

Innovations International Charter School of Nevada

Educating For Life

I will adhere to the mission statement that is set forth by IICSN and its Board Members. I will allow the coaches to coach the team. This includes coaching from the stands and approaching the team's bench. It is not acceptable to approach an athlete, referee or school official regarding a ruling on the field of play.

Parents are allowed to set up a conference with the coach. IICSN would ask that you wait 24 hours after a said incident before meeting with coaches. If such a meeting takes place, understand that the coach will not discuss playing time or another player's abilities. Remember that all negative comments weaken the team. Be positive to your student/athlete, you are the one person he/she wants to impress the most.

The parent is responsible for the transportation of his/her student /athlete and he/she must be picked up at proper times. As a parent I will have all forms filled out and pay sports fees before the student/athlete can compete.

I have read the above Parent Expectation Letter. I have also read the IICSN Handbook and Athletic Code of Conduct. I understand what it means for my student/athlete with my signature below.
