## Mission & Vision

Board Adopted Mission Vision, Philosophy and Goals for 2015-2016

### **Vision:**

A Destination District where people are drawn to Corcoran due to the quality, reputation and accomplishments of our students and schools.

### **Mission:**

We are improvement driven: Mind, Character and Body.

### District

### Non-negotiables:

*Respect: Respect for everyone at all times*

*Aspire: Students are the focus*

*Inspire: Every student will have an advocate*

*Serve: Stakeholders are a key part of the process*

*Expect: Every Corcoran student can and will learn*

### **BOARD PRIORITIES:**

- Comprehensive world class instructional program for all students.
- Provide a safe and secure environment with high standards for students and staff.
- Ensure financial stability.

- Develop opportunities for students to demonstrate excellence.
- Provide exemplary staff with resources, support and training.

A DESTINATION DISTRICT IS . . .

- Where students perform at a high academic achievement level; where there is daily access to the best and most modern tools and learning resources including a variety of relevant course offerings; where students produce high quality academic work, passing rigorous, challenging courses; where all students are prepared for success beyond high school with effective critical thinking skills and a majority of students are fully prepared for four year colleges.
- Where facilities are secure, safe, well kept, well maintained and aesthetically pleasing; where there is state of the art technology, continued progress in modernization, prompt repair and maintenance with a focus on safe, clean and attractive facilities.
- Where there is a safe, planned, positive atmosphere due to friendly, cooperative, inviting and responsive staff; where there are motivated and engaged students and staff carrying a sense of pride and belonging; a sense of ownership in our programs along with a personal and collective responsibility for the achievement, welfare and conduct of everyone.
- Where the quality of character, of personal integrity and standards of excellence are modeled, taught and emphasized; where service for students, parents and community are the focus, and building capacity for personal vision and mission is part of the daily culture and expectation.
- Where high standards and expectations are the norm inside and outside the classroom; where there is wide practice in the use of innovative, powerful strategies and 21<sup>st</sup> Century learning tools; where there is a sense of urgency in meeting the needs of students who may fall behind with the perspective there are possibilities and opportunities to succeed beyond the limitations and challenges facing students today.
