Students are allowed to test once during their sophomore year, twice during the junior year and five times during their senior year in order to qualify for a high school diploma.

PROGRESS REPORTS

Progress reports will be mailed home at the end of each grading period. The first and second reports for each semester reflect current progress in all courses. Only semester grades issued in December and May are final grades and become part of the student’s transcript or permanent record. Grades should arrive home a week or so after the end of the grading period (see School Calendar on page 4 for specific grading periods).

ONLINE GRADEBOOK (SCHOOL LOOP)

School Loop Gradebook is an online system that allows parents and students to view attendance, grades, teacher e-mails and other student information from any computer with internet access. Please see your counselor if you need assistance creating your account.

Citizenship is indicated on the student report cards to inform parents, however, these marks are not a part of the student’s transcript or permanent record. Citizenship marks are defined as:

- O = Outstanding N = Needs to Improve
S = Satisfactory U = Unsatisfactory

REPEATING A COURSE

Please consult the course description catalog to determine whether a course may be repeated for credit. Make-up classes may be completed in after school programs (Bulldog Credit Recovery) and/or summer school. All courses taken for make-up credit must be approved by your counselor or administrator prior to course enrollment.

TEACHER CONFERENCES

Parent-student-teacher conferences may be scheduled by contacting the teacher or counseling office. In order to protect instructional time, calls are never placed directly through to a teacher's classroom during class time. Additionally, each teacher may be reached through the school's e-mail system accessible through our school webpage: <http://wchs.wcusd.org>

CLASS CHANGES

Students enrolled in year-long courses are expected to remain in those courses for the duration of the year. If the student and parent feel a change is necessary, the student's teacher and/or counselor should be involved in that decision. A *Class Change* form must be completed and signed by all parties involved. The counselor will ultimately review the request and make the final decision. After the fifth week of the semester, any dropped course will result in a "Withdrawal - F" for that course being recorded on the permanent record. In most cases, it will not be possible to add another class in place of the one dropped.

GRADE POINT AVERAGES

Grade point average is calculated by adding the total grade points earned and then divided by the number of courses taken.

Non-Weighted

A = 4 Grade points

B = 3 Grade points

C = 2 Grade points

D = 1 Grade point

F = 0 Grade points

STUDENT ACTIVITIES: PRESIDENT'S MESSAGE

Bulldogs! Welcome to the 2015-2016 school year! Whether you are barely beginning your journey at West Covina High School or are nearing its end, the start of a new year brings about a plethora of new opportunities to make the most of your high school experience. I encourage you to explore your interests this year and find something that you are passionate about. Some people desire to be outstanding scholars, some people seek to become successful athletes, some people are drawn to leadership; everyone has their own individual goals and aspirations, but at the end of the day we are all Bulldogs who represent WCHS in all that we do. I challenge you to represent our school better than any other group of students has before. Give everything your all this year. Excel in all that you do. Reach for the impossible. As your 2015-2016 ASB President, I am extremely excited to see what we can achieve this year. Aim to make this year the most memorable of your time in high school and live in the moment! Your time at WCHS will fly by, but you will carry the memories you create in Bulldog Country with you for a lifetime. Make them count.

Jacob Ramirez
2015-2016

WHAT IS ASB?

All WCHS enrolled students are automatically members of the **Associated Student Body** or ASB. All students are governed by the ASB constitution and have the opportunity to elect officers to the ASB Cabinet. Many students purchase and carry ASB Cards and therefore are extended special privileges.

ASB CARDS

All WCHS students are **encouraged** to purchase an ASB (Associated Student Body) Card but are NOT required to for participation in teams/clubs. Students holding an ASB card receive reduced rates for athletic events, discounts on all dances and formals, free activity, academic and athletic letters, full privileges in the Renaissance Program (when academic requirements are met), as well as numerous other perks and incentives throughout the school year. **The cost of an ASB Card is \$40.00.** Typically, student savings may range from \$60.00 to \$100.00, depending upon involvement in activities and athletic events. ASB Cards are non-transferable and non-refundable, and at no time shall a student lend his/her card to another student. If caught, the card will be forfeited for the year with no refund.

Any student experiencing difficulty with the purchase of an ASB Card is encouraged to speak with the ASB Advisor to arrange a monthly payment plan.

ELIGIBILITY FOR PARTICIPATION IN EXTRACURRICULAR ACTIVITIES

In order to be eligible to participate in extra/co-curricular activities, a student must have earned a minimum 2.0 or "C" unweighted grade point average during the preceding grading period.

An academic ineligibility list is compiled at the end of every grading period. If any student has earned an unweighted grade point average below 2.0 or has not passed at least four classes in any grading period, he/she is automatically placed on this list. The purpose of the ineligibility list is to ensure that students who are participating in extra-curricular activities are also achieving success academically.

Students are ineligible for the entire grading period and are never removed from the list during that same grading period. Students on the academic ineligibility list are not allowed to participate in any form of extra-curricular activity, including but not limited to practices, games, rehearsals, try-outs or ASB. The only way to become eligible for extra-curricular activities again is to earn a 2.0 unweighted GPA or better and pass at least four classes at the next grading period.

West Covina Unified School District policy, as well as the California Interscholastic Federation (CIF) Guidelines, lists requirements for active participation in any co-curricular or extra-curricular activity. Students **must maintain at least an unweighted 2.0 GPA** to participate under both organizations. WCUSD has an additional requirement that the participating students must **have no more than one Unsatisfactory mark in citizenship during any one grading per**

probation period is also available to students who fall below a 2.0 GPA in which they can still participate in activities, but this only last for one grading period. If the student does not meet the minimum GPA of a 2.0 the following grading period, the student will then be placed on the academic ineligibility list. These guidelines affect participation in (but are not limited to) the following: Band, Choral Music, Colorguard, Dance Court Members, Drill Team, Pep Squad, all Team Sports, Clubs, ASB and Class Officers. Please refer to the WCHS probation policy on the WCHS website for additional information.

CODE OF CONDUCT:

It is recognized that WCHS students who participate in athletics, performing arts, or student government are in the public eye as highly visible representatives of this high school. It is vital that their representation accurately communicates the high standards and values that the school promotes. Consequently, students who perform in the public eye are expected to make sure that their behavior does not discredit themselves, their family, their organization or their school. Unacceptable behavior includes, but is not limited to, verbal or physical abuse and all forms of disrespect for any individual, thievery, acts of vandalism, or involvement with illegal narcotics, alcohol, or tobacco. It is also expected that students attend classes on those days in which he/she participates in athletic, performing, government, or other student activities. Violations of these expectations may cause disciplinary action in accordance with school policy, and may, affect their eligibility to continue in the role as school representative.

STUDENT GOVERNMENT

Effective student leadership is the essential ingredient of a successful school. Its purpose is to organize and economically support activities and athletics, to promote school spirit, deal with issues affecting students, to act as a liaison between the student body and administration, and to make and interpret student activity policy for the benefit of the entire student body. The ASB Constitution and By Laws exist for the student House of Representatives and Inter-Club Council to help advise the officers of the ASB Cabinet in the democratic process.

ASB Cabinet: The upper legislative house, or ASB Cabinet, is comprised of 7 elected officials, 2 representatives each from the senior, junior, sophomore and freshman classes, and 16 additional appointed members of the cabinet. The ASB President officially presides over Cabinet Meetings once weekly for the approval of all fundraisers, expenditures, and activities. Elections for ASB and Class officers are held in the spring and nominees must have a 2.5 total unweighted GPA with no F's and no more than one N and NO U's in citizenship in the preceding semester. Once elected, class presidents and vice presidents, must enroll in the ASB Leadership class. Elective credit is given for this class. Appointed members of cabinet must have a 2.0 total unweighted GPA and undergo an interview process by elected officers prior to selection in the spring.

House of Representatives: Members of the lower legislative house or House of Representatives are elected each fall by **4th period classes** to meet once a month all year. The role of each representative is to provide feedback to the ASB Cabinet on issues that affect the entire student body. The person representing each 4th period class should inform students about a particular issue and then garner gather responses and report the findings back to ASB. That person should be articulate, outspoken, and responsible, possess natural leadership skills, and be trusted representatives who have a desire to represent their peers.

Inter-Club Council: Club representatives are required to meet monthly for discussions and training on effective club management and financial practices.

School Site Council: Student representatives from each graduating class, usually the vice presidents, are required to meet monthly with representatives of the faculty, staff, and community to discuss funding priorities through the School Improvement Program.

GRADUATING CLASS CLUB MEMBERSHIP

Each grade level elects officers who plan special activities and fund raising events for the class and/or school. Class officers work with the class advisor. Every student is eligible to plan with the officers and advisor, help with fund raising and help raise class spirit. Meeting times and locations for Class meetings are announced during the morning announcements. You are invited to attend and help make your class the best!

ASB CABINET 2015-2016

Please feel free to contact any of the following Cabinet Members to voice your opinions or provide helpful suggestions for improving our school. Although dedicated and committed to making WCHS one of the finest high schools in the region, these representatives look to you for input to make the best decisions. Please help us uphold our rich traditions and excellent reputation by assisting your ASB Cabinet in the democratic process.

GENERAL STUDENT INFORMATION

ATTENDANCE

Students arriving late or leaving early MUST SIGN IN OR OUT at the Attendance Office. A parent must call BEFORE the student arrives or send a note with the student in order to have their absence or tardy cleared. Any period missed due to late arrival without a parent note or phone call the next morning (by 9:00 am) will be classified as a truant. The consequence for truanancies include the loss of opportunity to make up work in class and the assignment of a make-up class (Saturday School, etc.). If late arrival is cleared by parents after 9:00 am the following morning, truanancies will be cleared with teachers, yet detentions will stand as scheduled.

Parents of students who are absent are requested to telephone the Attendance Office to clear the absence for each day of the student's absence. To assist in this process, you may leave messages 24 hours a day. Phone # 626-859-2900 x2917

If phone contact does not occur, students must drop off a note from the parents verifying the cause of absence to the Attendance Office. An absence which has not been cleared within three days will be classified as truancy. The consequence for truanancies includes the loss of opportunity to make up instruction missed for the unexcused absence and the issuing of detentions. In most cases, Saturday Schools will be issued for a full day absence (6 hours). In addition, if the parent clears the absence outside the three-day limit, the truancy will be cleared with teachers, yet detentions or Saturday Schools will stand as scheduled.

Upon returning to school, students report directly to class – they do not report first to the Attendance Office (except when dropping off a note) since they have already been cleared. They will not require a "re-admit" slip.

Students are expected to report on time to all of their classes. Attendance will be taken each period. Excessive absences usually lead to poor learning. The instructor may refer a student to their Dean for appropriate action. A student's absence will be recorded regardless of the reason for the absence.

ATTENDANCE PROCEDURES (CLEARING AN ABSENCE)

Each student has three school days to clear an all-day absence. **If he/she fails to do so, the absence is classified as a truancy. If the student is tardy to class, it is considered a truant. Make-up work/tests may not be given. Each student has one day to clear a single period absence. For more information on tardy and truancy policies, see the Student Behavior Guidelines.**

BICYCLES AND SKATEBOARDS

Students are not to ride bicycles or skateboards on campus at any time. They are to be brought onto campus from the front gate only. Please walk with them from the public sidewalk to the rack area behind the ASB Building. Racks are provided to park and lock all bicycles and skateboards. Bicycles and skateboards will be confiscated if they are found outside of these designated areas or if students are discovered riding them, and be held in the Deans' office for parent pick up only.

CHANGE OF ADDRESS

Students are responsible for keeping the school informed of any changes of address or phone number that can be used in case of emergency.

CLEARING THE CAMPUS

Students are expected to leave campus after the end of their regular school day unless they are involved in a scheduled extra-curricular activity. Students will not be allowed to loiter on campus after their school day ends.

CLOSED CAMPUS

West Covina High School is a “closed campus.” This means that all students are required to stay on campus from the beginning of their daily schedule of classes through the end of their scheduled classes, including the nutrition and lunch periods. Students are reminded that they are under the school’s jurisdiction any time they are on our campus or any other WCUSD campus. A 40 minute lunch period will be made available every day, except when “minimum days” are designated. A 10 minute nutrition period will be made available, except when cancelled for special activities. Students who have medical, dental, or other scheduled appointments off campus must bring a note signed by a parent or legal guardian in advance to the Attendance Office where a written authorization to leave campus will be issued. Students who arrive at school any time after the beginning of their first scheduled class of the day must report first to the Attendance Office for a pass.

No student is to leave the campus at any time during school hours—for any reason—except by pass from Attendance, Health, or R.O.P. offices. All visitors must receive permission to be on campus and secure a pass from the receptionist at the front office. Students may earn the privilege for an **off-campus lunch** pass. An individual student’s GPA and STAR test results determine this privilege.

TECHNOLOGY

West Covina High School is committed to helping students and staff use technology as an effective educational and administrative tool and to meet state and national educational standards. It is understood that students and staff will use technology in a mature and professional manner in accordance with the district’s acceptable use policy.

COMPUTER USE

Computers are provided for educational purposes only. Students may access the Internet only if they and their parents have signed the Internet Use Agreement for that school year. Students may not use computers or the Internet for chatting, purchases, profit, fraud or vandalism. Communication over the Internet with other people in the form of e-mail or bulletin boards will only be permitted under a staff member’s supervision.

DAMAGE, THEFT & VANDALISM

CARE OF SCHOOL AND PERSONAL PROPERTY

Students are responsible for the care of all books, supplies and furniture supplied by the school. Students who damage or deface school property will be required to pay for the damage. Students should limit items brought to school to those items necessary for school activities. The school is not responsible for items brought to school, which are lost or stolen. Report any thefts to the Dean’s Office.

ELECTRONIC DEVICES

Electronic devices including iPod, MP3 player, PSP, CD players, headphones, radios or walkie-talkies are only allowed during lunch and nutrition. Some pagers are permitted for medical reasons. These reasons must be cleared in advance through the Deans’ Office. Cellular phones and other electronic devices are to be used according to the following guidelines:

GREEN ZONE: All common areas during non-instruction time, including the quad, hallways, cafeteria. Students have permission to use their electronic devices for personal use appropriately in these areas. Taking photos and/or videos of others without their permission are not acceptable under any circumstances.

YELLOW ZONE: Teachers may designate their classroom a yellow zone where cellular phone and/or electronic device usage is supported for educational or instructional purposes only. Students are expected to follow teachers’ directions with regard to phone usage when a classroom has been identified a yellow zone.

RED ZONE: A classroom designated red zone indicates cellular phone and/or electronic device usage is not permitted and all devices are expected to be silent and out of sight.

Students who are in violation of the above policy will be subject to progressive discipline whereby subsequent infractions will result in increased discipline including an opportunity to correct the transgression (warning), parent contact, detention, Saturday School, and referral to the Deans’ Office. Pervasive infractions may also impact citizenship marks per trimester.

FEES

Fees for lost or overdue books must be paid before students are cleared for graduation or admission to fall classes. Fees are paid at the ASB office. **ASB accepts no checks past April---Cash Only. Payment plans available upon need.**

FIELD TRIPS

Each student must get clearance from each teacher on a blue card before attending an all-day field trip. In addition, a parent signature must be on file granting permission for all off-campus activities.

FOOD SERVICES

A selection of sandwiches, salads, fresh fruit, chips, and beverages is available from locations throughout the quad and cafeteria building during lunch. Snacks are available from the cafeteria during the nutrition recess. Applications for **free or reduced breakfast/lunch** may be picked up in the cafeteria office. Students may eat lunch throughout the quad, but no food or drink is allowed in any classroom. Wherever students choose to eat, they are expected to show pride in WCHS by keeping the area free of trash.

HALLWAYS AND HALL PASSES

During class all hallways should remain empty. Students excused from a classroom while classes are in session must carry Hall Passes. WCHS uses a standardized pass system. While using the hallways during class, students are expected to maintain an academic learning environment by **not** running, yelling, using profane language, or making excessive noise.

IDENTIFICATION CARDS AND LANYARD POLICY

All students are given a current WCHS ID card upon registration. These cards are provided free of charge; pictures are taken during registration. It is each student's responsibility to make sure his/her ID picture has been taken during registration. Students new to the school or anyone who loses his/her card must go to the ASB office to make arrangements for their card. **Replacement ID cards are issued at a charge of \$5.00 in the Dean's Office.**

All students must wear an unaltered West Covina High School ID at all times while on campus. The ID card is to be clearly visible, attached to clothing and located on the front of the body, above the waist. Students are required to present this card:

- When requested to do so by school officials,
- When voting in any school election,
- When serving detention and/or Saturday school and/or,
- Upon admission to school athletic events and dances
- Media Center services
- Pupil and Counseling appointments

This card must not be lent to, or worn by, any other person. Loss of this card should be reported immediately to the Dean's Office. **This ID is the property of West Covina High School.** ID must be surrendered upon the request of school officials. Students will be provided with an ID Card and a clip. **Students who lose/deface their ID Card or come to school without a ID card will be issued one with a replacement cost of \$5.00.** The ID card will be attached to a clip provided by the school or students may use their own lanyard. Wearing the clips/lanyards must follow the requirements of West Covina High School Standards in Handbook under Student Dress and Grooming Standards.

Students who do not wear their ID Cards while at school are in violation of WCHS policy and are subject to the following consequences:

- 1st Incident: Student warning, Parent Notification (letter, call), temporary ID issued (valid for remainder of the school day)
- 2nd Incident: Parent Notification (letter, call), Student Conference with Administration and ID replacement cost
- 3rd Incident: Student issued Disciplinary Consequence, Parent Notification (letter, call), and ID replacement cost
- Continued offenses will result in students being subject to school wide progressive disciplinary actions, Parent Notification (letter, call), and ID replacement cost.

INTERNET USAGE AGREEMENT

All students must have a WCUSD Internet Acceptable Use Policy Release (Form 7007) on file with the Media Center to use school computers in our labs.

LOCKERS

A limited number of lockers are available for the safekeeping of books and other student property needed at school. Do not plan on having a locker. WCHS accepts no responsibility for vandalism or lost articles. Students are encouraged to remove all items from their lockers at the end of each school day and weekends because of the threat of locker vandalism and theft. The school reserves the right to search lockers at any time in the interest of a safe and orderly school operation.

LOST AND FOUND

If clothing, books, backpacks or notebooks have been lost, check first in the Media Center. The Media Center staff maintains a Lost and Found cabinet.

MAKE-UP WORK

If a student is ill or unable to attend school, the parent should call the counseling office to inquire about make-up work. Usually, make-up assignments can be collected from teachers and the parent may stop by the school to pick them up within 48 hours.

MEDIA CENTER

The Media Center maintains a study hall atmosphere throughout the school day and after school. Many services are available and the staff is there to assist students with academic needs. The computers are available whenever teachers have not reserved them for use during their classes. Library books are available for circulation to students with an I.D. card. Students are financially responsible for all items including textbooks that are checked out. Unpaid fees, damages and losses may result in the student not participating in graduation ceremonies.

MEDICAL APPOINTMENTS

If parents need their student to leave school for an appointment or other preplanned commitments, a phone call to the attendance office should be placed before the time the student leaves. When the parent arrives to pick up the student, the parent should report to the attendance office and the student will be called from class. Upon returning from an appointment, the student should report to the attendance office before going back to class. If a student leaves school without getting clearance through the office, that student is marked truant.

MEDICATION

By law, any medication that is to be taken while in school must be stored and administered in the Health Office, where the Health clerk can verify it has been prescribed. Staff may not dispense medication, including aspirin.

MESSAGES AND DELIVERIES

Messages delivered to students during class time are limited to official school business and urgent parent communication as relayed through the attendance office. We encourage students not to have items delivered. The delivery of balloons or flowers to students during the school day is prohibited as it can disrupt the learning environment. All deliveries will be kept at the front office for the student to pick up at the end of the day.

NEWSPAPER

The school newspaper, **NewsBytes**, provides students with bi-monthly information about activities and events around the campus. This paper is provided free for all students

PARKING PASSES

Student parking is located at the "Tennis Court Parking Lot." All other campus parking lots are designated faculty parking or visitor parking. Students must have proof of current car insurance and a driver's license on file with the ASB Office to obtain parking permits. Parking permits must be on display at all times within the student vehicle or cars will be cited. Students are not to use their cars as lockers. Once the car is parked for the day, access is restricted to secure each parking lot.

RALLIES AND ASSEMBLIES

Although there are a number of optional lunch-time rallies planned throughout the year to generate school spirit, publicize our athletic programs, and showcase our performing groups, ASB also plans numerous all school assemblies. Teachers will be given notice of assemblies (held in the gym) several weeks in advance in order to plan accordingly.

STUDENT DROP-OFF

Student pick-up and drop-off zones are located along Fernwood and Cameron Avenue before and after school. During school hours, however, all gates are locked and student access is restricted. Please inform parents to use only the visitor parking area near the administration building for late drop-offs.

Students are responsible for textbooks that are issued to them. It is the student's duty to put a book cover on each textbook and maintain it in good condition. Free book covers are often available from the Media Center. Charges will be levied for lost or damaged books. When a student withdraws from a class, textbooks must be returned to the Media Center. Students are encouraged to keep a log of the barcodes for the books they have checked out.

The yearbook may be purchased along with an ASB card in the beginning of the school year for a special reduced rate. The price of the book increases through the year. Yearbooks are sold at the Student Store windows.

STUDENT BEHAVIOR GUIDELINES

RESPECT FOR THE RIGHTS OF OTHERS

Every right that we have is attached to an obligation. Your rights must be balanced against the rights of others, and their rights must be balanced against yours. Also, the purpose of the school and the requirements of the educational process must be weighed in deciding who has a right to do what and which behavior needs to be corrected. That is why our society has laws and why a school has rules. If you wish to take full advantage of your rights, while still respecting the rights of others, we at WCHS will support you.

STUDENT DUTIES

Every student shall attend school punctually and regularly, conform to the regulations of the school; obey promptly all the directions of his/her teacher and others in authority; observe good order and propriety of deportment; be diligent in study; respectful to his/her teacher and others in authority; kind and courteous to school mates; and refrain from the use of vulgar or profane language. The Board of Education considers sexual harassment a violation of state and federal laws which may result in disciplinary action or dismissal of the offending employee or in the case of students, suspension or expulsion as provided by Board Policy 5114, Suspension, Expulsion, Exemption or Exclusion of Students. Sexual harassment means unwelcome sexual advances, requests for sexual favors, and other verbal, visual or physical conduct of a sexual nature, made by someone from or in the work or education setting, under any of the following conditions:

- a) Submission to the conduct is explicitly or implicitly made a term or a condition of an individual's employment, status, progress or promotion.

TRUANCY POLICY: CONSEQUENCES FOR FAILING TO CLEAR ABSENCES

Each student has three school days to clear an all-day absence. If he/she fails to do so, the absence will become a truancy. Truancies cannot be cleared and make-up work/tests may not be given. Each student has one day to clear a single period absence.

In order to adjust the permanent record containing full day truancies, West Covina High School offers a **Make-Up Program** (offered on Saturday and during the week), which is served on campus. This adjusts the truancy on the record to reflect that the missed school hours have been made up.

Any three full day truancies, which have not been made up, may prevent participation in co-curricular and extra-curricular activities. **Students involved in dance, sports, music, drama, etc. may not be given a release to participate until these truancies have been made up.** Students may not be allowed to purchase tickets to dances and other activities until their attendance is cleared, as well. Seniors may also specifically lose privileges with regards to graduation activities.

Any combination of 7 tardies/truants in the same class, during the same 6-week grading period will result in a citizenship grade of U in that class.

DRUG/SUBSTANCE-DETECTING CANINES

In an effort to keep our schools as safe learning environments, the West Covina Unified School District will periodically enlist the use of substance sniffing canines on our campuses. These dogs are never in contact with students and are trained to detect various illegal substances. Offenses involving possession or sale of drugs, alcohol, or dangerous objects, and/or assault with a dangerous object will be reported to the proper legal authorities.

STUDENT DRESS AND GROOMING STANDARDS

Students' dress and conduct affect the learning atmosphere of the school. All staff members have the right and responsibility to uphold and enforce these rules. Student dress or grooming which is disruptive to the instructional process, or which creates risk of injury or harm to any student, is prohibited. The Board of Education declares that the following guidelines apply to all students who attend school and school activities in the West Covina Unified School District.

1. Attire as currently defined or designated as a group (Gang, Crew or Tagger) by the West Covina Police Department or School Administration is not permitted. Male students are not allowed to wear tank tops.
2. No undergarments shall be showing. Attire that is sexually suggestive or excessively brief, low cut, or revealing is not allowed. Examples: Clothing that is too tight (spandex), bare midriff, see-through tops.
3. Clothing or grooming that causes disruption or distraction among students within the classroom is not acceptable. Clothing should not be in disrepair. Examples: Clothing which advocates the use of controlled substances, violence, prejudice, or are sexually suggestive either through writing, pictures, or insignia.

5. Jewelry and accessories shall not be worn which have the potential to be dangerous or can be used as a weapon or to indicate group (Gang, Tagger) affiliations. Example: chains, wrist bands with studs, bandanas.
6. Pants, shorts, skirts, and skorts will be worn at the waist, above the hip, and fit sufficiently so that a belt is not needed. Overalls must fit and the sides and straps need to be fastened. AR 5132 (B)

The legislature expressed a number of concerns and beliefs:

The children of this state have the right to an effective public school education. Both students and staff on all campuses have a right to be safe and secure in their persons at school. There is too much focus on violence and messages of violence contained in many aspects of our society, particularly reflected in gang regalia, which can be disruptive to the learning environment. "Gang related apparel" is hazardous to the health and safety of the school environment. Instructing teachers and students in the subtleties of constantly changing gang regalia and affiliation takes time away from education.

- a) Clothing which is too large can conceal weapons, specifically jumpsuits and overcoats and/or large bags.
- b) The adoption of a school wide uniform policy is a reasonable way to provide some protection for students.
- c) To control the environment in the public schools to facilitate and maintain an effective learning environment and to keep the focus of the classroom on learning and not personal safety, schools need the authorization to implement uniform clothing requirements for our public school children.
- d) Many educators believe that school dress significantly influences pupil behavior. This influence is evident on school dress-up days and color days. Schools that have adopted school uniforms experience a coming together feeling, greater school pride and better behavior in and out of the classroom. Therefore:
 1. The Governing Board may adopt or rescind a reasonable dress code policy that requires pupils to wear a school-wide uniform or prohibits pupils from wearing "gang-related apparel" or clothing that is disruptive to the learning environment.
 2. Enforcement of a reasonable dress code is not a violation of the right of free speech.*
 3. If a school uniform policy is established it must comply with all restrictions and the right to opt out of the uniform policy as established in ED. Code 35183.

AR 5132 (C)

1. It is recognized that there will be some items of clothing that may be acceptable at the high school level that are not at the middle school or elementary. Specifics in each school's dress code may vary for that reason.
2. Violations of the dress code, resulting in a safety, health, or educational disruption problems will be addressed on an individual basis.
