EDGEWOOD SCHOOLS

**An International
Baccalaureate
World School.**

**An Exceptional
Choice.**

1301 Trojan Way, West Covina, CA 91790
1625 Durness Street, West Covina, CA 91790

A public secondary school experience filled with personal attention, a truly rigorous curriculum, and a genuine focus on students to acquire tangible international knowledge and skills.

Edgewood offers...

- An energetic faculty, a more focused environment with reduced class size in HS English and math courses. A global theme encouraging students to be creative thinkers and problem solvers.
- An educational choice in the community that places its emphasis on student success, no matter what pathway they choose.
- The ability to choose the best among schools serving the San Gabriel Valley.
- A sister school program between China with visits between high school campuses.

Edgewood High School is officially an IB World School and is authorized to offer the Diploma Programme (DP). Edgewood Schools are a Middle Years Programme (MYP) candidate school for 6th to 10th grade. IB Schools share a commitment to a high quality, challenging, international education.

Start your International Baccalaureate education in a caring environment where you will experience personalized attention that encourages high standards and student centered educational structure.

A Committed Faculty and Staff

Our teachers will bring an unmatched set of talents and skills to Edgewood High School, seeking the highest standards for their students and themselves.

An Appropriate Learning Environment

Located at the Trojan Way entrance of the Edgewood school site, the school not only pays tribute to the former educational landmark, but creates a familiar hub of learning for students, parents, and the West Covina community.

Guidance and Support of our Board of Education

The Board's vision of an innovative, competitive, and unique educational choice will take its place among the "finest schools in the San Gabriel Valley."

Proper District Management

WCUSD's fiscal responsibility has created a foundation that supports reduced class sizes, solid curricular programs and extracurricular activities that will support the development of your student.

The Edgewood Schools Advantage!

- A **smaller learning community** that fosters the development of student-to-student as well as student-staff relationships.
- A real **focus on 21st Century skills**, so students can compete and succeed in the global workforce.
- An opportunity for students to pursue a rigorous **college preparatory course of study**.
- A complete **integration of technology** and current media throughout all aspects of a robust and challenging curriculum. COWS(Computers on wheels) or BYOD with Wi-Fi Internet access enhance our students' educational experience.
- Plenty of **personal and social development** created by participation in extracurricular activities such as ASB, clubs, year-book, dances, study trips, performance, and CIF-sanctioned sports opportunities.
- Complete and thorough **accountability** regarding student performance and assessment.
- A **culture of success** where students become leaders on campus and throughout the community.
