

2015 West Covina High School Graduation Apparel

All students who participate in the WCHS 2015 graduation ceremony must wear a cap, gown, and tassel unit that meets the guidelines set forth by the school administration. Students can choose to borrow these items from the school (free of charge) or purchase them from Jostens (see information below).

If the student chooses to borrow the cap, gown, and tassel unit then he/she must return these items immediately following the graduation ceremony in order to receive his/her diploma. Students are responsible for the full replacement cost of any item(s) not returned in the same condition as when they were issued and/or any missing items.
