

United for Good

In November, Kohn School teamed up with elementary schools throughout the city of Tulare to gather donation supplies for American soldiers. Students brought donations of socks, toothbrushes, and toothpaste to send overseas.

Coins for Caring

Kohn School has a yearly coin drive to support Tulare's Light House Rescue Mission. Each year we raise several hundred dollars to donate to the outreach needs of women in our community.

Canned Food Drive

Each year Kohn students donate hundreds of non-perishable food items to Tulare Emergency Aide to help families in need.

Toys for Tots

Each Year Kohn School joins forces with Tulare Police Department to donate toys to less fortunate children right before the holidays. Each year we fill up a barrel located in the office with new, unwrapped toys to be donated to those less fortunate around the holidays.
