CORCORAN HIGH SCHOOL

CORCORAN UNIFIED SCHOOL DISTRICT
1100 Letts Avenue, Corcoran, CA 93212

Welcome to Corcoran High School!

Dear Parents, Guardians and Students:

My name is Antonia Stone, and I will be the principal of Corcoran High School for the 2014-15 school year. I have been with Corcoran High School for the last ten years. I have been an English teacher, a learning director and an assistant principal prior to taking on the role of principal. Each of these responsibilities has allowed me to work with students and parents in different capacities and to fully understand what is necessary to better serve students.

I have had the great fortune of being a part of Corcoran High School's numerous successes. To start, just last year, our suspension rate dropped by 80%. Every student can name the "Five to Thrive," our school motto. School spirit is at an all time high. WASC, our accreditation committee, stated CHS is becoming a model school. We received another 3-year accreditation with flying colors. Other schools and districts visit us looking for advice on how to better their own schools. We had 100 students in the Corcoran Academy of Arts and Technology program and these students grew measurably in task completion, collaboration and on CAHSEE. Our CAHSEE scores are headed in the right direction again. And, last year, we graduated the largest number of students in the ten years I have been with CHS.

With this said, our goal at CHS is to prepare students for college and careers. We have several career pathways available to meet the interests of our students. Our counselors will be meeting with all students to create 4-year plans. We have an incredible partnership with UC Merced through the Talent Search program. This program provides additional support for students wishing to attend any college. We will continue to provide our After School program for enrichment, and our Credit Recovery program. And, this year, we will be implementing an intervention period for all students.

I would like to thank you for your support. I know that together, we will do great things for your student.

Sincerely,

A handwritten signature in blue ink, appearing to read "Antonia Stone".

ACADEMIC BOOSTERS

The purpose of this committee is to support “college prep” students in their preparation for college. College prep students are defined as those freshman, sophomore, junior, and senior students enrolled in a minimum of four (4) college prep courses per semester. This also includes any college prep courses taken during the summer prior to the first semester.

ACCELERATION AND ENRICHMENT PROGRAMS

All admissions to the accelerated and enrichment programs at West Hills College, College of Sequoias or any other institution of higher learning must have the approval of both college and high school administrators. Admissions are based on careful study of school records, aptitude, maturity, interest and educational objectives. Interested students should contact their Learning Director to discuss these programs. Students on an accelerated program for graduation from Corcoran High School must complete the core requirements at CHS. The remaining requirements can be taken at Corcoran High School or West Hills College/ College of Sequoias. **College classes cannot interfere with a student’s high school schedule.**

ADMINISTRATIVE SERVICES

Administrative Offices are located in the Main Office, Athletics/Activities Office and Counseling Office. All administrative staff keep an “open door” policy. If you have any questions about school procedures and policies, please see them. Office Protocol - At no point shall any student or parent pass beyond the desks of the office until directed to do so.

ALTERNATIVE EDUCATION

Alternative Education includes Opportunity Class, Block 9, Continuation and Independent Study. Any student placed in Alternative Education will be assigned to that placement for a period of no less than one full semester. One full semester will be defined by the semester dates of the school calendar.

Students may only transfer up to a total of 45 credits per semester when returning from an alternative placement to Corcoran High School.

ASSEMBLIES

An assembly is an organized student body gathering with mandatory attendance, and the primary emphasis is placed on education. Students show respect toward the other members of the audience and the stage participants at all times.

ATHLETICS

A complete program of athletic activities is offered to meet the needs of all students interested in team or individual sports. The rules and regulations for sports are governed by the California Interscholastic Federation and the Athletic Code for Corcoran High School. All athletic programs are subject to change as a result of participation, funding and league placement.

BULLYING

The District prohibits student conduct that intentionally instills fear through bullying tactics. Bullying behavior includes, but is not limited to, threats, teasing and taunting by asserting power through physical or verbal aggression, including online, or cyber bullying. Bullying may be direct or indirect, such as gossip or exclusion. Bullying usually causes the victim to become increasingly distressed and fearful.

Students who are the victims of bullying should immediately contact any administrator or counselor. If the student believes the situation has not been remedied, he/she may file a complaint form by completing a Universal Complaint form where you may pick one up located in the CHS Main Office.

form where you may pick one up located in the CHS Main Office.

Any staff member who receive notice of bullying or personally observe such behavior shall notify administration or law enforcement, as appropriate. Students engaging in bullying behavior shall be subject to discipline which is outlined on pages 35-36 in the handbook. Continued bullying could result in expulsion.

CAFETERIA SERVICES

Students are required to complete the lunch application as part of the registration procedure. This will give every student the opportunity to qualify for lunch, if needed. It is understood not all students will take advantage of this lunch program, but we want everyone to have the opportunity. **Additionally, through the lunch application process, the high school is eligible for special funds that enhance its programs.**

All club meetings may be arranged for before or after school or at noon. All requests for meetings shall be made to the advisor and arranged with the Activities Director. All meetings shall be held under the direct supervision of the organization advisor. All requests for meetings shall be made at least one week in advance.

Clubs and organizations must submit a "Request for Continued Club Recognition" including a "Budget Form" listing estimated expenses and fundraisers. Each year before a club or organization schedules an activity or fundraiser, its "Request for Continued Club Recognition" must be approved by the Board of Trustees.

When an organization desires to hold any activity that requires financing, the approval of the sponsor shall be secured with regard to the amount of money needed and the manner in which it is to be spent. A student body purchase order shall be used when materials or supplies are to be purchased. Purchase orders may be secured from the secretary who handles the ASB accounts and must be filled out and properly signed before a purchase is made.

Posters must be approved and signed by an administrator. An activity will be approved only after the written approval of the sponsor has been obtained and a date has been secured through the Activities Director. An Activity Request Form may be obtained in the Activities Office. All activities and purchase orders need prior administrative approval.

COMPLAINTS

Complaints against school employees should be handled directly by the individual involved.

Step 1: Parents may request that their child's teacher call them after school by calling the office.

Step 2: Parents may request a conference with their child's teacher.

Step 3: Complaints not resolved through step 1 or step 2 shall be appealed to the Principal.

Step 4: Further appeals may be made, if necessary, to the District Superintendent and then to the Board of Trustees.

CONTACTING TEACHERS

CHS recognizes that student success is dependent upon an effective partnership between the teacher, parent, and student. Parents are encouraged to discuss their child's progress with the teacher; however, due to professional responsibilities, teachers may not always be available before and after school. If a parent would like to speak with his/her child's teacher, parents should schedule an appointment by calling the school office.

COUNSELING AND GUIDANCE SERVICES

New programs, change of programs, class problems, college counseling, and personal problems are some of the many services provided. Appointments for students wishing to see a learning director must be made before or after school. Students will not be released from class to make appointments. Class changes are discouraged. Students with special needs must clear any approved class changes through the Counseling Office.

CREDIT SYSTEM

Individual instructors will communicate to the students the standards they will require for grades. Each semester students earn five (5) credits for each class where their final grade is “D” or above. **In their required classes, a “passing mark” refers to a grade of “D” or better.** (A grade of “D” does not count toward A-G) Parents are encouraged to contact the school at 992-8888 if they have questions or concerns about their student’s grades or credits. The law requires notices of impending failing grades be sent to the parents. Students may make up work missed during excused absences. It is the student’s responsibility to request all make-up work. Students have an equal number of school days to make up work. (i.e. Absent three (3) days, you have three days to complete work.)

DAILY BULLETIN

The high school will issue a daily bulletin of announcements, which are of general interest to students, some will be administrative notices and others will be student body notices. The daily bulletin is posted on the bulletin board in the central hall just outside the office. It is also read in all first period classes. **Students are responsible to reading/listening to the daily bulletin.** Notices are also approved by the administration. NO CHS STUDENT WILL BE ADMITTED WITHOUT ASB CARD.

Guests under 21 years of age may be invited to school dances by obtaining a guest pass from the school administration, there will be no exceptions. All guest pass requests must be submitted to the Assistant Principal at least (2) days in advance. Each student will be held responsible for the conduct of his or her guest while attending the school function. The administration has the right to refuse admission to any guest. Verification of age may be requested for any dance guests.

Students and guests must remain at the dance or party until they wish to leave for the evening. No one will be re-admitted to a dance or party after he/she has left the building. All dances will end at 11:30 p.m. or earlier. No junior high or alternative education students will be allowed to attend high school dances.

SEATING

Each teacher is assigned a section of the Auditorium/Stadium/Technology Center. Students are expected to sit with their class. Attendance will be recorded.

SEXUAL HARASSMENT

The District prohibits sexual harassment of students at school or at school-sponsored or school-related activities.

The District also prohibits retaliatory behavior or action against people who complain, testify, assist or otherwise participate in the complaint process. Sexual harassment includes unwelcome sexual advances, requests for sexual favors and/or other verbal, visual or physical conduct of a sexual nature.

Students who are being or have been sexually harassed shall immediately contact school staff or administration. A school employee to whom a complaint is made shall, within 24 hours of receiving the complaint, report it to the principal or designee. The principal or designee shall immediately investigate the complaint in accordance with administrative regulation. Where the principal or designee finds that sexual harassment occurred, he/she shall take prompt, appropriate action to end the harassment and address its effects on the victim. The principal or designee shall also advise the victim of any other remedies that may be available. The principal or designee shall file a report with the Superintendent and refer the matter to law enforcement authorities, where required.

Any student who engages in sexual harassment of anyone at school or at a school-sponsored or school-related activity is in violation of this policy and shall be subject to disciplinary action. Disciplinary action may include suspension or expulsion, provided that, in imposing such discipline, the entire circumstances of the incident shall be taken into account.

STATEMENT ON NON-DISCRIMINATION

The Corcoran Unified School District does not discriminate on the basis of race, color, national origin, sex, or handicap in its educational program and activities. All vocational opportunities will be offered without regard to race, color, national origin, sex, or handicap. Limited English language skills will not be a barrier to admission and participation in vocational education programs. For further information and/or grievance procedures, contact the Affirmative Action/Equal Opportunities Coordinator, Corcoran Unified School District, 1520 Patterson Avenue, Corcoran, CA 93212, phone 992-8888.

STUDENT BODY CARD/I.D. CARD

All students will be required to carry their Student Body Card when attending school. Students who do not have their student body card will not be granted admission to school activities or receive student pricing. The student body card is issued at registration. All students are encouraged to purchase an ASB Sticker, which provides a considerable savings for home and away athletic games, dances, and the yearbook. Not only do students support the student body by buying an ASB sticker, but they also save money with their investment.

STUDENT BODY OFFICERS

The student officers are elected yearly and serve as the executive board. They meet daily to administer student body business and work on school activities.

The student body will not be responsible for any expenditure made by a pupil or a teacher, or by any other person who has not first received a written authorization from the faculty sponsor and administration. In addition, all monies should be immediately deposited with the Athletic/Activities Secretary in the high school activities office. Any graduating class monies not spent by June 30 of the graduation year will be re-designated to the ASB general fund.

STUDENT EXPRESSION IN SCHOOL-SPONSORED PUBLICATIONS

School officials shall censor material written by students for school publications when the material is:

1. Obscene.
2. Libelous or slanderous.
3. Likely to incite others to commit illegal or disruptive act.

STUDENT GOVERNMENT

Student government at Corcoran High School operates within the framework of a written constitution. Student body officers receive their authority and guidelines through this constitution. Copies are available in the activities office.

Final authority rests with the school administration.

STUDENT ORGANIZATIONS AND ACTIVITIES

All school rules apply and are enforced during all activities sponsored by a Corcoran High School organization.

Attendance will be taken by the coach/advisor. Disciplinary action will be taken if a rule violation occurs

STUDENT RIGHTS

A student has the privilege of expressing his concern regarding any interpretation of rules and regulations without fear of reprisal. A complaint procedure will be available to students and parents upon request. This procedure may be obtained in the Main Office. In cases involving suspension and/or expulsion, students have the right to a hearing regarding disciplinary type accusations made by school personnel.

TRANSPORTATION

Buses are provided for the convenience and safety of pupils who live outside of Corcoran. Students will be assigned to ride a certain bus. A bus pass is an ID Card and must be carried by the student at all times. Students must pay for lost or misplaced cards. Students may be given a referral for not carrying their bus pass, which may result in Bus Suspension or School Suspension. Students found riding the bus but not attending school may lose their bus privileges.

Any discipline incidents or situations, which relate to bus violations, may be handled in the following manner:

1st Referral from Driver:

Warning/Conference with parent and site Assistant Principal.

2nd Referral from Driver:

1 day suspension from bus.

3rd Referral from Driver:

1 week suspension from bus

4th Referral from Driver:

Can not ride the bus for the remainder of the school year.

If a problem occurs on the morning bus run, a bus discipline referral will be immediately sent to the Assistant Principal for action. If a problem occurs on the afternoon bus run, the bus driver has the authority to suspend a student pending conference or further investigation by the administration.

VISITORS

All visitors and parents must check in at the high school main office when arriving.

WITHDRAWALS

Parents must accompany pupils withdrawing from school for any reason. A regular Withdrawal Form will be issued at the Attendance Office, and the pupils will follow the procedures outlined on that form. In this manner, pupils may officially clear all school records. **All bills must be cleared prior to checkout. NOTE: Any bills not cleared after 60 days may be turned over to a collection agency.**

WORK PERMITS

If you are under 18 years of age, you must have a work permit to be legally employed. Applications for permits may be secured from the office. A student is not allowed to work on any day that he/she does not attend school. The school has the right to revoke any work permit for poor school attendance, poor school behavior, or academic ineligibility. Permits to work on Saturdays and during regular vacation from school may also be obtained in the office. **Work permits may be revoked for poor attendance, poor behavior, or grade point average below 2.0**

ATTENDANCE PROCEDURES

ABOUT THE ATTENDANCE OFFICE

We welcome calls and visits from concerned parents. We write down all the absence info received, whether in person or on the phone, and save all documentation, (logs, notes, calls, etc) for auditing purposes. We are unable to check and call on every student's attendance every day. However please call us anytime for attendance info on your student, (questions on letters, codes, and/or policies). **Please remember it is the parent's responsibility to account for absences for their child. The Attendance Office is where they are cleared.** The Attendance Office is located in the main office. In addition, parents may access student attendance and grades online through the Aeries Parent Portal.

ATTENDANCE REQUIREMENT

Students must attend 95% each year enrolled at CHS to participate in graduation ceremonies since 2006-2007 school year. This means students cannot miss more than 9 days per year or 63 periods per year (only school activities and medical absences will not count against a student's attendance). "Excused" absence **does not mean** that the absence does not count against the 63 periods.

ATTENDANCE HOTLINE

When a student is absent from school, a telephone call to Corcoran High School Attendance office is needed by 11:00 am of the day of absence.

To leave a message on the attendance hotline please adhere to the following procedures:

1. Dial the school number - 992-8884 EXT. 6283
2. Leave the following information during the recording-
 - a. Parent/guardian's name
 - b. Student's name
 - c. Reason for absence
 - d. Estimated date of return
3. If a student has been absent and no phone call has been made, then the student must bring a written note stating the date, reason, days of absence and parent signature to the main office upon return to school.

CLASS CUTS

Students who cut class will be assigned a lunch detention for the following school day. Students can either bring a lunch from home or will be escorted to get a school lunch. These students will not be allowed to leave the campus for lunch. Lunch detention will run from 12:50-1:20 each day. (It is imperative that when a student misses class, the absence is cleared ASAP)

*Reminder that every three tardies will be treated the same as a class cut.

*Be advised that the administration will conduct random lockout and students who are not in class will be assigned a Saturday School.

Students who are going to be out of class **for any reason MUST have a pass**. Students without a pass will be assigned a lunch detention for the following day. Students whose attendance is not corrected will be assigned Saturday Schools to suspensions.

FIELD TRIPS/ACTIVITIES/ATHLETIC EVENTS

FIELD TRIPS/ACTIVITIES/ATHLETIC EVENTS

Students will only be cleared for the release time listed by the advisor/coach. If the student is to be released during a period, that student must stay in class until the release time. If the student decides not to attend the class, (even if only for a few minutes) the absence will be considered a cut. If the student is unsure of the release time for a specific event, they can ask the Activities Secretary.

HOME/HOSPITAL STUDY

Students requesting Home/Hospital Study due to medical needs must supply a request from a physician. The request must indicate the length of the Home/Hospital study needed and be submitted to the District Nurse during a SSTAR meeting. At the SSTAR meeting the school nurse will evaluate the request and consult with physician. If Home/Hospital Study is granted, the program will be for a maximum of five hours per week. Days and location of instruction will be arranged. To schedule a SSTAR meeting contact the CHS main office at 992-8888 ext. 6275.

ILLNESS AT SCHOOL

If a student becomes ill at school, the teacher will send the student to the office where it will be determined if they should be sent home. If a student goes home for lunch or leaves the grounds at lunchtime and does not return to school due to illness or some other emergency, the parent/guardian must contact the school office or the student will be considered truant.

MAKE-UP OF ABSENCE

Saturday School can be used to make up a full day prior absence (including but not limited to illness, medical and funeral). Suspension days cannot be made up through Saturday School. Students may not “bank” attendance credit for future absences. Pursuant to board policy, when a student has had 15 absences in the school year for illness, a physician must verify further absences for illness. **All absences must be cleared through the Corcoran High School attendance secretary within (5) days or they will be marked as truancies.**

Medical (Exempt from 63 period limit and Requires Official Documentation)

- **Doctor/Dentist/Hospital/Illness** - Must bring documentation from the doctor/dentist/hospital etc that student attended the appointment. No appointment cards. Students being seen only for regular appointments will not be cleared for all day. We must receive documentation within 10 school days of absence.
IMPORTANT: Doctor's note must be an original, plainly showing the student has attended the appointment with the dates and times the student was present in the office. Doctors' notes must contain the doctor's name and phone number for confirmation. No appointment cards. The doctor's office must be able to officially confirm the attendance information via phone call from the Attendance Office or the code will not be changed to (MED) and will still count as part of the 63 periods for the year. A doctor's note will only change codes to (MED) which have already been cleared to illness by the parent/guardian.
- **Court (Witness/Jury Duty only)** - Must have documentation from court that student attended court and not paperwork stating when to appear. Only the court dates where the student was a subpoenaed witness or on jury duty will be cleared to MED, not if the student was the plaintiff. We must receive documentation within 10 school days of the absence.
- **Funeral (Immediate Family Member)** - Must bring documentation regarding funeral from funeral home, etc. We must receive documentation within 10 school day's of the absence.

Absences for Medical Reasons vs. Absences Verified With Doctor Note

- **Medical/Illness:** When a student is recorded for medical reasons by a parent or guardian, the code in the computer is listed as medical (M) or illness (I). The code for "illness" does count as part of the students 63 periods for the year.
- **Doctor's Note:** When a parent/guardian reports an illness absence (all day or partial day) accompanied by a doctor/dentist note to cover the specific time they missed school, the code will be changed to "Medical" (M). The code "Medical" does not count as part of the students 63 periods for the year.

Note: STUDENTS WHO ARE ABSENT REPEATEDLY WILL BE REFERRED TO THE SCHOOL ATTENDANCE REVIEW BOARD (SARB).

NOTIFYING ATTENDANCE

- **Checking In** - We must have parent in person, call or note before your student can sign in.

- Checking Out - We must have parent in person, call or note before your student can sign out. Call far enough ahead so your student can be paged between classes. We don't want to take the teacher away from teaching other students by phoning into the room. You or your student must physically sign out on the log through the Attendance Office before they leave campus. We can not guarantee that your child will be waiting out front for you.
- Clearing All Day - Call the same day of the absence or send note or call the next day. Absences that are not cleared turn to cuts (truant) automatically.
- Planning for an extended absence - If your student is going to be gone for several days and knows in advance, your student can request short-term independent study (absence must be a minimum of five consecutive days) through the Assistant Principal.

SHORT-TERM INDEPENDENT STUDY

Any student who will be absent for a minimum of 5 days can request Short-Term Independent Study through the Assistant Principal. Students can earn positive attendance and complete class assignments through Short-Term Independent Study. Parents must contact the Assistant Principal to initiate the process at least **3 days in advance** of the absence.

TARDY POLICY

Prompt and regular attendance is necessary for success in high school and on the job. The district has established attendance policies to encourage students to be punctual and regular in their attendance. Not only is punctuality an important employability skill, but students who come to class late create special problems for the teacher. Often the

late student has missed out on important instructions given at the start of the class period. The late student is also an interruption to the other students in the class.

Students are expected to be on time to class. Please, be advised that tardies affect students in two ways:

1. Student who are repeatedly late and do not meet the 95% attendance requirement **WILL NOT** be allowed to participate in graduation*. Along with absences, **ALL Types of tardies** are calculated for attendance graduation.
2. Students who are late will also face disciplinary action.

Students who are late to class will be placed on a behavior contract. Students who are repeatedly late will face further disciplinary action: Every three tardies will be treated the same as a class cut. See below for discipline regarding class cuts.

STUDENT DISCIPLINE

We support good discipline practices in the Corcoran Unified School District. Good discipline procedures help provide the best learning situation. The parents' help and understanding are necessary to make these procedures and policies work at our school.

The Board of Trustees and school administrators have adopted a definite policy dealing with discipline procedures. This serves to inform you of these procedures so we may work together to maintain a pleasant school experience.

OBJECTIVES

The behavior of students who attend the Corcoran Unified School District shall reflect standards of good citizenship and self-discipline. Education may be considered a privilege, but it shall not be considered an absolute right. It shall be determined by eligibility and performance requirements. Students who consistently fail or refuse to comply with the regulations of the school, or whose presence will have a negative effect on good order and discipline may be suspended or expelled.

ACADEMIC DISHONESTY

Defined: Obtaining or providing any help on an assignment that is to be completed solely by the student. This definition applies to:

1. Tests or projects
2. Individual projects and/or research
3. Individual homework when so designated
4. Other teacher designated work

ASSERTIVE DISCIPLINE

Assertive Discipline is based upon the statement that teachers have the right to set firm limits for all students, and that these limits must be taught. Effective communication is required in order that students understand what is required of them.

We believe that each student has the right to learn and each teacher has the right to teach.

THEREFORE EACH STUDENT MUST:

1. Be in class every day, on time prepared to work until properly dismissed by the teacher.
2. Follow class rules and not disrupt the learning/teaching process.
3. Be courteous, cooperative, and respect the rights and property of others.
4. No eating/drinking in class

Corcoran High School operates under the belief that every student can modify their behavior. For minor

Section 504 of the Rehabilitation Act of 1973, Public Law 93-112

Policy Statement

Within Corcoran Unified School District's Board of Education has a policy to provide a free appropriate public education (FAPE) to each qualified disabled student within its jurisdiction, regardless of the nature or severity of the disability. Consequently, it is the intent of each district to ensure that students who are disabled within the definition of Section 504 are identified, evaluated and provided with free appropriate public educational services. The due process rights of disabled students and their parents under Section 504 will be enforced.

The handbook provides information for the implementation of the procedural provisions for services to students identified under 504. *Please refer to the Corcoran High School website for the 504 Handbook.*

504 and Special Education:

Section 504 is not an aspect of "special education". Rather, it is a responsibility of the comprehensive general public education system. Thus, the building administrator and the superintendent of schools are responsible for its implementation within districts. As a general rule, special educators lead the district efforts in the identification process, while general educators lead the development and implementation of the 504 plan. It is a collaborative effort.

All students who are enrolled in special education are automatically covered by 504 regulations. Normally, a 504 plan is not necessary for special education students, as the Individual Education Plan (IEP) provides a higher level of service than a 504 plan. In regard to the possibility of special education placement for a 504 student, it must be kept in mind that Section 504, along with the Individuals with Disabilities Act (IDEA), and the Americans with Disabilities Act (ADA) were enacted by Congress to end the practice of automatically segregating persons with disabilities on the basis of their labels. A Joint Policy Memorandum, issued by the Assistant Secretaries for the Office of Special Education and Rehabilitative Services; the Office of Civil Rights; and Office of Elementary and Secondary Education, states that the proper placement of a 504 student is in the regular classroom, with a regular educator who has been trained in making necessary adaptations. The child's education must be provided in the regular education classroom unless it is demonstrated that education in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily. Our schools have seen much success over the years, but we can continue to improve. In fact, schools are much more effective when parents and families get involved. When families get involved in their child's education, grades go up, test scores improve, children become more likely to pass and attend college after high school, and they are less likely to use drugs and alcohol. In other words, schools with fewer discipline problems and higher achievement have fewer discipline problems.

Corcoran High School has a goal of creating a better school and improving the educational experience for all children. We are asking for your assistance in improving our school experience through your volunteerism on our school campuses, in our classrooms and at our school events. Volunteer Super Grad (CHS) in a huge time commitment. An hour or two each semester or trimester makes a big difference. We also have Homecoming Week (CHS) completed from home.

Please join us! The first step is filling out the checklist below and returning it to your child's school. Your support will go very far in supporting all students and creating a tremendous educational environment at Corcoran High School!
