

Wilson Elementary School

Home of the Warriors Since 1920

Community Involvement

Members of the Warrior Nation are committed to assisting individuals and charitable organizations throughout our community. Guided by the “Golden Rule,” both students and staff are active participants in positive community involvement.

Warriors Working to Keep America Beautiful – Using the mission of ***Keep America Beautiful*** to serve as our guidepost, members of the Warrior Nation take responsibility for improving their community’s environment. Led by Student Body Council and supported by our PTO, Wilson School hosts two recycling days in order to further educate members of our school community in the area of recycling and greater care for our environment.

Tulare Police Department - Toys for Tots - During the month of December, students and staff can drop off new, unwrapped toys in the office. The office has a bin for collection and the Tulare Police Department picks up all donations. All toy donations go to needy families in the area for Christmas gifts.

Lighthouse Rescue Mission - Coins for Caring – Wilson School annually participates in a donation drive to collect change from students and families to support the ongoing efforts of the Lighthouse Rescue Mission in Tulare.

American Thunder Toy Run – Working in collaboration with Tulare merchant Mr. Rick Allison, members of the Wilson staff collect toys to be distributed to children throughout the City of Tulare in December.

United for Good – Working together with elementary schools throughout the district, students lend assistance to identified groups through donations and approved activities.

Wilson PTO Daddy Daughter Dinner Dance – Sponsored by the Wilson School PTO, this annual citywide event, raises funds for college scholarships while celebrating family values.
