## Mrs. Hunt

**How long have you been a teacher?**

I have been teaching since 1998.

**How long have you been an MV Wildcat?**

I have been at MV since it opened. The students that I worked with at Mission Valley that year are now juniors in high school.

**What is your all-time favorite book?**

I have many favorite books, but the book I like to read best at school is By the Great Horn Spoon by Sid Fleischman.

**What is your personal motto?**

"Tomorrow is a new day."

**If you could have one superpower, what would it be and why?**

To read minds (especially the minds of students).

**What is your favorite MV memory so far?**

My favorite MV memory by far is the very first day that the school opened with students. It was wonderful seeing the excitement from the parents, students, and teachers.

**Did anything or anyone inspire you to become a teacher?**

My mother-in-law inspired me to teach. She spoke four different languages and was a wonderful teacher herself.

**What was your first job?**

My first job was a lifeguard at the waterslides in Tulare.

**Is there anything else you would like to share?**

I was born and raised in the city of Tulare. I went to Wilson, Cherry Avenue, and Tulare Union. When I started working in Tulare, I worked with several teachers that were my teachers in school.
