions will be expressed on any of the district, building, or organization pages. No personal web pages for students or staff members will be hosted on the NOECA web server. Personal web pages are defined as those that contain personal information, opinions, views and hobbies. Individual web pages pertaining to class projects, activities and dissemination of information are permitted but must be reviewed and approved by the District Technology Committee. Additionally, no student or staff member may include any reference to the Western Reserve Local School District or any of its teachers or employees on their personal web pages without written permission, whether the page was created from a school computer or a personal/home computer.

II. E-MAIL ACCOUNTS

The only approved e-mail accounts are those set up through NOECA. Use of any private, third party e-mail, free e-mail (such as HOT MAIL) or any other web-

based mail is not permitted. An individual e-mail account may be provided to Western Reserve High School students under special circumstances and at the request of a sponsoring faculty member. Students will complete the appropriate application process by signing the E-mail Access Agreement and obtaining signatures of a faculty sponsor and a parent (if under age 18). E-mail accounts for Elementary and Middle School students will be provided only on a classroom basis at the request of the teacher. Any student requesting use of either an individual or classroom e-mail account must first have the appropriate Internet access forms signed and on file in the school. Those students under age 18 must also have the signature of their parents/guardians on all forms.

III. CLASS TIME USE

Any unauthorized Internet use by students during class time will be subject to the action outlined in The Acceptable Use and Internet Safety Policy, Section VI: Failure to Follow Policy and Breach of Agreement. Unauthorized Internet use being defined as any use which the classroom teacher has not explicitly approved. Within a classroom, it is the teacher's decision whether or not and when students may use the classroom computer(s) for Internet access. Classroom access should be for educational purposes related to the class in session. Only students who have the appropriate user and/or parent agreements signed may use the Internet on a school computer. Teachers are encouraged to incorporate student use into their curriculum and must ensure that the appropriate paperwork has been completed.

IV. GAMES AND MUSIC

Certain on-line activities require an excessive amount of bandwidth and storage space. Bandwidth refers to the size of the "pipeline" connecting us to NOECA and NOECA to the Internet. Storage space refers to space on the local computer hard drives and server space allotted to individual users. To expand either item results in additional costs to the Western Reserve Local School District. To keep the costs in line with educational activities, the following guidelines are in place regarding games and music. The filtering system monitored by NOECA is set to block inappropriate gaming sites and audio streaming websites. Games (other than educational games provided by the classroom teacher or the Western Reserve Local School District) are prohibited from being installed, downloaded, or played on any computer workstation or server in the Western Reserve Local School District. Downloading of music from the Internet onto a computer workstation, server or removable media (i.e., CDROM, flash drive) in the Western Reserve Local School District is prohibited unless part of a class related project and approved by the teacher. Audio streaming from the Internet of online radio stations or music sites is prohibited.

Section V: GENERAL INFORMATION

DRUG AND ALCOHOL AWARENESS FOR ATHLETIC PROGRAMS, EXTRACURRICULAR ACTIVITIES, AND STUDENT DRIVERS

The purpose of this policy is to create an alcohol and drug-free setting for all students and District employees. It is the belief of the Western Reserve School District that participation in any interscholastic athletics, extracurricular activities or seeking permission and use of District facilities to park a personal vehicle is a privilege, not a right. Students who volunteer to participate in these programs are expected to accept the responsibilities granted to them by this privilege.

These students as well as their parents or legal guardians must also realize that because of their choice to participate in these activities, they have a lesser expectation of privacy than do other students. At the beginning of the school year and of each sport season or extracurricular activity or when a student moves into District and joins any of the following, all students wishing to purchase a parking permit, wishing to participate in that season's sports or participate in an extracurricular activity will be subject to random urine testing for illicit or banned substances as specified below. The school district will pay for the cost of the random urine testing. Once the student has entered the program they remain in the program for 365 days or until a parent or guardian chooses to have them removed. If the student is removed from the program they are not eligible to participate in any programs covered by this policy until the next school year.

Student Athlete/Cheerleader: any student participating in grades 7 to 12 athletic or cheerleading practices and/or contests or performances under the control and jurisdiction of the District, including managers, student trainers, etc.

Student Driver: Any student with a valid license recognized by the state of Ohio who has formally requested a parking permit via the District approved process.

School Property: This policy covers all locations under the jurisdiction of the Western Reserve School District including away events in or out of the state of Ohio.

Extracurricular Activity: Any non-academic school sanctioned activity in which the student voluntarily participates. Participants in these programs are not graded academically for these programs.

Up to 20% of eligible student athletes, student participants in extra curricular activities or student drivers will be randomly tested on a periodic basis any time during the school year. Any student who refuses to submit to urine drug testing will not be allowed to practice or participate in athletics, not allowed to participate in any extracurricular activities and will be refused driving privileges in the Western Reserve School District until the student agrees to do so. The entire drug policy including consequences, definitions, procedure and frequency may be viewed upon request.

EXTRACURRICULAR ACTIVITIES

Students may organize associations or groups within the school for political, social, athletic, and other lawful purposes. No group or association may deny membership to any student because of race, sex, disability, color, religion, or nationality. All extra-curricular activities must have a faculty advisor and present to the principal upon request, a complete membership list, a statement of purposes, and a plan for money collection and use of funds. The affiliation of any extra-curricular group or association with any out of school association must be disclosed. No group or association may affiliate with any out of school group that advocates the use of violence or force to accomplish its end or advocates the forceful overthrowing of government. Co-curricular activities such as band, choir, FCCLA, and F.F.A take precedence over extracurricular activities. In addition, no extra-curricular group or association may affiliate with a fraternity, or sorority, or with an out of school association that is formed for unlawful purposes. The administration or faculty advisor may ban any event, program, project, or activity of these associations and groups if such an event would clearly and imminently threaten the safety, health or the education of students. Class officers and Student Council members must be in attendance at least 50% of the regular school day at WRHS to hold an office.

To participate in a practice or contest, students must be attendance by 10:30 a.m. of the school day to participate. The principal or athletic director may make exceptions.

FIELD TRIPS

The following policies shall govern all school trips:

1. Parental permission slips must be completed and emergency medical forms must be obtained from the office.
2. All school rules must be followed.
3. Faculty members are in complete charge of all students.
4. Administration may deny attendance on a field trip if the student is deemed to have unacceptable grades, behavior, or attendance.
5. Make up work is to be submitted upon return.
6. At times it may be necessary to charge a fee for the trip.

FIRE, TORNADO, AND SCHOOL SAFETY DRILLS

Fire and/or tornado drills are conducted to help prevent injuries and deaths during an emergency. During a fire drill students should walk, not run, along the route posted in each room. In case of a tornado drill instructions should be followed that are posted in each classroom. It is necessary for students to remain quiet during the drills in order to hear emergency instructions. When outside the building, move approximately 150 feet away from the building and keep walks and driveways clear for emergency traffic.

HANDBOOK

This handbook is to be used as your hall pass for outside the classroom. The staff member releasing you from class must sign your book. You are responsible for this

handbook. Do not remove the cover or name tag or deface the agenda. If this book is lost or stolen, you must replace it. The cost to replace is \$5.00.

ILLNESS

Students who become ill at school will be asked to call their parents/and or guardians and the ill student will be released from school. The parent and/or guardian must sign the student out in the office. If a parent/and or guardian cannot be reached, students will only be released to others listed on the student's emergency medical form.

INSURANCE

A company selected each year by the Board of Education provides accident insurance through the school. Applications to purchase insurance are available in the office. Students who participate in inter-scholastic sports must purchase this insurance if they do not have full coverage through some family-covered program.

LIBRARY

The library is available for research, browsing, finding a suitable book, and leisure reading. Students must report to study hall for attendance, then secure a library pass. Students are to arrive promptly and remain the entire period. Because of the importance of library work, students disturbing the quiet atmosphere or violating library rules may lose library privileges. Each student is responsible for all items checked out on his/her library account and for all fines and fees incurred. Most library materials check out for two weeks and may be renewed. A five (5) cent fine is charged for each school day past the item's due date. Fines will be waived if the item is returned within five (5) school days of the due date.

Library privileges will be suspended until overdue materials are returned and such fine is paid or the cost of lost materials is received. Fees may be assessed for damage to materials beyond reasonable wear. Grade cards will be held until accounts are cleared.

LOCKERS

Lockers are loaned to students for and are the property of the Board of Education and therefore may be entered by the administration at any time. Students who must stay after school are to take coats and books with them because sections of the building may be closed. Keep lockers locked at all times.

Students should not disclose combinations to anyone. Sharing lockers is strongly discouraged. It is recommended that items of value not be stored in lockers.

The Board of Education does not provide insurance or assume responsibility for items missing or stolen. Book bags will not be permitted in classrooms or cafeteria; they must be kept in lockers.

LOST AND FOUND

All lost and found articles should be turned in to the office. Unclaimed articles will be sent to a charitable organization.

MEDICATION

The total responsibility for dispensing or administering any medication, rest solely with the parent(s) and their child. A form must be signed by a physician and on file in the office before medication will be dispensed. Non-prescription drugs will not be administered by school personnel unless form is on file. Parents/and or guardians may bring and administer the non-prescription or prescription drugs to their son/and or daughter as needed.

MODEL CIVILITY POLICY

Preamble: The purpose of this policy is to provide rules of conduct for parents, other visitors to schools and school district employees. It is the intent of the school board to promote mutual respect, civility and orderly conduct among district employees, parents and the public. It is not the intent of the school board to deprive any person of his or her right to freedom of expression. The intent of this policy is to maintain, to the greatest extent reasonably possible, a safe, harassment-free workplace for teachers, students, administrators, other staff, parents and other members of the community. In the interest of presenting teachers and other employees as positive role models, the school board encourages positive communication and discourages disruptive, volatile, hostile or aggressive communications or actions.

A waiver form is available through the Board of Education office. To set up payment arrangements suitable for both parties, contact the main office. Seniors be advised all fees K-12 must be paid prior to graduation or participation in graduation ceremonies will be denied and transcripts and diploma will be withheld.

SECURITY OF PERSONAL PROPERTY

Theft may occur at school as it does elsewhere; however, by applying preventive measures it can be kept minimal. It is advisable that students not have large sums of money in possession; share hall or physical education lockers; leave any locker unlocked; leave valuables, purses, books, etc., unattended in the cafeteria, restrooms, etc. Once a theft does occur, recovery of stolen items is very difficult. Without eyewitnesses or positive evidence, it is next to impossible. Remember to apply preventive measures and use common sense.
