Corcoran Academy School Accountability Report Card Reported Using Data from the 2015-16 School Year Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

Corcoran Academy is located on the Kings Lake Education Center campus along with the Kings Lake Continuation High School, Corcoran Adult School, Mission Community Day School and the Corcoran Districts Independent Study Program. Mr. John Arriola supervises all of these programs. Many of the categories on the School Accountability Report Card (SARC) are common to all of our schools and programs. However, this SARC is for Corcoran Academy alone. Corcoran Academy was approved by the California Board of Education as a k-12 school during the 2005-2006 school year. It has it's own unique California County/District/School (CDS) public school number.

Corcoran Academy has multiple purposes. It is intended to be a school of choice for those parents wanting to move their child from a school on Program Improvement. We also provide and alternative setting for those students that excel in their education through an independent study program. Corcoran Academy provides an educational option within the district and the city of Corcoran for students who are expelled for non-mandatory reasons and then granted a suspended expulsion.

The Mission of Corcoran Academy is to increase student achievement, provide safe schools and promote a positive climate.

Taking the California State Standards Test, the California Assessment of Student Performance and Progress along with our own district and school site assessments guides the instruction of our Corcoran Academy School students. These Periodic assessments show the progress and challenges of each student in a timely manner, allowing the teacher the opportunity to focus on each student's specific areas of strength and need. Our teachers use both formative and summative assessments to monitor and guide student growth and success.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

Corcoran Unified School District does not receive "Williams" repair funds for Kings Lake Education Center/Corcoran Academy. Therefore, it is not required to have an intensive inspection. The district does monitor the condition the campus, it's schools and facilities and makes or schedules maintenance and repairs as needed. The facility is in "Exemplary" status overall. The facilities are clean, safe and functional and in "Good Repair".

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

Mathematics			11	14	34	36	

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

	Number of Students		f Students	Percent of Students		
Student Group	Grade	Enrolled	Tested	Tested	Standard Met or Exceeded	

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Corcoran Academy communicates with parents in a variety of ways including campus events, written notices, phone calls, emails, district and school websites and newsletters. We have an open door policy and welcome parents to stop by any time. Due to the nature of instruction at Corcoran Academy, parents are encouraged to get involved in their child's education. We ask parents to ensure that students have their assignments completed and that they arrive at school and classes regularly and on time as scheduled. The teachers are encouraged to contact the parents in multiple ways with updates of their student's academic progress, attendance and behavior on a regular basis.

You may request additional information by calling the school office personnel at (559) 992-8885.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the Pupil Engagement State Priority (Priority 5):

- High school dropout rates; and
- High school graduation rates.

School Safety Plan (School Year 2016-17)

Corcoran Academy uses the district's adopted safety Manual, Crisis Management Plan for Schools. The Crisis Management Plan for Schools addresses the various crises that could possibly occur at schools. The plan outlines the responsibilities of the school and the district. As a campus, the staff meets to discuss the following areas: crisis organization and the duties of the staff, campus crisis intervention, medical procedures, violence and crime procedures, faculty emergencies and all related emergencies that may arise.

Safety updates are reviewed and discussed with the staff at staff meetings throughout the school year.

Types of Services Funded (Fiscal Year 2015-16)

Corcoran Academy utilizes various textbooks from multiple publishers. Edgenuity is an online software used to expand our selection of A-G courses. Another online program used is IXL, it is used for intervention in the subjects of math and English. Accelerated Reader through Renaissance Learning is used to create interest and growth in the students' reading and skills. Accelerated Reader is also used for intervention. The Fast Track Reading Program by McGraw Hill is also used for reading intervention. In order to assist our English Learners we use the Edge Program through Hampton-Brown and National Geographic. We also use Rosetta Stone with our English Learners.

Professional Development (Most Recent Three Years)

Professional development is ongoing to ensure that all of our staff stays current with new learning strategies, innovative teaching techniques and applied technology in the educational field and the classroom.

The teachers at Kings Lake Education Center/Corcoran Academy campus participate in a four-day staff development training at the beginning of the school year. Additionally staff development and professional learning communities (PLC) meet on Wednesdays throughout the year; there is a special Wednesday schedule for the allowance and planning of this time. Coaching, teacher-principal meetings, student performance data, PLC meetings, our county office of education, trainings and conferences all are part of our ongoing professional development.
