

## WHAT IS A SCHOOL-PARENT COMPACT?

A *School-Parent Compact for Achievement* is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach or exceed grade-level standards.

Effective compacts:

- Link to goals of the school improvement plan
- Focus on students learning skills
- Describe how teachers will help students develop those skills using high-quality curriculum and instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

## JOINTLY DEVELOPED

Every Spring this document is revised by the School Site Council. During this meeting students' learning needs, based on current grade-level data, is reviewed. These discussions are data driven and include suggestions for home learning strategies by teachers, along with input from parents to make these strategies specific to their needs. Students at the middle schools also provide insight on ways to support their learning.

**PARENTS ARE WELCOME TO CONTRIBUTE COMMENTS AT ANY TIME.**

## BUILDING PARTNERSHIPS

## TEACHERS, PARENTS AND STUDENTS - TOGETHER FOR SUCCESS

### IN OUR CLASSROOMS

Teachers will work with students and their families to support students' success in meeting or exceeding the Common Core State Standards in reading and math. Some of our key ways to connect with families will be:

- Back to School Night –Curriculum information
- Parent Conferences-Student progress
- SSC/ELAC Annual Monitor & Review
- Communication with parents through phone calls, ParentLink, notes, Progress Reports and Report Cards
- Parent Volunteers with proper clearance visiting classroom, assisting where needed and attending field trips when possible.

### AT HOME

Maple School parents joined staff to develop the following ideas about how families can support students' success in reading and math.

- Read with your child everyday.
- Ask your child questions about their work and have them explain what they are learning about.
- Provide opportunities for your child to see and do things that gives them experiences they can share and write about.
- Practice basic math facts such as addition, subtraction, multiplication and division that they are covering in class.
- Make sure that your child has a good breakfast and is on time to school ready to learn.

### STUDENTS

Maple School students joined staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Students thought of the following ideas to make connections between learning at home and school.

- Such as: Read or listen to your child read every night, check homework, ask about what they are learning, practice math facts,.....
