Title III Board Report on EL Students: Mr. Reagan reviewed the EL 2016 Spring Report for the 2014-2015 School Year. He indicated the following changes that occurred this school year:

- There were 45 more English Learner students than the previous year
- 318 English Learner students progressed out of the English Learner Program

Mr. Reagan then pointed out the number of English Learner students for each grade and performance level of the California English Language Development Test (CELDT) given in the fall of 2014.

LCFF-LCAP- Title III Funding Proposal: Mr. Reagan showed a PowerPoint presentation on the proposed Local Control Accountability Plan (LCAP) increase in actions and services for the 2016-2017 school year. He discussed the goals and the additional actions proposed to meet each goal. He emphasized that next year there will be funding available to assist parents with fingerprinting cost. Mr. Reagan encouraged the parents to visit the District's website and leave comments on the LCAP / SC funding.

Parent Input and Comments: A parent asked if her son needed to be in an ELD class even if his teacher doesn't recommend he is placed in one. Mr. Reagan informed the parent he does not have to be in an SEI class because these classes will only include students who score Beginner, Early Intermediate or low Intermediate on the CELDT. A parent also has the right to request a parent waiver if they wish.
