

Community Involvement

American Heart Association - Jump Rope for Heart Jump-a-thon

Every year students raise funds for the American Heart Association. In return, the students receive prizes from the AHA. Every student on campus then participates in the school Jump-A-Thon to raise awareness about healthy living choices. We have a lot of parent volunteers who also come out and help. It is a lot of fun and we urge you to join us in this event.

Lighthouse Rescue Mission - Coins for Caring

Alpine Vista School, along with other Tulare City Schools, collects change donations from students and families. All the donations benefit the Lighthouse Rescue Mission in Tulare. We appreciate our students efforts as it benefits our own families in our community.

Penny Wars

During the school year, students and staff participate in raising money for student council through penny wars. Each classroom has a bin for collection. For one week, students bring in money to help with our student council funds. What do we do with the money??? This year we managed to have an end of the year Eagle Extravaganza with lots of fun events all over the school. We are also having an assembly for Red Ribbon Week and an assembly to bring awareness through caring for one another called Rachel's Challenge.

Tulare Masonic Lodge - Canned Food Drive

Collaborating with the Tulare Masonic Lodge, our students and their families bring in canned foods for local agencies in need. This event happens in the winter months, normally in conjunction with the holidays. This year we had so many cans they said it was the most collected! Way to go Eagles.

Tulare Police Department - Toys for Tots

During the month of December, students and staff can drop off new, unwrapped toys in the office. The office has a bin for collection and the Tulare Police Department picks up all donations. These toy donations go to needy families in the area for Christmas gifts.

United for Good

In conjunction with every elementary school in the Tulare City School District, students help others in need. Students can also purchase t-shirts and bracelets to support this cause. We have built classrooms in other countries and helped with educational needs. I wonder what our adventure to help others will be this year?
